## **Salam Pax's The Baghdad Blog Insight Text Guide:**

**Salam Pax's The Baghdad Blog** Louise Gray, 2005      **What Journalism Could Be** Barbie Zelizer, 2017-05-23 What Journalism Could Be asks readers to reimagine the news by embracing a conceptual prism long championed by one of journalism's leading contemporary scholars. A former reporter, media critic, and academic, Barbie Zelizer charts a singular journey through journalism's complicated contours, prompting readers to rethink both how the news works and why it matters. Zelizer tackles longstanding givens in journalism's practice and study, offering alternative cues for assessing its contemporary environment. Highlighting journalism's intersection with interpretation, culture, emotion, contingency, collective memory, crisis, and visibility, Zelizer brings new meaning to its engagement with events like the global refugee crisis, rise of Islamic State, ascent of digital media, and twenty-first century combat. Imagining what journalism could be involves stretching beyond the already known. Zelizer enumerates journalism's considerable current challenges while suggesting bold and creative ways of engaging with them. This book powerfully demonstrates how and why journalism remains of paramount importance.      **The Advocate**, 2004-01-20 The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.      The Baghdad Blog Insight Publications, 2005
