**Graham Greene** Robert Hoskins,2004-11-23 This study reveals Greene in a dual role as author one who projects literary experience into his view of life and subsequently projects both his experience and its literary interpretation into his fiction and it defines two phases of Greenes novels through the changing relationship between writer and protagonists The first phase progresses from acutely sensitive self divided young men somewhat like the young Greene to embittered alienated characters ostensibly at great distance from their creator The second phase 1939 includes a series of portraits of the artist through which Greene confronts more directly the tensions and conflicts of his private life

**Graham Greene's Thrillers and the 1930s** Brian Diemert, 1996 In *Graham Greene's Thrillers and the 1930s* Brian Diemert examines the first and most prolific phase of Graham Greene's career demonstrating the close relationship between Greene's fiction and the political economic social and literary contexts of the period Situating Greene alongside other young writers who responded to the worsening political climate of the 1930s by promoting social and political reform Diemert argues that Greene believed literature could not be divorced from its social and political milieu and saw popular forms of writing as the best way to inform a wide audience **A Grain of Faith** Allan Hepburn, 2018-11-15 During and after the Second World War there was a concerted thinking about religion in Britain Not only were leading international thinkers of the day theologians Ronald Niebuhr Paul Tillich Jacques Maritain but leading writers contributed to discussions about religion Graham Greene Muriel Spark and Barbara Pym incorporated miracles evil and church going into their novels while Louis MacNeice T S Eliot and C S Lewis gave radio broadcasts about the role of Christianity in contemporary society Certainly the war revived interest in aspects of Christian life Salvation and redemption were on many people's minds The Ministry of Information used images of bombed churches to stoke patriotic fervour and King George VI led a series of Days of National Prayer that coincided with crucial events in the Allied campaign After the war and throughout the 1950s approximately 1.4 million Britons converted to Roman Catholicism as a way of expressing their spiritual ambitions and

solidarity with humanity on a world wide scale Religion provided one way for writers to answer the question what is man It also afforded ways to think about social obligation and ethical engagement Moreover the mid century turn to religion offered ways to articulate statehood not from the perspective of nationhood and politics but from the perspective of moral action and social improvement Instead of being a retreat into seclusion and solitude the mid century turn to religion is a call to responsibility

**Ford Madox Ford's Literary Contacts** ,2007-01-01 The controversial British writer Ford Madox Ford 1873 1939 is increasingly recognized as a major presence in early twentieth century literature This series of International Ford Madox Ford Studies was founded to reflect the recent resurgence of interest in him Each volume is based upon a particular theme or issue and relates aspects of Ford s work life and contacts to broader concerns of his time The present book is part of a large scale reassessment of his roles in literary history Ford is best known for his fiction especially *The Good Soldier* long considered a modernist masterpiece and *Parade s End* which Anthony Burgess described as the finest novel about the First World War and Samuel Hynes has called the greatest war novel ever written by an Englishman But he was a prolific writer in many different modes which include criticism of others writing and reminiscences of the many writers he had known One of the most striking features of his career is his close involvement with so many of the major international literary groupings of his time In the South East of England at the fin de si cle he collaborated for a decade with Joseph Conrad and befriended Henry James and H G Wells In Edwardian London he founded the *English Review* publishing these writers alongside his new discoveries Ezra Pound D H Lawrence and Wyndham Lewis After the war he moved to France founding the transatlantic review in Paris taking on Hemingway as a sub editor discovering another generation of Modernists such as Jean Rhys and Basil Bunting and publishing them alongside Joyce and Gertrude Stein He spent more time in America from the later 1920s spending time with Southern Agrarians and poets such as William Carlos Williams Charles Olson and Robert Lowell He was always a tireless promoter of younger writers reading manuscripts and recommending them to publishers This book takes Ford s literary contacts to include such creative friendships editorial involvements and influential biographical encounters and they form the most substantial central section on Contemporaries and Confreres covering figures like Proust Carlos Williams Rebecca West Herbert Read and Hemingway But it also explores contacts with literary

