Alegria, 1994-02-01 Although everything in this imaginative and compelling biography of the martyred Chilean President Salvador Allende is solidly based on fact it is cast in the form of a novel by the author who was a close friend and longtime colleague of Allende **No Plot? The Penitential State Mayke de Jong, 2009-04-16 An evaluation of Emperor Louis the Pious reign which examines Louis public penance of 833 **Transpersonal Psychotherapy** Nigel Wellings, Elizabeth Wilde McCormick, 2000-01-30 This is an enriching book for readers interested in unconscious psychological processes and who have a predilection for psychotherapy which interfaces psychology philosophy and spirituality Journal of Critical Psychology Counselling and Psychotherapy Transpersonal Psychotherapy recognizes levels of experience that take us beyond our usual sense of self limited by the content of our personality Whilst facilitating the emergence of self it also actively encourages an exploration of transpersonal experience as an integral part of the individuation process The major work proves a thorough and accessible introduction for students of psychotherapy and interested others **Sufism and Society** John Curry, Erik Ohlander, 2012-06-12 This book examines the relationship between Sufism and society in the later medieval and early modern Islamic world Thematically organized it includes case studies drawn from the Middle Eastern Turkic Persian and South Asian regions It looks to

reconceptualize the study of Sufism during an under researched period of its history The Linguistic Heritage of Colonial

Practice Brigitte Weber,2019-01-14 The contributions of this volume offer both a diachronic and synchronic approach to aspects relating to different areas of colonial life as for example colonial place naming in a comparative perspective They comprise topics of diverse interests within the field of language and colonialism and represent the linguistic fields of sociolinguistics onomastics historical linguistics language contact obsolescence convergence and divergence colonial discourse lexicography and creolistics A Grammar of the Corpse Elizabeth Spragins,2023-06-06 No matter when or

where one starts telling the story of the battle of al Qasr al Kabir August 4 1578 the precipitating event for the formation of the Iberian Union one always stumbles across dead bodies rotting in the sun on abandoned battlefields publicly displayed in marketplaces exhumed and transported for political uses A Grammar of the Corpse Necroepistemology in the Early Modern Mediterranean proposes an approach to understanding how dead bodies anchored the construction of knowledge within early modern Mediterranean historiography A Grammar of the Corpse argues that the presence of the corpse in historical narrative is not incidental It fills a central gap in testimonial narrative providing tangible evidence of the narrator's reliability while provoking an affective response in the audience The use of corpses as a source of narrative authority mobilizes what cultural historians philosophers and social anthropologists have pointed to as the latent power of the dead for generating social and political meaning and knowledge A Grammar of the Corpse analyzes the literary semiotic and epistemological function these bodies serve within text and through language It finds that corpses are indexically present and yet disturbingly absent a tension that informs their fraught relationship to their narrators own bodies and makes them useful but subversive tools of communication and knowledge A Grammar of the Corpse complements recent work in medieval and early modern Iberian and Mediterranean studies to account for the confessional ethnic linguistic and political diversity of the region By reading Arabic texts alongside Portuguese and Spanish accounts of this key event the book responds to the fundamental provocation of Mediterranean studies to work beyond the linguistic limitations of modern national boundaries

The Philippine Islands John Foreman,1899-01-01

Embassy of Onesimus Allen Dwight Callahan,1997-05-01

Virtually all modern commentaries on Philemon agree with the interpretation from late antiquity that the letter treats the case of Onesimus a pilfering runaway slave who Paul is attempting to rehabilitate in the eyes of Philemon his rightfully angry master In this commentary however Allen Callahan tells another story His reading of the rhetorical situation and reconstruction of the historical context provides a new narrative for the letter He interpretation for which he argues is that of several nineteenth century American abolitionist interpreters Here then is not the story of a runaway slave but a story of the estrangement of two Christina brothers Onesimus and Philemon Professor Callahan proposes that his alternative reading of the letter offers a paradigm for Christian reconciliation that necessarily includes diplomacy persuasion forbearance and reparations for injured parties In other words the letter speaks of the challenging implications of Christian love and the

