

Sakhalin A History

Josephus Nelson Larned

Sakhalin A History:

Sakhalin: a History John J. Stephan, 1971 Based on Russian Japanese and Chinese sources it is the first comprehensive history of Sakhalin *Sakhalin* Kristine Ohkubo, 2020-09-28 For over a century the Soviet Union and Japan endeavored to bring Sakhalin into their own sphere of influence This dispute came to an abrupt end when the Soviets invaded Japanese controlled Karafuto just days after the U S dropped an atomic bomb on Nagasaki How many people know that Karafuto was the last victim of the Pacific War **A Brief History of Sakhalin and the Kurils** М. С ВЫСОКОВ, 1996 **Voices from the Shifting Russo-Japanese Border** Svetlana Paichadze, Philip A. Seaton, 2015-02-20 In the nineteenth century as the Russian empire expanded eastwards and the Japanese empire expanded onto the Asian continent the Russo Japanese border became contested on and around the island of Sakhalin its Russian name or Karafuto as it is known in Japanese Then in the wake of the Second World War Russia seized control of the island and the Japanese inhabitants were deported Sakhalin s history as a border zone makes it a lynchpin of Russo Japanese relations and as such it is a rich case study for exploring the key themes of this book life in the borderlands migration repatriation historical memory multiculturalism and identity With a focus on cross border dialogue *Voices from the Shifting Russo Japanese Border* reveals the lives of the ordinary people in the border regions between Russia and Japan and how they and their communities have been affected by shifts in the Russo Japanese border over the past century and a half Examining the lives and experiences of repatriates from Karafuto Sakhalin in contemporary Hokkaido and their contribution to the multicultural society of Japan s northernmost island the chapters cover the border shifts in Karafuto Sakhalin up until 1945 the immediate aftermath the Second World War the commemorative practices and memories of those in both Japan and Eastern Russia and finally postwar lives by drawing extensively on interviews with people in the communities affected most by the shifting border This interdisciplinary book will be of huge interest to students and scholars across a broad range of subjects including Russo Japanese relations Northeast Asian history border studies migration studies and the Second World War **A History of the Peoples of Siberia** James Forsyth, 1994-09-08 This is the first ethnohistory of Siberia to appear in English tracing the history of the native peoples from the Russian conquest onwards James Forsyth compares the Siberian experience with that of the Indians and Eskimos in North America and the book as a whole will provide readers with a vast corpus of ethnographic information previously inaccessible to Western scholars **Russia's Sakhalin Penal Colony, 1849-1917** Andrew A. Gentes, 2021-07-29 This book provides a comprehensive history of the genesis existence and demise of Imperial Russia s largest penal colony made famous by Chekhov in a book written following his visit there in 1890 Based on extensive original research in archival documents published reports and memoirs the book is also a social history of the late imperial bureaucracy and of the subaltern society of criminals and exiles an examination of the tsarist state s failed efforts at reform an exploration of Russian imperialism in East Asia and Russia s acquisition of Sakhalin Island in the face of competition from Japan and an anthropological and

literary study of the Sakhalin landscape and its associated values and ideologies The Sakhalin penal colony became one of the largest penal colonies in history The book's conclusion prompts important questions about contemporary prisons and their relationship to state and society

On the Frontiers of History Tessa Morris-Suzuki, 2020-08-17 Why is it that we so readily accept the boundary lines drawn around nations or around regions like Asia as though they were natural and self evident when in fact they are so mutable and often so very arbitrary What happens to people not only when the borders they seek to cross become heavily guarded but also when new borders are drawn straight through the middle of their lives The essays in this book address these questions by starting from small places on the borderlands of East Asia and looking outwards from the small towards the large asking what these minor pasts tell us about the grand narratives of history In the process it takes the reader on a journey from Renaissance European visions of Tartary through nineteenth century racial theorising imperial cartography and indigenous experiences of modernity to contemporary debates about Big History in an age of environmental crisis

A History of Japan, 1582-1941 L. M. Cullen, 2003-05-15 This 2003 book offers a distinctive overview of the internal and external pressures responsible for the emergence of modern Japan

At the Edge of the Nation Paul B. Richardson, 2018-06-30 Debates over the remote and beguiling Southern Kuril Islands have revealed a kaleidoscope of divergent and contradictory ideas convictions and beliefs on what constitutes the national identity of post Soviet Russia Forming part of an archipelago stretching from Kamchatka to Hokkaido administered by Russia but claimed by Japan these disputed islands offer new perspectives on the ways in which territorial visions of the nation are refracted inverted and remade in a myriad of different ways At the Edge of the Nation provides a unique account of how the Southern Kurils have shaped the parameters of the Russian state and framed debates on the politics of identity in the post Soviet era By shifting the debate beyond a proliferation of Eurocentric and Moscow focused writings Paul B Richardson reveals broad alternatives and possibilities for Russian identity in Asia After the dissolution of the Soviet Union in 1991 when Russia was suffering the fragmentation of empire and a sudden decline in its international standing these disputed islands became symbolic of a much larger debate on self image nationalism national space and Russia's place in world politics When viewed through the prism of the Southern Kurils ideas associated with the border state and nation become destabilized uncovering new insights into state society relations in modern Russia At the Edge of the Nation explores how disparate groups of political elites have attempted to use these islands to negotiate enduring tensions within Russia's identity and traces how the destiny of these isolated yet evocative islands became irrecoverably bound to the destiny of Russia itself

