The Gospel According to Improv Les Carpenter,2022-03-22 Life and faith are improvisational theater and finding meaning is a work in progress From first breath to the first day of school from first dates to last rites most of us struggle with the overwhelming desire to find meaning How do we love well stay authentic build community enjoy life and live justly all at the same time No one knows God may have a plan but God never gave us the script This book will teach strategies to escape the oppressive voice of self doubt foster compassionate creativity transform Christian faith into a meaningful life practice and organize communities of faith based on the principles of improvisational theater Each chapter will focus on a skill or practice of improv made relevant through autobiographical stories of and grounded in the Christian tradition The end of each chapter will include brain exercises the average reader can do to strengthen the creative neural pathways required to master the improv skill for living

Queer Companions Omar Kasmani,2022-03-23 In *Queer Companions* Omar Kasmani theorizes saintly intimacy and the construction of queer social relations at Pakistan's most important site of Sufi pilgrimage Conjoining queer theory and the anthropology of Islam Kasmani outlines the felt and enfolded ways in which saintly affections bind individuals society and the state in Pakistan through a public architecture of intimacy Islamic saints become lovers and queer companions just as a religious universe is made valuable to critical and queer forms of thinking Focusing on the lives of ascetics known as fakirs in Pakistan Kasmani shows how the affective bonds with the place's patron saint a thirteenth century antinomian mystic foster unstraight modes of living in the present In a

national context where religious shrines are entangled in the state's infrastructures of governance coming close to saints further entails a drawing near to more than official histories and public forms of affect Through various fakir life stories Kasmani contends that this intimacy offers a form of queer world making with saints
