## **Saklatvala A Political Biography:**

Insurgent Empire Priyamvada Gopal, 2019-06-25 How rebellious colonies changed British attitudes to empire Insurgent Empire shows how Britain's enslaved and colonial subjects were active agents in their own liberation What is more they shaped British ideas of freedom and emancipation back in the United Kingdom Priyamvada Gopal examines a century of dissent on the question of empire and shows how British critics of empire were influenced by rebellions and resistance in the colonies from the West Indies and East Africa to Egypt and India In addition a pivotal role in fomenting resistance was played by anticolonial campaigners based in London right at the heart of empire Much has been written on how colonized peoples took up British and European ideas and turned them against empire when making claims to freedom and self-determination Insurgent Empire sets the record straight in demonstrating that these people were much more than victims of imperialism or subsequently the passive beneficiaries of an enlightened British conscience they were insurgents whose legacies shaped and benefited the nation that once oppressed them

Zoroastrian and Parsi Studies John Hinnells, 2017-11-01 This title was first published in 2000 This volume collects articles from 30 years of John R Hinnells's writings The selection is intended to balance the different areas in which he has worked the ancient tradition and its influence on Biblical imagery Parsi history the living religion and diaspora communities

*The Zoroastrian Diaspora* John R. Hinnells, 2005-04-28 What is the distinctive Zoroastrian experience and what is the common diasporic experience The Zoroastrian Diaspora is the outcome of twenty years of research and of archival and fieldwork in eleven countries involving approximately 250 000 miles of travel It has also involved a survey questionnaire in eight countries yielding over 1 840 responses This is the first book to attempt a global comparison of Diaspora groups in six continents Little has been written about Zoroastrian communities as far apart as China East Africa Europe America and Australia or on Parsis in Mumbai post-Independence Each chapter is based on unused original sources ranging from nineteenth-century archives to contemporary newsletters The book also includes studies of Zoroastrians on the Internet audio visual resources and the modern development of Parsi novels in English As well as studying the Zoroastrians for their own inherent importance this book contextualizes the Zoroastrian migrations within contemporary debates on Diaspora studies John R Hinnells examines what it is like to be a religious Asian in Los Angeles or London Sydney or Hong Kong Moreover he explores not only how experience differs from one country to another but also the differences between cities in the same country for example Chicago and Houston The survey data is used firstly to consider the distinguishing demographic features of the Zoroastrian communities in various countries and secondly to analyse different patterns of assimilation between different groups men and women and according to the level and type of education Comparisons are also drawn between people from rural and urban backgrounds and between generations in religious beliefs and practices including the preservation of secular culture

**Comrade Sak** Marc Wadsworth, 1998 Marc Wadsworth's biography of Shapurji Saklatvala examines the ways in which the great radical black MP tackled issues affecting the left in

