*Saints and Virtues* John Stratton Hawley,1987-09-14 This book explores a larger family of saints those celebrated not just by Christianity but by other religious traditions of the world Muslim Hindu Jewish Buddhist Confucian African and Caribbean The essays show how saints serve as moral exemplars in the communities that venerate them      **A Year with the Saints** **Twelve Catholic Virtues** Anonymous,2018-07-04 506 pages Large Print Edition Filled with the Sayings and Examples of the Saints Wisdom From the Saints A Catholic Virtue for each month of the Year Broken down into Daily Doses of Wisdom For you to Think about Pray About Meditate About enriching your Spiritual Life and Becoming a Better Christian Along the Way Translator s Preface In presenting this work for the first time in English dress the translator would take the opportunity of drawing the attention of the devout American reader to one or two peculiarities in its structure which have already won for it a wide recognition among readers of books of its class in Europe In the first place the allotment of separate months to individual virtues agrees well with a practice of self examination much recommended by many spiritual writers who advise us to take different virtues in turn as the objects of special effort Nothing certainly could be better fitted to assist us in the acquisition of a virtue than these selections from the writings of the most eminent masters of spiritual science which portray its beauties declare its necessity or explain its various degrees and the methods of its attainment In the second place the few words of exhortation or instruction which open the reading for each day are followed by the best of all commentaries that of action A great part of the book is composed of examples which while they have the interest of anecdote furnish at the same time the strongest proofs of the possibility of carrying out in real life precepts and principles which might otherwise seem too high and heavenly for our every day existence In the hope then that these exotic flowers may flourish and blossom in many an American garden they are offered to the lovers of spiritual excellence and beauty by the translator The Translator      **Seven Saints for Seven Virtues** Jean M. Heimann,2023-03-15      Quakering Theology Dr David L Johns,2013-08-28 Quakers exist neither for themselves nor by themselves alone Therefore they ought not to construct Quaker theologies but rather quaker verb theology to add their fingerprints to the larger conversation David Johns contributes to a Quaker way of thinking theologically but also invites others to think through their denominational identities into a more expansive and ecumenical space Placing contemporary Quaker thought in conversation with the wider theological tradition Johns shows that Quakers have something important to contribute to the wider Christian family and he demonstrates how other groups may enter this conversation as well Some themes explored may not spring immediately to mind as Quaker themes the saints C S Lewis sacraments ritual and Shakespeare but Johns argues these are precisely the kind of issues that require Quaker fingerprints that require quakering      **Uncommon Virtues** Carla D. Sunberg,2018      Virtues of the Saints: Calloway MIC Donald H,Patrick O'Hearn,2025-05 Besides the graces of the Sacraments God has another way for us to grow in faith from a mustard seed into a giant tree And that way is a life of virtue A virtue is a habit something that must be practiced daily if it is to

increase At our Baptism we received the virtues of faith hope and love In this children s book authors Patrick O Hearn and Fr Donald Calloway MIC with beautiful illustrations by Adalee Hude describe 15 of the most important virtues for boys and girls We begin by defining the virtue Next we provide that virtue s root meaning followed by an example showing how one saint from Our Lady and St Joseph to St Kateri Tekawitha and St Carlo Acutis and many more lived out that virtue Finally we conclude with a prayer for that virtue The best thing we can ask from the saints is a share in their virtues May these holy men and women inspire you your children and your grandchildren to begin practicing the virtues of humility justice faith hope love fortitude generosity gratitude meekness patience perseverance piety prudence spiritual joy and temperance Color illustrations throughout **The Gospels distributed into meditations for every day of the year, by l'abbé Duquesne**

Najork,2021-02-08 Mar u saga the Old Norse Icelandic life of the Virgin Mary survives in nineteen manuscripts While the 1871 edition of the saga provides two versions based on multiple manuscripts and prints significant variants in the notes it does not preserve the literary and social contexts of those manuscripts In the extant manuscripts Mar u saga rarely exists in the codex by itself This study restores the saga to its manuscript contexts in order to better understand the meaning of the text within its manuscript

The eighteenth century Bengali poet and religious adept Ramprasad was an important figure in the revival of the worship of the Goddess in Bengal at a time when the previously dominant Vaisnavism was beginning to sustain a decline in popularity In this book Malcolm McLean examines the evidence for the life of Ramprasad and finding little in the historical record deconstructs the important early biographics which contain material that is largely legendary in nature A founder figure emerges whose life modeled on that of the earlier saint Caitanya became a rallying point for his followers An analysis of the approximately 350 songs of this Ramprasad are analyzed and show how he skillfully combined three important elements of the Hindu tradition into a consistent whole the classical Puranic Goddess tradition especially as it is found in the Devi Mahatmya the indigenous tradition of Bengali fold Goddesses still enormously popular and the previously underground esoteric Tantric tradition This was a powerful and popular mix which allowed a very Tantric Goddess tradition to flourish for the next two hundred years The book makes a strong case for seeing Ramprasad as basically a Tantrika and argues that the kind of devotion advocated in the songs is a Tantric devotion of a kind quite different form the current Vaisnavite devotion The book also looks at how these poems songs many of which are translated here might be read today The author argues that many have a contemporary relevance which might appeal to many Western readers as they do to Bengalis even today
