Atalanta's Race William Morris,1888 **The Great Conjunction** Gabriel Cristian Negus,2025-02-11 An Event Beyond Time A War Beyond Worlds There are moments in history that change the course of everything events that ripple through time rewriting fate itself But what if those moments were not accidents What if they were designed calculated inevitable The Great Conjunction is not just a celestial alignment It is the collision of forces far older than the stars a convergence of worlds that should have never touched It is the breaking of barriers the unraveling of destinies the moment where reality itself is rewritten In the shadows of the universe ancient architects pull invisible strings while rogue minds fight to break free from the script A war is coming one that will not be fought with mere weapons but with time with existence with the very fabric of what is real Some will rise Some will fall And some will discover that they were never who they thought they were But in the end when the dust settles and the final thread is cut Who will remain Who will remember And who will escape the cycle before it begins again The Great Conjunction has begun And nothing will ever be the same