the 1920s that are still of great relevance today in the 1990s      **Mapping the Nation** Sheshalatha Reddy,2013-10-15 Focusing specifically on the poetic construction of India Mapping the Nation offers a broad selection of poetry written by Indians in English during the period 1870 1920 Centering upon the mapping of India both as a regional location and as a poetic ideal this unique anthology presents poetry from various geographical nodal points of the subcontinent as well as that written in the imperial metropole of England to illustrate how the variety of India s poetical imagining corresponded to the diversity of her inhabitants and geography      **Belonging in Europe - The African Diaspora and Work** Caroline Bressey,Hakim Adi,2013-09-13 This publication does not just mark the presence of black people in Europe but brings research to a new stage by making connections across Europe through the experience of work and labour The working experience for black peoples in Europe was not just confined to ports and large urban areas often the place black people are located in the imagination of the European map both today and historically Work took place in small towns villages and on country estates Until the 1800s enslaved Africans would have worked alongside free blacks and their white peers How were these labour relations realised be it on a country estate or a town house How did this experience translate into the labour movements of the twentieth century These are some of the questions the essays in this collection address contributing to new understandings of European life both historically and today This book was originally published as a special issue of Immigrants and Minorities      **From Scottsboro to Munich** Susan D. Pennybacker,2009-07-26 Presenting a portrait of engaged activist lives in the 1930s this text follows a global network of individuals and organizations that posed challenges to the racism and colonialism of the era      **The Making of the Black Working Class in Britain** Ron Ramdin,2017-08-22 A classic history of the role of Black working class struggles throughout the twentieth century In this pioneering history Ron Ramdin traces the roots of Britain s disadvantaged black working class From the development of a small black presence in the sixteenth century through the colonial labour institutions of slavery indentureship and trade unionism Ramdin expertly guides us through the stages of creation for a UK minority whose origins are often overlooked He examines the emergence of a black radical ideology underpinning twentieth century struggles against unemployment racial attacks and workplace inequality and delves into the murky realms of employer and trade union racism First published in 1987 this revised edition includes a new introduction reflecting on events over the past four decades      Empire, Industry and Class Anthony Cox,2013 Presenting a new approach towards the social history of working classes in the imperial context this book looks at the formation of working classes in Scotland and Bengal It analyses the trajectory of labour market formation labour supervision cultures of labour and class formation between two regional economies one in an imperial country and the other in a colonial one The book examines the everyday lives of the jute workers of the imperial nexus and the impact of the Dundee School of Scottish mechanics engineers and managers who ran the Calcutta jute industry It goes on to challenge existing theories of imperialism class formation and class struggle particularly those that underline the exceptional nature of

the Indian experience of industrialization and demonstrates how and why Empire was able to provide an opportunity to test and perfect ways of controlling the lower classes of Dundee These historical debates have a continued relevance as we observe the impact of globalization and rapid industrialization in the so called developing world and the accompanying changes in many areas of the developed world marked by de industrialization The book is of use to scholars of imperial history labour history British history and South Asian history      **Comrades against Imperialism** Michele L.

Louro,2018-03-01 In this book Michele L Louro compiles the debates introduces the personalities and reveals the ideas that seeded Jawaharlal Nehru s political vision for India and the wider world Set between the world wars this book argues that Nehru s politics reached beyond India in order to fulfill a greater vision of internationalism that was rooted in his experiences with anti imperialist and anti fascist mobilizations in the 1920s and 1930s Using archival sources from India the United States the United Kingdom the Netherlands Germany and Russia the author offers a compelling study of Nehru s internationalism as well as contributes a necessary interwar history of institutions and networks that were confronting imperialist capitalist and fascist hegemony in the twentieth century world Louro provides readers with a global intellectual history of anti imperialism and Nehru s appropriation of it while also establishing a history of a typically overlooked period

**London in the Twentieth Century** Jerry White,2009-11-10 Jerry White s *London in the Twentieth Century* Winner of the Wolfson Prize is a masterful account of the city s most tumultuous century by its leading expert In 1901 no other city matched London in size wealth and grandeur Yet it was also a city where poverty and disease were rife For its inhabitants such contradictions and diversity were the defining experience of the next century of dazzling change In the worlds of work and popular culture politics and crime through war immigration and sexual revolution Jerry White s richly detailed and captivating history shows how the city shaped their lives and how it in turn was shaped by them      *The Parsis of India* Jesse

Palsetia,2021-11-22 *The Parsis of India* examines a much neglected area of Asian Studies In tracing keypoints in the development of the Parsi community it depicts the Parsis history and accounts for their ability to preserve maintain and construct a distinct identity For a great part the story is told in the colonial setting of Bombay city Ample attention is given to the Parsis evolution from an insular minority group to a modern community of pluralistic outlook Filling the obvious lacunae in the literature on British colonialism Indian society and history and last but not least Zoroastrianism this book broadens our knowledge of the interaction of colonialism and colonial groups and elucidates the significant role of the Parsis in the commercial educational and civic milieu of Bombay colonial society      *Bengal Politics in Britain* Faruque Ahmed,2011-01-14

The book presents a chronological study of the Bengali political parties and organisations in Britain 1831 2009 Faruque Ahmed enters the heart of the community to unearth its extraordinary heroism and inherent dilemmas He concludes that the future of the Bengali community is not in Bangladesh or in the subcontinent it is in Britain      **The Wiley Blackwell**

