warriors such as Buffy the Vampire Slayer and Kate Beckinsale in Underworld and Van Helsing In addition the book is lavishly illustrated with over 400 photos of these popular culture icons in action interesting articles and sidebars about themes trends weapons style and trivia as well as a complete filmography of more than 150 titles **Boldly You** Janet T. Phan,2022-05-17 **Boldly You** A Story about Discovering What You re Capable of When You Show Up for Yourself is a close up look at the hardships life lessons and stories of resilience of author Janet T Phan In this honest insightful heartfelt account of Janet s experience as a young woman struggling to overcome the obstacles in her life readers will find wisdom and advice to help them rise above their own circumstances recognize their limitless potential and achieve their goals This book is about what s possible in a person s life when they recognize that they have the power to define their future As a young woman Janet faced countless realities that made her path to success difficult Her family relied on government subsidies such as housing and free meals at school Her first generation Vietnamese parents in a culture so different from their own didn t always understand how to support her curiosity ambitions and goals But she believed in herself and had the courage to act on those beliefs so she found a way to build a community around her and develop the skills she needed to make top grades throughout her education while working multiple jobs and pursuing her dreams In her book Janet shares the key takeaways from her experiences that led to her success today as a driving force impacting the STEM field and as the Founder and Executive Director of Thriving Elements a nonprofit dedicated to providing access and opportunities for underserved underrepresented girls through STEM mentorship **Boldly You** is a self help book that reads like a charged and poignant memoir Written for high school and college students young professionals and all those who are dreaming of their future or figuring out their paths in life this book will inspire and guide Every chapter concludes with Thriving Elements critical learnings from the author s journey that will help readers show up for themselves be open minded build their confidence be situationally aware and be biased for action Janet s story is proof that you can be your own person and create the life you want *Anime Mania* Christopher Hart,2002 All the information readers will need to create authentic anime characters Page 4 of cover **Anime and Manga** , Seven Going on Seventeen Jacqueline Reid-Walsh,2005 The tween is the new girl on the block in girlhood studies Although the study of tween life may have derived from a particular marketing orientation at the end of the twentieth century it is not limited by it On the contrary this collection of essays shows that tween is not a simple or unified concept nor is it limited to a certain class of girls in a few countries This collection by an international group of authors highlights specific methodologies for working with and studying tween age girls provides challenges to the presumed innocence of girlhood and engages in an analysis of marketing in relation to girlhood In so doing this book offers a reading on these three or four years in a girl s life that suggests that this period is as fascinating as the teen years and as generative in its implications for girlhood studies as studies of both younger and adolescent girls *The Sailor's Magazine* ,1863 *Global Manga* Casey Brienza,2016-03-09 Outside Japan the term manga usually refers to comics

originally published in Japan Yet nowadays many publications labelled manga are not translations of Japanese works but rather have been wholly conceived and created elsewhere These comics although often derided and dismissed as fake manga represent an important but understudied global cultural phenomenon which controversially may even point to a future of Japanese comics without Japan This book takes seriously the political economy and cultural production of this so called global manga produced throughout the Americas Europe and Asia and explores the conditions under which it arises and flourishes what counts as manga and who gets to decide the implications of global manga for contemporary economies of cultural and creative labour the ways in which it is shaped by or mixes with local cultural forms and contexts and ultimately what it means for manga to be authentically Japanese in the first place Presenting new empirical research on the production of global manga culture from scholars across the humanities and social sciences as well as first person pieces and historical overviews written by global manga artists and industry insiders Global Manga will appeal to scholars of cultural and media studies Japanese studies and popular and visual culture
