ABRAMS,2025 *The Girl Who Baptized Herself* Meggan Watterson,2025-07-22 This riveting exploration of a nearly lost first century scripture tells the story of a courageous saint named Thecla and offers us a road map to knowing our worth Meggan Watterson writes with a prophet s vision and a mystic s heart Arianna Huffington founder and CEO Thrive Global A teenage girl named Thecla is sitting at her bedroom window listening to a man share stories nearby Her mother and fianc order her to stop But Thecla trapped in a world that expects her to marry and have children refuses This man Paul is talking about a world she wants to believe in an inner world of freedom to define her own life And he s talking about a kind of love she hasn t known before a love that asks her to be true to who she is within For Meggan Watterson a Harvard trained feminist theologian Thecla s story in The Acts of Paul and Thecla has everything to do with power Thecla s refusal to be controlled as well as the authority she reclaims by baptizing herself reads like a lost gospel for finding our own source of power within a power that allows us to know who we are and to make choices based on that knowing This hidden scripture suggests that Christianity before the fourth century was about defying the patriarchy not deifying it But early church fathers excluded The Acts of Paul and Thecla along with other sacred texts such as The Gospel of Mary from the New Testament Watterson synthesizes scripture memoir and politics to illuminate a story that has been left out of the canon for

far too long one that follows a girl freeing herself from a life predicated on the expectations of others a path that made her feel unworthy Thecla's story offers us a path to take back the power we often give to others and live based on the truth of who we are *Archangel Oracle Cards* Diana Cooper, 2021 **Ask an Angel** Toni Carmine Salerno, Carisa Mellado, 2006-03-01 Ever wished you could ask the angels questions and get clear answers in response Well now using the ASK AN ANGEL cards and guidebook you can This inspirational card set allows you to quickly and easily receive answers to your questions and gain deeper insight into your current state of being Comprising 42 cards encased in a tarot pouch and a 124 page guidebook complete with an Angel Dictionary and a section on Communicating with the Angels this is an oracle set you will treasure **Archangel Oracle Cards** 1958- Virtue, 2004 *ORACLE OF THE PHOENIX* CHRISTINE ARANA.