**Companion to Zoroastrianism** Michael Stausberg,Yuhan Sohrab-Dinshaw Vevaina,2022-12-12 This is the first ever

comprehensive English language survey of Zoroastrianism one of the oldest living religions Evenly divided into five thematic sections beginning with an introduction to Zoroaster Zarathustra and concluding with the intersections of Zoroastrianism and other religions Reflects the global nature of Zoroastrian studies with contributions from 34 international authorities from 10 countries Presents Zoroastrianism as a cluster of dynamic historical and contextualized phenomena reflecting the current trend to move away from textual essentialism in the study of religion *The British Left and India* Nicholas

Owen,2007-11-15 From the formation of the Indian National Congress in 1885 to the winning of independence in 1947 this book traces the complex and often troubled relationship between anti imperialist campaigners in Britain and in India

Nicholas Owen traces the efforts of British Radicals and socialists to identify forms of anti imperialism in India which fitted comfortably with their existing beliefs and their sense of how authentic progressive movements were supposed to work On the other side of the relationship he charts the trajectory of the Indian National Congress as it shifted from appeals couched in language familiar to British progressives to the less familiar vocabulary and techniques of Mahatma Gandhi The new Gandhian methods of self reliance had unwelcome implications for the work that the British supporters of Congress had traditionally undertaken leading to the collapse of their main organisation and the precipitation of anti imperialist work into the turbulent cross currents of left wing British politics Metropolitan anti imperialism became largely a function of other commitments whether communist theosophical pacifist socialist or anti fascist Revealing the strengths and weaknesses of these connections *The British Left and India* looks at the ultimate failure to create the durable alliance between anti imperialists which the British Empire s governors had always feared Drawing on a wide range of newly available archival material in Britain and India including the records of campaigning organizations political parties the British government and the imperial security services this book is a powerful account of the diverse and fragmented world of British metropolitan anti imperialism Divided Kingdom Pat Thane,2018-08-02 A clear comprehensive survey of British history from 1900 to the present integrating political economic social and cultural history

**Rowell-Sarsfield** Henry Colin Gray Matthew,Brian Harrison,Brian Howard Harrison,2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 **The Fifth Commandment**

Sehri Saklatvala,1996 Shapurji Saklatvala 1874 1936 India born communist leader British Parliamentarian **Migrant City**

Panikos Panayi,2020-04-07 The first history of London to show how immigrants have built shaped and made a great success of the capital city London is now a global financial and multicultural hub in which over three hundred languages are spoken But the history of London has always been a history of immigration Panikos Panayi explores the rich and vibrant story of London from its founding two millennia ago by Roman invaders to Jewish and German immigrants in the Victorian period to the Windrush generation invited from Caribbean countries in the twentieth century Panayi shows how migration has been fundamental to London s economic social political and cultural development br *Migrant City* sheds light on the various ways

in which newcomers have shaped London life acting as cheap labour contributing to the success of its financial sector its curry houses and its football clubs London's economy has long been driven by migrants from earlier continental financiers and more recent European Union citizens Without immigration fueled by globalization Panayi argues London would not have become the world city it is today

**An Indian In The House** Mohamed Sheikh, Baron Sheikh, 2019-02-28

For more than three centuries when India was controlled and exploited by the British Empire its people were not considered fit to have a say in the running of their own country let alone to be given any political power Around the turn of the 19th century four men helped to change that forever Dadabhai Naoroji Mancherjee Bhownagree Shapurji Saklatvala and Satyendra Sinha They were the first four Indians to achieve Parliamentary office in the United Kingdom three of them as MPs all for different parties the last as a Cabinet Minister While you could scarcely find four more contrasting personalities the four Indian pioneers had several vital points in common all four loved and fought for their country all four were highly motivated and fiercely intelligent and all four shared a passion for justice and equity Between them they earned India and Indians a long overdue respect in the West and opened the door for many of their countrymen to be welcomed into the ranks of government in their wake This book tells their stories Published by Mereos Books
