## **Saints And Their Cults:**

**Saints and Their Cults** Stephen Wilson, 1985 This is a paperback edition of a collection of ten papers by different authors on the cult of saints first published in hard covers in 1983 Six have been translated from French including a pioneering study by Robert Hertz one of Durkheim's most eminent pupils The editor provides a wide ranging general and historical introduction and a 100 page annotated bibliography covering material on the subject in all disciplines and in four main languages *Saints and Their Cults in the Atlantic World* Margaret Jean Cormack, 2007 Saints and Their Cults in the Atlantic World traces the changing significance of a dozen saints and holy sites from the fourth century to the twentieth and from Africa Sicily Wales and Iceland to Canada Boston Mexico Brazil and the Caribbean Scholars representing the fields of history art history religious studies and communications contribute their perspectives in this interdisciplinary collection also notable as the first English language study of many of the saints treated in the volume Several chapters chart the changing images and meanings of holy people as their veneration traveled from the Old World to the New others describe sites and devotions that developed in the Americas The ways that a group feels connected to the holy figure by ethnicity or regionalism proves to be a critical factor in a saint's reception and many contributors discuss the tensions that develop between ecclesiastical authorities and communities of devotees *Saints and their cults*, 1933 **Saints and Their Cults: Studies in Religious Sociology, Folklore and History** Stephen Wilson, 1983 Protestants and the Cult of the Saints Carol Piper Heming, 2003-08-01 The role of the saints became a theological dilemma for scholars and laity alike throughout the Reformation era As Protestants tried to remove themselves from the hold of the Catholic Church the cult of the saints remained a formidable presence Through the analysis of 180 pamphlets published by reformers in German speaking Europe Carol Heming shows the struggle Protestants faced in purging the cult of the saints from their culture and religion Heming examines why Reformation leaders so strongly and universally denounced the cult of the saints and whether the holy patrons disappeared from Protestant areas without benefit of champion or defender Complete scriptural references used in the pamphlets against the saints and images are included *Saints* Caroline Williams, 1980-01-01 Brief descriptions of the lives of Catholic saints are accompanied by depictions in paintings and sculpture of their martyrdom or ministry Holiness Stephen Barton, 2003-04-01 Stephen Barton has commissioned social scientists philosophers of religion feminists biblical scholars historians moral theologians and systematic theologians international experts from a wide range of theological and related disciplines to reflect on holiness The book is divided into four parts the idea of holiness holiness and scripture holiness and Christian tradition and holiness and contemporary issues The contributions are inter denominational and inter religious There is nothing comparable on holiness available at present so this collection fills a significant gap in the literature Its comprehensive range and its interdisciplinary style will make it an important resource for students and scholars in theology church history ethics and religious studies **Church and People in the Medieval West, 900-1200** Sarah

Hamilton,2015-08-12 During the middle ages belief in God was the single more important principle for every person and the all powerful church was the most important institution It is impossible to understand the medieval world without understanding the religious vision of the time and this new textbook offers an approach which explores the meaning of this in day to day life as well as the theory behind it Church and People in the Medieval West gets to the root of belief in the Middle Ages covering topics including pastoral reform popular religion monasticism heresy and much more throughout the central middle ages from 900 1200 Suitable for undergraduate courses in medieval history and those returning to or approaching the subject for the first time

**The Cult of the Saints** Peter Brown,2009-02-15 Following the fall of the Roman Empire in the West the cult of the saints was the dominant form of religion in Christian Europe In this elegantly written work Peter Brown explores the role of tombs shrines relics and pilgrimages connected with the sacred bodies of the saints He shows how men and women living in harsh and sometimes barbaric times relied upon the merciful intercession of the holy dead to obtain justice forgiveness and to find new ways to accept their fellows Challenging the common treatment of the cult as an outbreak of superstition among the lower classes Brown demonstrates how this form of religiosity engaged the finest minds of the Church and elicited from members of the educated upper classes some of their most splendid achievements in poetry literature and the patronage of the arts Brown has an international reputation for his fine style a style he here turns on to illuminate the cult of the saints Christianity was born without such a cult it took rise and that rise needs chronicling Brown has a gift for the memorable phrase and sees what the passersby have often overlooked An eye opener on an important but neglected phase of Western development The Christian Century Brilliantly original and highly sophisticated The Cult of the Saints is based on great learning in several disciplines and the story is told with an exceptional appreciation for the broad social context Students of many aspects of medieval culture especially popular religion will want to consult this work Bennett D Hill Library Journal

