Extremely honest and personal, it shines a poignant eye on the struggles of a high-powered job in New York's glitzy and glamour scene and the darkness of addiction. Through it all, this illuminating adventure offers a fresh and hopeful point of view to the meaning of life in these troubled times. Steve Kammon, Editor, Circuit Noize magazine Greg DiStefano has spent a decade on the fringes of the limelight, brushing up against the famous and the infamous in the shadowy underbelly of New York's nightclub scene. It all looks promising until Greg's bizarre encounter with the prophetic Spiros forces him to reexamine his perception of reality. Propelled by a string of serendipitous events, Greg and Spiros wind their way across the Middle East and India, interacting with a series of seers, sages, and spiritual masters. Troubled by America's soulless culture, internal conflicts, and the meaninglessness of his star-studded dream job, Greg breaks down. Stripped of everything that defines his identity, only a terrifying leap into the unknown can save him. While chronicling dizzying celebrity heights and floor-crawling lows, Breakdown blends elements of religion, philosophy, metaphysics, and sexuality into popular language. A testimonial to the indomitable human spirit, this coming-of-age tale provides hope, deeper meaning, and an opportunity for transformation. Breakdown find yourself.
