## **Sailing Small Craft Down The Ages:**

**Sailing and Small Craft Down the Ages** Edgar L. Bloomster,1969      Unusual Vessels Jeff Markell,2004-02 Unusual Vessels is perfect for anyone interested in the sea and the craft that sail on it The strange vessels discussed here are just a few of the more curious craft that the author Jeff Markell has come across some he has sailed on some he has only seen and some only learned about from others Ranging in size color purpose and historical significance the ships described in this book will fascinate sailors and spectators like      *Mid-Currituck Bridge Study, Currituck and Dare Counties* ,2012      *Sailing and Small Craft Down the Ages; Drawings and Text* Edgar L. Bloomster,1969      **Boating** ,1959-01      *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1972      The Living Age ,1849      Littell's Living Age ,1895

**Trade, Travel, and Exploration in the Middle Ages** John Block Friedman,Kristen Mossler Figg,2013-07-04 Trade Travel and Exploration An Encyclopedia is a reference book that covers the peoples places technologies and intellectual concepts that contributed to trade travel and exploration during the Middle Ages from the years A D 525 to 1492

*Routledge Revivals: Trade, Travel and Exploration in the Middle Ages (2000)* John Block Friedman,Kristen Mossler Figg,2017-07-05 First published in 2000 Trade Travel and Exploration An Encyclopedia covers the people places technologies and intellectual concepts that contributed to trade travel and exploration during the Middle Ages from the years C E 525 to 1492 This comprehensive reference work contains entries on a large number of subjects including familiar topics such as the voyages of Columbus and Marco Polo and also information that is more difficult to find for example the traditions of travel among Muslim women and the influence of Viking travel on navigation and geographical knowledge Bringing together more than 175 scholars from a variety of disciplines it minimizes Eurocentric bias and offers extensive coverage of such topics as travel within Inner Asia Mongol society and the spread of Buddhism Including an extensive map program and more than 125 illustrations as well as bibliographies a comprehensive index and see also references Medieval Trade Travel and Exploration is a valuable reference guide for undergraduate and graduate students scholars and also the general reader      Daily Life in the Age of Sail Dorothy Volo,James M. Volo,2001-11-30 From the Thirteenth century through the Nineteenth the waterways of the world provided the major means of transportation for exploration trade the military and even criminals Find out what life was like for those who chose to sail the high seas as well as for those who didn t choose to be on board like wives brought to sea by husbands and slaves en route to the auction block What were their quarters like What did they eat How did they pass their long days at sea These and other questions are answered in animated prose that brings the lives of ordinary people who oftentimes engaged in extraordinary activities into sharp focus First hand accounts from such sources as personal journals and magazine articles are provided to help bring the time period alive Students will also learn what life was like in the seaport towns and what the sailors did when they visited these towns as well as the physical parts of the ships and the different roles different members of the crew played This engaging history helps to separate fact from fiction while exploring

the reasons the sea and sea life have held such prominent roles in popular fiction and will help students understand what life was truly like for these people

**British Warship Losses in the Age of Sail, 1649-1859** David Hepper, 2023-12-30 This significant new reference book provides a complete list of the ships of the Royal Navy which were lost at sea in the age of sail Arranged in chronological order it includes outline details of each vessel lost and the circumstances of her loss 1649 is the start date which coincides with the execution of Charles I and that time when the Royal Navy entered a new phase as an instrument of state the launch of the steam powered and iron hulled Warrior in 1860 effectively marks the end of the great era of the wooden hulled sailing warship Life at sea in the age of sail was a hazardous pursuit and there were many reasons for a ship being lost A correspondent to the Nautical Magazine in 1841 detailed some fifty reasons and causes from being short of crew abandonment without sufficient cause the poor condition of a ship incorrectness of charts poor dead reckoning as well as less obvious reasons such as the presence of captains wives and other women Navigational error particularly before the chronometer allowed for the accurate calculation of longitude was a common reason while poor weather in the form of fog or gales was an obvious peril So many ships suffered the melancholy fate of lonely disappearance overwhelmed by storm and sea and witnessed by none Collisions and fire feature regularly as does of course loss to the enemy Each entry includes details of the ship its name and type tonnage and dimensions origin and place of build the circumstances of the loss the date and a list of the main references used All this material is presented here in a single and highly accessible volume and represents a major milestone both in naval research and publishing it offers too a fund of fascinating and compelling stories of maritime misadventure Praise for the author s previous work This volume is an amazing encyclopaedic catalogue of British warships lost between 1649 and 1859 It is strongly recommended to historians authors researchers and all those with an interest in the history of the Royal Navy and the Second World War Scuttlebut Magazine

