Saint Foucault Towards A Gay Hagiography:

Saint Foucault David M. Halperin, 1997-04-10 Although there is scarcely more than a mention of homosexuality in his scholarly writings Michel Foucault who died of AIDS in 1984 has become a source of inspiration to a generation of gay activists This book provides a defence of Foucault's work **Sexuality and the Sacred, Second Edition** Marvin M. Ellison, Kelly Brown Douglas, 2010-09-21 Christian discourse on sexuality spirituality and ethics has continued to evolve since this book's first edition was published in 1994 This updated and expanded anthology featuring more than thirty contemporary essays includes more theologians and ethicists of color and addresses issues such as the intersection of race racism and sexuality transgender identity same sex marriage and reproductive health and justice [A Genealogy of Queer Theory](#) William Benjamin Turner, 2000 Who are queers and what do they want Could it be that we are all queers Beginning with such questions this book traces the roots of queer theory examining the growing awareness that few people precisely fit standard categories for sexual and gender identities [The Everyday Lives of Gay Men in Hainan](#) James Cummings, 2022-03-15 This book explores the everyday lives of gay men in Hainan an island province of the People's Republic of China Taking an ethnographic and phenomenological approach it asks how these men construct and experience ways of sexual being as gay homosexual tongzhi and or in the scene and what these mean for the ways of living they see as possible within a socio cultural political and material context characterised by pervasive heteronormativity It explores what it means for gay men in Hainan to come into the scene how internet and mobile technologies figure in their everyday processes of sexual categorisation and how these men negotiate orientations and disorientations towards the future in relation to dominant heterosexual life scripts of marriage and reproduction This book offers vital insights into the production and restriction of non heterosexual lives in diverse settings while addressing universal questions of how certain ways of living are enabled and curtailed in living together with others through powerful conditions of uncertainty and precarity This book will be of interest to scholars in LGBTQ studies particularly those with a focus on same sex intimacies and identities in China

Brother-Making in Late Antiquity and Byzantium Claudia Rapp, 2016-02-01 Among medieval Christian societies Byzantium is unique in preserving an ecclesiastical ritual of adelphopoiesis which pronounces two men not related by birth as brothers for life It has its origin as a spiritual blessing in the monastic world of late antiquity and it becomes a popular social networking strategy among lay people from the ninth century onwards even finding application in recent times Located at the intersection of religion and society brother making exemplifies how social practice can become ritualized and subsequently subjected to attempts of ecclesiastical and legal control Controversially adelphopoiesis was at the center of a modern debate about the existence of same sex unions in medieval Europe This book the first ever comprehensive history of this unique feature of Byzantine life argues persuasively that the ecclesiastical ritual to bless a relationship between two men bears no resemblance to marriage Wide ranging in its use of sources from a complete census of the manuscripts containing

the ritual of adelphopoiesis to the literature and archaeology of early monasticism and from the works of hagiographers historiographers and legal experts in Byzantium to comparative material in the Latin West and the Slavic world Brother Making in Late Antiquity and Byzantium examines the fascinating religious and social features of the ritual shedding light on little known aspects of Byzantine society

Historical Dictionary of the Lesbian and Gay Liberation Movements

JoAnne Myers,2013-09-19 Not so long ago hardly anything was said of the Lesbian Liberation Movement and the Gay Liberation Movement indeed the terms gay and lesbian were not even used if some other expression could be found Today by contrast hardly a day passes when something important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality

The Routledge Handbook of Classics and Queer Theory Ella Haselswerdt,Sara H. Lindheim,Kirk Ormand,2023-09-29 New directions in queer theory continue to trouble the boundaries of both queerness and the classical leading to an explosion of new work in the vast and increasingly uncharted intersection between these disciplines which this interdisciplinary volume seeks to explore This handbook convenes an international group of experts who work on the classical world and queer theory The discipline of Classics has been involved with and implicated in queer theory from the start By placing front and center the rejection of heteronormativity queer theory has provided Classics with a powerful tool for analyzing non normative sexual and gender relations in the ancient West while Classics offers queer theory ancient material such as literature visual arts and social practices that challenges a wide range of modern normative categories The collection demonstrates the vitality of this particular moment in queer classical studies featuring an expansive array of methodologies applied to the interdisciplinary field of Classics Embracing the indeterminacy that lies at the core of queer studies the essays in this volume are organized not by chronology or genre but rather by overlapping categories under the following rubrics queer subjectivities queer times and places queer kinships queer receptions and ancient pasts queer futures The Routledge Handbook of Classics and Queer Theory offers an invaluable collection for anyone working on queer theory especially as it applies to premodern periods it will also be of interest to scholars engaging with the history of sexuality both in the ancient world and more broadly

The New Cambridge Companion to Biblical Interpretation Ian Boxall,Bradley C. Gregory,2022-12-22 This Cambridge Companion offers

an up to date and accessible guide to the fast changing discipline of biblical studies Written by scholars from diverse backgrounds and religious commitments many of whom are pioneers in their respective fields the volume covers a range of contemporary scholarly methods and interpretive frameworks The volume reflects the diversity and globalized character of biblical interpretation in which neat boundaries between author focused text focused and reader focused approaches are blurred The significant space devoted to the reception of the Bible in art literature liturgy and religious practice also blurs the distinction between professional and popular biblical interpretation The volume provides an ideal introduction to the various ways that scholars are currently interpreting the Bible It offers both beginning and advanced students an understanding of the state of biblical interpretation and how to explore each topic in greater depth

Lesbian and Gay Studies Theo Sandfort, 2000-07-28 This timely book seeks to demonstrate the coherence of lesbian and gay studies It introduces the reader to the principal inter disciplinary approaches in the field and critically assesses their strengths and weaknesses whilst asking What is lesbian and gay studies When did it emerge And what are its achievements and research agenda The gay and lesbian movement has emerged as a major political and cultural force It poses a series of far reaching questions about the organization of identity the operation of power and the limits of tolerance Lesbian and Gay Studies has emerged as a vital and enriching field It offers challenges to more traditional disciplines and requires new forms of thought about the connections between acad On the Use and Abuse of Foucault for Politics Brent Pickett, 2005-01-01 Sensitive to the discontinuities in Foucault s thought neither critical nor slavishly devotional On the Use and Abuse of Foucault for Politics demonstrates how Foucault is relevant for contemporary democratic theory Beginning with a discussion of the interrelated ideas of power and resistance Brent Pickett provides an interpretation of Foucault s political philosophy including a comprehensive overview of the reasons for various conflicting interpretations and then explores how well the different Foucaults can be used in progressive politics Accessible and insightful On the Use and Abuse of Foucault for Politics is valuable for specialists in Foucault and for students of postmodern and democratic theory alike

Gay Hegemony/ Latino Homosexualities Manolo Guzmán, 2005-12-09 Gay Hegemony Latino Homosexualities is an interdisciplinary project that weaves ethnographic interviewing with the analysis of texts and material culture to study the intersection of gayness with Latinidad Performance Theories in Education Bryant Keith Alexander, Gary L. Anderson, Bernardo

Gallegos, 2004-12-13 Breaking new ground by presenting a range of approaches to understanding the role function impact and presence of performance in education this volume is a definitive contribution to a beginning dialogue on how performance as a theoretical and **Lessons from the Damned** Nancy E. Stoller, 2021-12-16 First published in 1998

Nancy Stoller records how the poor people of color gay men and lesbians drug users and women have built social movements to fight the impact of AIDS revealing that organizational structure and culture have a greater impact on who is served and how than do public health theories or official organizational goals She draws on ethnographic research and the words of the

activists themselves as well as the literature of social movements and theories of bureaucracy In addition to the stories of the organizational strategies the book offers guidelines for dealing with diversity and conflict with both theoretical and practical perspectives on cross community and international organizing Who's Who in Contemporary Gay and Lesbian History