A History of Russia George Vernadsky, 1969-01-01 Scholarly intellectually stimulating and readable It is not only a very good guide through the record of Russian development but it makes one go deeper by the way it raises interesting questions Frederick C Barghoorn Generally recognized as the standard one volume history of Russia this monumental work describes Russia's growth from the times of the nomadic tribes to the Cold War and examines the social religious and cultural as well as the political and economic

aspects of Russian civilization Professor Vernadsky reviews the origins of the Russian state Kievan Russia the Mongol period the tsardom of Moscow in the sixteenth and seventeenth centuries and the Russian empire from Peter the Great to Nicholas II The last third of the book discusses the revolution of 1917 and the emergence of the Soviet Union as a world power

A Global History of Convicts and Penal Colonies Clare Anderson, 2018-05-17 Between 1415 when the Portuguese first used convicts for colonization purposes in the North African enclave of Ceuta to the 1960s and the dissolution of Stalin's gulags global powers including the Spanish Dutch Portuguese British Russians Chinese and Japanese transported millions of convicts to forts penal settlements and penal colonies all over the world *A Global History of Convicts and Penal Colonies* builds on specific regional archives and literatures to write the first global history of penal transportation The essays explore the idea of penal transportation as an engine of global change in which political repression and forced labour combined to produce long term impacts on economy society and identity They investigate the varied and interconnected routes convicts took to penal sites across the world and the relationship of these convict flows to other forms of punishment unfree labour military service and indigenous incarceration They also explore the lived worlds of convicts including work culture religion and intimacy and convict experience and agency

Concise Dictionary of Modern Japanese History Janet Hunter, 1984-06-28 This is a concise reliable guide to the people places events and ideas of significance from the Meiji Restoration to the present

The History of Siberia Igor V. Naumov, 2006-11-22 Siberia has had an interesting history quite distinct from that of Russia Absolutely vast containing many non Russian nationalities and increasingly important at present because of its huge energy reserves Siberia was at one time part of the Mongol Empire was settled relatively late by the Russians and was for a long period a wild frontier zone similar to the American West Providing a comprehensive history of Siberia from the very earliest times to the present this book covers every period of Siberia's history in an accessible way

The New Larned History for Ready Reference, Reading and Research Josephus Nelson Larned, 1924

History for Ready Reference Josephus Nelson Larned, 1901 This work has two aims to represent and exhibit the better Literature of History in the English language and to give it an organized body a system adapted to the greatest convenience in any use whether for reference or for reading for teacher student or casual inquirer V 1 Preface

Boeing 747: A History Martin W. Bowman, 2014-06-10 A comprehensive history of the aircraft that transformed commercial aviation Includes photos A presence in our skies for over half a century the iconic Boeing 747 has transported hundreds of thousands of passengers across the world From its introduction with Pan American Airlines in 1970 it has persevered as one of the forerunners of commercial flight Often labeled the Queen of the Skies this is an aircraft revered by passengers and aircrew alike The first wide body airliner ever produced it has set new standards in air travel and opened up the air routes of the world to vast numbers of people who might otherwise have been unable to afford international air travel This book focuses not only on the 747 but also its many variants including the YAL 1A which Boeing developed for the US Air Force and the Evergreen 747

Supertanker a 747 200 modified as an aerial application for fire fighting Across its types the 747 carries around half the world's air freight Accordingly freight variants feature here too including the 747-8 The sheer size of the workload carried out by this craft is astounding From the glamorous 1970s an era of rapid expansion that saw an unprecedented boom in the tourist trade to the various environmental and economical imperatives that impact upon modern flight this work shows how the Boeing 747 has been developed in accordance with the changing demands of the ages [Side-lights on Siberia](#) James

Young Simpson, 1898 **Approaches to Teaching the Works of Anton Chekhov** Michael C. Finke, Michael

Holquist, 2016-02-01 Offers pedagogical techniques for teaching Anton P Chekhov's plays and short stories in the college classroom in relation to creative writing translation adaptation stage history film performance Facebook postmodernity and Tennessee Williams Includes information on editions reference works biographies and online resources Gives syllabus suggestions for undergraduate and graduate courses **Islands Magazine**, 1999-01 **Japanese Dentition:**

Anthropology And History Eisaku Kanazawa, Hiroyuki Yamada, 2020-09-21 This book introduces the achievements of dental anthropology research in Japan to the people in the world It starts with the tooth morphology of the people in the Paleolithic Period about 20 000 years ago Then it goes through Jomon Age and Yayoi Age when the admixture of the people happened Here the difference of the tooth shape between those two human groups is emphasized After these ages Japanese teeth were not the same from age to age influenced by the environment In the current age of Japan topics such as third molar agenesis change of eruption time of the first permanent teeth mandibular torus and high canine are discussed These abnormal conditions in Japan also reflect the characteristic features of Japanese history and culture
