challenge and or contradict standard and accepted interpretations Some examples Why did God select the Jews as his chosen people Is there a basis for the universal condemnation of sex Of divorce Did God conclude he made a mistake in creating mankind Having foretold millennia ago the fate of the Jewish people does history down to this day document his foretelling How much of Jesus examples and teachings have been ignored by those who today flaunt their Christianity Has G K Chesterton s insight that it s not that Christianity has been tried and failed It s that Christianity has never been tried been proven true
