Columbia Companion to Modern East Asian Literature Joshua S. Mostow, 2003-07-10 This extraordinary one volume guide to the modern literatures of China Japan and Korea is the definitive reference work on the subject in the English language With more than one hundred articles that show how a host of authors and literary movements have contributed to the general literary development of their respective countries this companion is an essential starting point for the study of East Asian literatures Comprehensive thematic essays introduce each geographical section with historical overviews and surveys of persistent themes in the literature examined including nationalism gender family relations and sexuality Following the thematic essays are the individual entries over forty for China over fifty for Japan and almost thirty for Korea featuring everything from detailed analyses of the works of Tanizaki Jun ichiro and Murakami Haruki to far ranging explorations of avant garde fiction in China and postwar novels in Korea Arrayed chronologically each entry is self contained though extensive cross referencing affords readers the opportunity to gain a more synoptic view of the work author or movement The unrivaled opportunities for comparative analysis alone make this unique companion an indispensable reference for anyone interested in the burgeoning field of Asian literature Although the literatures of China Japan and Korea are each allotted separate sections the editors constantly kept an eye open to those writers works and movements that transcend national boundaries This includes for example Chinese authors who lived and wrote in Japan Japanese authors who wrote in classical Chinese and Korean authors who write in Japanese whether under the colonial occupation or because they are resident in Japan The waves of modernization can be seen as reaching each of these countries in a staggered fashion with eddies and back flows between them then complicating the picture further This volume provides a vivid sense of this dynamic interplay

Red Flowers Yoshiharu Tsuge, 2024-08-13 Yoshiharu Tsuge leaves early genre trappings behind taking a light humorous approach in these stories based on his own travels Red Flowers ranges from deep character studies to personal reflections to ensemble comedies set in the hotels and bathhouses of rural Japan There are irascible old men drunken gangsters reflective psychiatric hospital escapees and mysterious dogs Tsuge s stories are mischievous and tender even as they explore complex relationships and heartache It s a world of extreme poverty tradition secret fishing holes and top dollar koi farming The title story highlights the nuance and empathy that made Tsuge s work stand out from that of his peers A nameless traveler comes across a young girl running an inn While showing the traveler where the best fishing hole is a bratty schoolmate reveals the girl must run the business because her alcoholic father is incapable At the story s end the traveler witnesses an unusual act of kindness from the boy as the girl suffers her first menstrual cramps and a simple travelogue takes on unexpected depth Red Flowers affirms why Tsuge went on to become one of the most important cartoonists in Japan These vital comics inspired a wealth of fictionalized memoir from his peers and a desire within the postwar generation to document and understand the diversity of their country s culture