*The Cult of St Katherine of Alexandria in Early Medieval Europe* Christine Walsh,2017-05-15 St Katherine of Alexandria was one of the most popular saints in both the Orthodox and Latin Churches in the later Middle Ages yet there has been little study of how her cult developed before c 1200 This book redresses the balance providing a thorough examination of the way the cult spread from the Greek speaking lands of the Eastern Mediterranean and into Western Europe The author uses the full range of source material available including liturgical texts hagiographies chronicles and iconographical evidence bringing together these often disparate sources to map the way in which the cult of St Katherine grew from its early stages in the Byzantine Empire up to c 1100 its transmission to Italy and the introduction and development of the cult in Normandy and England up to c 1200 The book also includes appendices listing early manuscripts containing Katherine s Passio and including key original texts on St Katherine of the period This study will be welcomed by scholars of medieval history and the history of medieval art and as a case study for all those with an interest in the development of medieval saint s cults

[The Oxford Handbook of Women and Gender in Medieval Europe](#) Judith M.

Bennett, Ruth Mazo Karras, 2013-08-22 The Oxford Handbook of Women and Gender in Medieval Europe provides a comprehensive overview of the gender rules encountered in Europe in the period between approximately 500 and 1500 C E. The essays collected in this volume speak to interpretative challenges common to all fields of women's and gender history: that is, how best to uncover the experiences of ordinary people from archives formed mainly by and about elite males and how to combine social histories of lived experiences with cultural histories of gendered discourses and identities. The collection focuses on Western Europe in the Middle Ages but offers some consideration of medieval Islam and Byzantium. The Handbook is structured into seven sections: Christian Jewish and Muslim thought; law in theory and practice; domestic life and material culture; labour, land and economy; bodies and sexualities; gender and holiness; and the interplay of continuity and change throughout the medieval period. It contains material from some of the foremost scholars in this field and it not only serves as the major reference text in medieval and gender studies but also provides an agenda for future new research.

**Irenaeus of Sirmium and His Story in the Medieval East and West** Marijana Vuković, 2023-12-01 The study of hagiographies has generally been focused on the more prominent saints of late antiquity and the Middle Ages who inspired significant and long-lasting veneration. However, this has caused many less well-known saints to be pushed aside and forgotten. This book is a study into one such saint, Irenaeus, a martyr who was killed in 304 CE in Sirmium, Pannonia. His short-lived cult, his feast day, and the account of his martyrdom, which had been translated into Latin, Greek, Old Slavonic, Georgian, and Armenian, had all been forgotten during the Middle Ages. This book examines Irenaeus of Sirmium's life, cult, sainthood, and eventual disappearance from the memory of medieval Christendom in the context of a wider study on the memory of those less well-known saints who like Irenaeus became neglected and eventually forgotten. Irenaeus of Sirmium and His Story in the Medieval East and West will be of interest to scholars and students alike interested in hagiography, medieval literature and history, as well as all those interested in the religious history of Byzantium, medieval Europe, and the Slavic world.

*Saints and Their Miracles in Late Antique Gaul* Raymond Van Dam, 1993 Saints' cults, with their focus on miraculous healings and pilgrimages, were not only a distinctive feature of Christian religion in fifth and sixth-century Gaul but also a vital force in political and social life. Here Raymond Van Dam uses accounts of miracles performed by SS Martin, Julian, and Hilary to provide a vivid and comprehensive depiction of some of the most influential saints' cults. Viewed within the context of ongoing tensions between paganism and Christianity and between Frankish kings and bishops, these cults tell much about the struggle for authority, the forming of communities, and the concept of sin and redemption in late Roman Gaul. Van Dam begins by describing the origins of the three cults and discusses the career of Bishop Gregory of Tours, who benefited from the support of various patron saints and in turn promoted their cults. He then treats the political and religious dimensions of healing miracles, including their relation to Catholic theology and their use by bishops to challenge royal authority and of pilgrimages to saints' shrines. The miracle stories collected mainly by Gregory of Tours appear in their first complete English