imperative of Christian justice If there is an interpretation of great moment to be offered for this otherwise unremarkable piece of correspondence then the treatment of these themes holds the promise of such an interpretation Allen Dwight Callahan teaches New Testament at Harvard Divinity School *Saints' Blessings (Nipb)* Meera Lester,2004 Man, God, Religion, and State Desmond Clarke,2023-08-18 Man God Religion and State is a reflection on our physical philosophical and political past present and possible future This book may challenge the religious views of some readers but it is not my intention to cause offence to any religious believer We are all living in a time of anxiety and insecurities which may prevent us from embracing our humanity But we should never allow either the pain and sorrow of the past or the threats and fears of the present to obscure our vision of what is just and truthful Our present socioeconomic relationships are based on injustice and falsehood which is unsustainable We must therefore adjust our level and rates of consumption before we cross the line of no return In this sense Man God Religion and State is a warning to us all **The Knights Templar** Michael Kerrigan,2023-04-27 The Knights Templar tells the stories of the major and minor military orders from the 11th century to the present day Organised chronologically the book follows the fates of orders from the foundation of the Knights of St Peter in 1053 exploring how the military and religious aspects of the orders were reconciled and their impact **Diana's Altar** Barbara Cleverly,2016-05-03 Cambridge 1933 On All Hallows Eve in a candlelit pew in ancient All Hallows Church Doctor Adelaide Hartest witnesses a stranger s dying moments Adelaide is just in time to hear his final confession that he has plunged the dagger into his own chest and that his death will be a suicide despite its suspicious appearance But his confession isn t enough to halt an investigation The victim it is revealed is known to Scotland Yard and his death is a matter of national concern Assistant Commissioner Joe Sandilands is sent up from London to discover the truth Thrown into a deadly ring of cloak and dagger intrigue and high society hedonism Sandilands chases a phantom killer through Cambridge s aristocracy intelligentsia cutting edge researchers and a clandestine ring of female spies What secret was the dead man hiding and what is at stake Translating the Relics of St James Antón M. Pazos,2016-08-05 Analysing the narration of the translatio of the body of Saint James from Palestine to Santiago de Compostela and its impact on the historical and biblical construction of Jacobean pilgrimages this book presents an interdisciplinary approach to the two cities at the centre of the legend Jerusalem and Compostela Using a range of political anthropological historical and sociological approaches the contributors consider archaeological research into Palestine in the early centuries and explore the traditions iconography and literary and social impact of the translatio on the current reality of pilgrimages to Compostela *Les Mystères* ,2012-01-01 This collection of essays in English by scholars of international standing presents new insights into the contexts in which the fifteenth century French myst res were created It is centred upon the remarkable outburst of large scale plays written for urban production and dealing with biblical and hagiological subjects which transformed the art of theatre in France and gave rise to a new and multi faceted theatrical culture Among the subjects treated are the means by which

surviving texts preserve theatrical practice and some of the ways in which the work of the principal dramatists Eustache Mercad Arnoul Gr ban and Jean Michel interact with one another and with the work of others The nature of some surviving texts is subjected to close scrutiny and this includes detailed work upon some manuscripts and their typology Attention is also given to the related moralit s the convent drama and to the large corpus of Catalan plays which deal with similar topics but in different circumstances Further contexts are addressed through paradramatic aspects including sermons and the chansons de geste as well as the political environment One recurring feature is the nature and activities of ubiquitous and powerful evil characters and their theatrical and theological significance **Heaven's Purge** Isabel Moreira,2010 Heaven s Purge traces purgatory s roots in the texts and debates of late antiquity Illuminating the varied perspectives on post mortem purgation in late antiquity Isabel Moreira challenges the conclusions of recent scholarship through an examination of the texts communities and cultural ideas that informed purgatory s early history *Monastic London* Walter Stanhope,1887