texts The first section on Predecessors considers the impact of Ford's reading of Trollope George Eliot and Turgenev The final section discusses Successors writers such as Graham Greene Burgess and A S Byatt whose literary contacts with Ford have been as his admiring readers and eloquent critics Ford has been described as a writer's writer This volume reveals how true that has been and in how many ways as it sheds new light on his relationships with other writers both familiar and surprising It includes two pieces published here for the first time one by Ford himself on Turgenev the other a memoir about Ford by his contemporary Marie Belloc Lowndes the sister of Hilaire Belloc Hitler's Man in Havana Thomas Schoonover, 2008-09-12 When Heinz L ning posed as a Jewish refugee to spy for Hitler's Abwehr espionage agency he thought he had discovered the perfect solution to his most pressing problem how to avoid being drafted into Hitler's army L ning was unsympathetic to Fascist ideology but the Nazis' tight control over exit visas gave him no chance to escape Germany He could enter Hitler's army either as a soldier or a spy In 1941 he entered the Abwehr academy for spy training and was given the code name Lumann Soon after L ning began the service in Cuba that led to his ultimate fate of being the only German spy executed in Latin America during World War II L ning was not the only spy operating in Cuba at the time Various Allied spies labored in Havana the FBI controlled eighteen Special Intelligence Service operatives and the British counterintelligence section subchief Graham Greene supervised Secret Intelligence Service agents and Ernest Hemingway's private agents supplied inflated and inaccurate information about submarines and spies to the U S ambassador Spruille Braden L ning stumbled into this milieu of heightened suspicion and intrigue Poorly trained and awkward at his work he gathered little information worth reporting was unable to build a working radio and improperly mixed the formulas for his secret inks L ning eventually was discovered by British postal censors and unwittingly provided the inspiration for Graham Greene's *Our Man in Havana* In chronicling L ning's unlikely trajectory from a troubled life in Germany to a Caribbean firing squad Thomas D Schoonover makes brilliant use of untapped documentary sources to reveal the workings of the famed Abwehr and the technical and social aspects of L ning's spycraft Using archival sources from three continents Schoonover offers a narrative rich in atmospheric details to reveal the political upheavals of the time not only tracking L ning's activities but also explaining the broader trends in the region and in local counterespionage Schoonover argues that ambitious Cuban and U S officials turned L ning's capture into a grand victory For at least five months after L ning's arrest U S and Cuban leaders J Edgar Hoover Fulgencio Batista Nelson Rockefeller General Manuel Benitez Ambassador Spruille Braden and others treated L ning as a dangerous key figure for a Nazi espionage network in the Gulf Caribbean They reworked his image from low level bumbler to master spy using his capture for their own political gain In the sixty years since L ning's execution very little has been written about Nazi espionage in Latin America partly due to the reticence of the U S government Revealing these new historical sources for the first time Schoonover tells a gripping story of L ning's life and capture suggesting that L ning was everyone's man in Havana but his own Graham Greene's Catholic Imagination Mark

Bosco,2005-02-17 Graham Greene's early books are described as Catholic Novels with his later work falling into political and detective genres This title argues that this is a false dichotomy created by a narrowly prescriptive understanding of the Catholic genre and obscures the impact of Greene's religious imagination on his literary art **A Study in Greene** Bernard Bergonzi,2006-09-07 Bernard Bergonzi has been reading Graham Greene for many years he still possesses the original edition of *The End of the Affair* that he bought when it was published in 1951 After so much recent attention to Greene's life he believes it is time to return to his writings in this critical study Bergonzi makes a close examination of the language and structure of Greene's novels and traces the obsessive motifs that recur throughout his long career Most earlier criticism was written while Greene was still alive and working and was to some extent provisional as the final shape of his work was not yet apparent In this book Bergonzi is able to take a view of Greene's whole career as a novelist which extended from 1929 to 1988 He believes that Greene's earlier work was his best combining melodrama realism and poetry with *Brighton Rock* published in 1938 a moral fable that draws on crime fiction and Jacobean tragedy as the masterpiece The novels that Greene published after the 1950s were very professional examples of skilful story telling but represented a decline from this high level of achievement Bergonzi challenges assumptions about the nature of Greene's debt to cinema and attempts to clarify the complexities and contradictions of his religious ideas Although this book engages with questions that arise in academic discussions of Greene it is written with general readers in mind *The Third Spring* Adam Schwartz,2005-02 This book is the first detailed examination of these four authors as part of a Roman Catholic counter modern community of discourse It is informed by extensive research in the writers' works scholarship on them and their personal papers The Lawless Roads Graham Greene,2006-06-27 In the late 1930s Graham Greene was commissioned to visit Mexico to report on how the inhabitants had reacted to the brutal anticlerical purges of President Calles *The Lawless Roads* is his spellbinding record of that journey Taking him through the tropical states of Chiapas and Tabasco where all the churches had been destroyed or closed and the priests driven out or shot that provided him with the setting and theme for one of his greatest novels *The Power and the Glory* This Penguin Classics edition features an introduction by David Rieff For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
