Politics of Worship in the Contemporary Middle East Andreas Bandak, Mikkel Bille, 2013-04-15 In Sainthood in Fragile States a wide range of social scientists explore the contested role of sainthood in the contemporary Middle East By expanding the notion of sainthood to cover both the religious and secular ways of dealing with extraordinary events people and things the volume offers new insights into the way sainthood is embedded in various levels of everyday life as well as national and international politics The case studies highlight how fragility as a central aspect of sainthood is a productive force that often consolidates tales of the extraordinary and is also the source of contesting social identities Contributors include Andreas Bandak Mikkel Bille J rgen Frembgen Sune Haugbolle Angie Heo Daniella Kuzmanovic Edith Szanto and Pnina Werbner **Saints in the Making** Felicity O'Brien, 1988 **Still Protesting** D. G. Hart, 2018-06-29 In this book D G Hart investigates what was at stake in the sixteenth century and why Protestantism still matters Of note is the author s

recognition that the Reformers addressed the most basic question that confronts all human beings How can a sinner be right with and worship in good conscience a righteous God who demands sinless perfection Protestants used to believe that this question along with the kind of life that followed from answers to it was at the heart of their disagreement with Rome Still Protestants arise from the conviction that the Reformers answers to life s most important questions based on their study of the Bible and theological reflection are as superior today as they were when they provided the grounds for Christians in the West to abandon the bishop of Rome