United States Stacey M Floyd-Thomas, Anthony B Pinn, 2010-03-01 Liberation Theologies in the United States reveals how the critical use of religion can be utilized to challenge and combat oppression in America In the nascent United States religion often functioned as a justifier of oppression Yet while religious discourse buttressed such oppressive activities as slavery and the destruction of native populations oppressed communities have also made use of religion to critique and challenge this abuse As Liberation Theologies in the United States demonstrates this critical use of religion has often taken the form of liberation theologies which use primarily Christian principles to address questions of social justice including racism poverty and other types of oppression Stacey M Floyd Thomas and Anthony B Pinn have brought together a stellar group of liberation theology scholars to provide a synthetic introduction to the historical development context theory and goals of a range of U S born liberation theologies Black Theology Anthony B Pinn Womanist Theology Stacey M Floyd Thomas Latina Theology Nancy Pineda Madrid Hispanic Latino a Theology Benjamin Valent n Asian American Theology Andrew Sung Park Asian American Feminist Theology Grace Ji Sun Kim Native Feminist Theology Andrea Smith Native American Theology George Tink Tinker Gay and Lesbian Theology Robert E Shore Goss Feminist Theology Mary McClintock Fulkerson An extraordinary resource for understanding the vitality of liberation theologies and their relation to social transformation in the changing U S context Written in an accessible and engaged way this powerful and informative text will inspire beginners and scholars alike I highly recommend it Kwok Pui lan author of Postcolonial Imagination and Feminist Theology A delight to read and an exemplary account of the genre of liberation theologies Religious Studies Review The Ashgate Research

Companion to Queer Theory Noreen Giffney, Michael O'Rourke, 2016-03-23 This interdisciplinary volume of thirty original essays engages with four key concerns of queer theoretical work identity discourse normativity and relationality The terms queer and theory are put under interrogation by a combination of distinguished and emerging scholars from a wide range of international locations in an effort to map the relations and disjunctions between them These contributors are especially attendant to the many theoretical discourses intersecting with queer theory including feminist theory LGBT studies postcolonial theory psychoanalysis disability studies Marxism poststructuralism critical race studies and posthumanism to name a few This Companion provides an up to the minute snapshot of queer scholarship from the past two decades and

identifies many current directions queer theorizing is taking while also signposting several fruitful avenues for future research This book is both an invaluable and authoritative resource for scholars and an indispensable teaching tool for use in the classroom

How To Be Gay David M. Halperin,2012-08-21 A pioneer of LGBTQ studies dares to suggest that gayness is a way of being that gay men must learn from one another to become who they are The genius of gay culture resides in some of its most despised stereotypes aestheticism snobbery melodrama glamour caricatures of women and obsession with mothers and in the social meaning of style

A Recent History of Lesbian and Gay Psychology Peter Hegarty,2017-09-13 This ground breaking text explores the contemporary history of how psychological research practice and theory has engaged with gay and lesbian movements in the United States and beyond over the last 50 years Peter Hegarty examines the main strands of research in lesbian and gay psychology that have emerged since the de pathologizing of homosexuality in the 1970s that followed from the recognition of homophobia and societal prejudice The author details the expansion of lesbian and gay psychology to LGB to LGBT psychology via its paradigm shifts legal activism shifts in policy makers and mental health professionals goals in regard to sexual and gender minorities For the first time the origins of the concepts debates and major research programs that have made up the field of LGBT psychology have been drawn together in a single historical narrative making this a unique resource A case is made that psychology has only very lately come to consider the needs and issues of transgender and intersex people and that LGB paradigms need to be critically interrogated to understand how they can be best brokered to bring about social change for such groups A Recent History of Lesbian and Gay Psychology will serve as an advanced historical introduction to this field s recent history and current concerns and will inform both those who have been a part of this history and students who are new to the field