**British Warships in the Age of Sail, 1793-1817** Rif Winfield, 2014-09-30 The revised edition of this authoritative naval history provides a comprehensive illustrated guide to the Royal Navy of the Napoleonic Era A major contribution to naval history this third volume in Rif Winfield s British Warships in the Age of Sail covers every vessel that served in the Royal Navy between the outbreak of the French Revolutionary Wars and the Battle of Waterloo Revised to incorporate new research it details more than 2000 ships whether purpose built captured purchased or merely hired Providing comprehensive technical data on the ships this volume also includes commissioning dates refit periods changes of captain their stations of service as well as notes on any actions in which they took part The book is well illustrated with contemporary prints and drawings that show the wide variety of service required of naval vessels in late 18th and early 19th centuries Specially commissioned general arrangement drawings also depict the most significant classes In all it is a fitting tribute to a navy that at the zenith of its power in 1809 comprised one half of all the warships in the world

Clipper Ships and the Golden Age of Sail Sam Jefferson, 2014-10-09 In the era of commercial sail clipper ships were the ultimate expression of speed and grace Racing out to the gold fields of

America and Australia and breaking speed records carrying tea back from China the ships combined beauty with breathtaking performance With over 200 gorgeous paintings and illustrations and thrilling descriptions of the adventures and races on the water this beautiful book brings the era vividly to life Chapters include The origins of the clippers from the gold rush to the tea trade A hell ship voyage with Bully Waterman one of the most successful and notorious captains of the era Marco Polo the fastest ship in the world her rise to prominence and subsequent decline Mary Patten s battle with Cape Horn a lady captain takes charge in a very male world Mutiny aboard the wild boat of the Atlantic The great China tea race of 1866 an amazingly close race across the world only decided in the final few miles The Sir Lancelot defies the odds her eccentric captains and rivalry with the legendary Thermopylae The Cutty Sark s longest voyage First hand accounts newspaper reports and log entries add fascinating eyewitness detail whilst the stunning images show how the designs of these thoroughbreds developed over the years A wonderful read and worthy celebration of these racehorses of the sea

**British Warships in the Age of Sail, 1714-1792** Rif Winfield, 2007-12-12 The 2nd volume in this comprehensive naval history details the design and employment of British warships through the 18th century The Hanoverian dynasty that came to power with the accession of George I in 1714 inherited the largest navy in the world In the course of the century this force would see a vast amount of action against nearly every major navy reaching a pinnacle of success in the Seven Years War only to taste defeat in the American Revolution This superb reference book outlines the service history of every ship that fought for the Royal Navy in the great wars of the eighteenth century well over 2000 vessels The book is organized by Rate classification and class The technical and building data of each ship is followed by a concise summary of its career This includes commissioning dates refit periods changes of captain the stations where they served and details of any noteworthy actions in which they took part It will enable anyone to follow up a casual reference to any warship and will provide the researcher with a solid core of information on which to base further study With its unique depth of information this is a work of the utmost importance to every naval historian and general reader interested in the navy of the sailing era

**Russian Warships in the Age of Sail 1696-1860** Eduard Sozaev, John Tredrea, 2010-06-23 Peter the Great created a navy from nothing but it challenged and soon surpassed Sweden as the Baltic naval power while in the Black Sea it became an essential tool in driving back the Ottoman Turks from the heartland of Europe In battle it was surprisingly successful and at times in the eighteenth century was the third largest navy in the world yet its history and especially its ships are virtually unrecorded in the West This major new reference work handsomely fills this gap with a complete and comprehensive list of the fleet with technical detail and career highlights for every ship down to small craft However because the subject is so little recorded in English the book also provides substantial background material on the organisation and administration of the navy its weapons personnel and shipbuilding facilities as well as an outline of Russia s naval campaigns down to the clash with Britain and France known as the Crimean War Illustrated with plans paintings and prints rarely seen outside Russia it is authoritative reliable and

comprehensive the culmination of a long collaboration between a Russian naval historian and an American ship enthusiast  
EDUARD SOZAEV is an established Russian naval historian with a number of books to his credit JOHN TREDREA his  
translator editor and long term collaborator is an American ship enthusiast with a life long interest in the Russian navy