translations      *The Cult of Saint George in Medieval England* Jonathan Good,2009 How St George became the patron saint of England has always been a subject of speculation He was not English nor was his principal shrine there the usual criteria for national patronage yet his status and fame came to eclipse that of all other saints Edward III s use of the saint in his wars against the French established him as a patron and protector of the king unlike other saints George was adopted by the English to signify membership of the community of the realm This book traces the origins and growth of the cult of St George arguing that especially after Edward s death George came to represent a good politics deriving from Edward s prosecution of a war with spoils for everyone and could be used to rebuke subsequent kings for their poor governance Most medieval kings came to understand this fact and venerated St George in order to prove their worthiness to hold their office The political dimension of the cult never completely displaced the devotional one but it was so strong that St George survived the Reformation as a national symbol one that continues in importance in the recovery of a specifically English identity      *The Cult of St Ursula and the 11,000 Virgins* Jane Cartwright,2016-06-15 The cult of St Ursula and the 11 000 virgins was one of the most popular and relic rich of all saints cults in the medieval period This volume constitutes the first interdisciplinary collection of essays in English to explore the development and transmission of the legend of St Ursula in detail considering a wealth of different sources including physical remains literary texts artistic representations and medieval music      **The Cult of St Edmund in Medieval East Anglia** Rebecca Pinner,2015 An investigation of the growth and influence of the cult of St Edmund and how it manifested itself in medieval material culture      Orthodox Russia: Belief and Practice Under the Tsars ,      **The Cult of the Saints** Peter Brown,2020-03-04 A new edition of the brilliantly original and highly sophisticated study of saint worship after the fall of the Roman Empire Library Journal In this groundbreaking work Peter Brown explores how the worship of saints and their corporeal remains became central to religious life in Western Europe after the fall of the Roman Empire During this period earthly remnants served as a heavenly connection and their veneration is a fascinating window into the cultural mood of a region in transition Brown challenges the long held two tier idea of religion that separated the religious practices of the sophisticated elites from those of the superstitious masses instead arguing that the cult of the saints crossed boundaries and played a dynamic part in both the Christian faith and the larger world of late antiquity He shows how men and women living in harsh and sometimes barbaric times relied upon the holy dead to obtain justice forgiveness and power and how a single sainted hair could inspire great thinkers and great artists An essential text by one of the foremost scholars of European history this expanded edition includes a new preface from Brown which presents new ideas based on subsequent scholarship Informative demonstrates once again Brown s genius for sharing with his readers the fruits of not only his own painstaking and meticulous scholarship but also his penetrating understanding of the evolution of Western culture as a whole Religious Studies      Liturgy, Books and Franciscan Identity in Medieval Umbria Anna Welch,2015-09-29 In *Liturgy Books and Franciscan Identity in Medieval Umbria* Anna Welch explores how Franciscan friars

engaged with manuscript production networks operating in Umbria in the late thirteenth and early fourteenth centuries to produce the missals essential to their liturgical lives A micro history of Franciscan liturgical activity this study reassesses methodologies pertinent to manuscript studies and reflects on both the construction of communal identity through ritual activity and historiographic trends regarding this process Welch focuses on manuscripts decorated by the ateliers of the Maestro di Deruta Salerno active c 1280 and Maestro Venturella di Pietro active c 1317 in particular the Codex Sancti Paschalis a missal now owned by the Australian Province of the Order of Friars Minor

**A Cloud of Witnesses** Marcel Barnard, Paulus Gijssbertus Johannes Post, 2005 From 11 to 16 August 2003 the nineteenth international congress of the Societas Liturgica was held in Veldhoven the Netherlands with as its theme A cloud of witnesses Saints and role models in Christian liturgy The present publication contains a collection of nineteen case studies reflecting the versatility of the congress in its variations and themes its scope in time from early Christian times to the present day and the fact that many churches and religious communities as well as the Jewish tradition are represented The collection contains a number of articles that reflect on subjects like the phenomenon of saintliness heortology the dimensions of time and space in ritual liturgical practice and saints and canonizations in the present day Roman Catholic and Protestant church The last section consists of contributions on saints and forms of saint s cult by a number of authors based on their own religious communities such as the Old Catholic Church Anglican Church Dissenting Free Church Reformed Church and ecumenical movement The editors of this collection have by way of an introduction compiled a historiographic bibliographic overview relating to saints and their cults in various research domains specifically within liturgical studies also touching upon certain specific and for this collection interesting themes such as the position of the cult of saints in cultural and historical studies Protestant traditions and the Feminist Liturgical Movement

Yeah, reviewing a books **Saints And Their Cults** could accumulate your near associates listings. This is just one of the solutions for you to be successful. As understood, deed does not recommend that you have wonderful points.

## **Saints And Their Cults Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Saints And Their Cults has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Saints And Their Cults has opened up a world of possibilities. Downloading Saints And Their Cults provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Saints And Their Cults has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Saints And Their Cults. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Saints And Their Cults. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Saints And Their Cults, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Saints And Their Cults has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Saints And Their Cults Books**

1. Where can I buy Saints And Their Cults books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Saints And Their Cults book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Saints And Their Cults books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Saints And Their Cults audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Saints And Their Cults books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
