Saint Thomas More Selected Writings:

Saint Thomas More Thomas More, 2003-04-08 Drawing on a variety of More's late writings this collection provides even readers lacking a background in Renaissance humanism or history with a rich introduction to a startlingly modern man of spiritual principle Thomas More is perhaps most familiar to us from his courageous struggle with Henry VIII unforgettably portrayed in Robert Bolt's classic *A Man for All Seasons* But that final struggle which ended in his execution for treason was only the crowning act in a life that he had devoted to God long before In the first selection in decades made for the general reader from his collected works this volume traces More's journey of moral conviction in his own words and writings Also included is the famous *Life of Sir Thomas More* written by his son in law William Roper In the annals of spirituality certain books stand out both for their historical importance and for their continued relevance The Vintage Spiritual Classics series offers the greatest of these works in authoritative new editions with specially commissioned essays by noted contemporary commentators Filled with eloquence and fresh insight encouragement and solace Vintage Spiritual Classics are incomparable resources for all readers who seek a more substantive understanding of mankind's relation to the divine Saint Thomas More
