Compensation and Organizational Performance Luis R. Gomez-Mejia, Pascual Berrone, Monica Franco-Santos, 2014-12-18

This up to date research oriented textbook focuses on the relationship between compensation systems and firm overall performance In contrast to more traditional compensation texts it provides a strategic perspective to compensation administration rather than a functional viewpoint The text emphasizes the role of managerial pay its importance determinants and impact on organizations It analyzes recent topics in executive compensation such as pay in high technology firms managerial risk taking rewards in family companies and the link between compensation and social responsibility and ethical issues among others The authors provide a thorough and comprehensive review of the vast literatures relevant to compensation and revisit debates grounded in different theoretical perspectives They provide insights from disciplines as diverse as management economics sociology and psychology and amplify previous discussions with the latest empirical findings on compensation its dynamics and its contribution to firm overall performance Compensation and Reward

Management Dr. M.W. Shaikh, 2022-08-30 The book is divided into 14 chapters It starts with Chapter 1 which deals with Understanding Rewards and Compensation System in India and the others parts of the world It explains the old concept of Compensation and the Development of Compensation for the people who migrated from rural areas to urban areas because of industrial growth It also discusses the economic behavioural theories of Compensation And the usefulness of these theories in developing pay Models and Pay Packages The book covers salary structure components of salaries salary fixation revision and the various labour laws applicable to compensation It also throws light on compensation packages offered by Indian Industry The book is useful for the Corporates and the HR Managers who are involved in designing the salary structure for their organization **People, Performance, & Pay** Thomas P. Flannery, David A. Hofrichter, Paul E.

Platten, 2002-01-15 People Performance and Pay identifies today's four most common organizational work cultures functional process time based and network and explains how to align innovative pay policies with each With examples from LEGO Hallmark Holiday Inn and other leading organizations the authors explain how to assess an organization's current culture and determine what its future culture should be They then demonstrate pay's role in such change initiatives and how compensation must be integrated with other human resource processes such as selection training and performance management They also discuss the full range of pay strategies available today and how they can be best used to move the

organization forward for example they recommend decreasing an organization's emphasis on base pay as it shifts from a functional culture to a process time based or network culture They also offer guidance on establishing team rewards especially important in process and team based cultures and make a compelling case for putting more pay at risk through variable pay strategies Here also is strategic advice on competency based pay performance based rewards such as gain sharing executive pay and benefits programs As responsibility for compensation strategies and compensation decisions shifts away from the realm of the Human Resource Department line managers and senior executives will find People Performance and Pay an invaluable reference for effectively using salary incentives and benefits to motivate and reward employees improve quality and increase productivity

**The Complete Guide to Sales Force Incentive Compensation** Andris A. Zoltners, Prabhakant Sinha, Sally E. Lorimer, 2006 Designing an incentive plan to turn sales reps into sales superstars If you're like most sales leaders your incentive program is a constant challenge as you try to jumpstart sales energize a geographically dispersed and autonomous workforce and motivate salespeople to achieve ambitious revenue goals And sometimes it seems like you just don't know what works your products and markets are changing the incentive program that was so successful last year no longer produces the desired results or perhaps the generous incentive program you created has yielded a corps of highly paid salespeople who spend most of their time on existing clients and minimal time generating new business and threaten to walk away with your customer base if you scale back paychecks Incentive programs are seductively powerful but complicated instruments Without careful planning and implementation they can be too stingy to motivate too complex to understand too quick to reward mediocre results and too difficult to implement But a well designed and implemented incentive program is an essential tool for building a motivated highly effective sales force that delivers the results you need

The Complete Guide to Sales Force Incentive Compensation is a practical accessible detailed roadmap to building a compensation system that gets it right by creating motivating incentives that produce positive outcomes Packed with hundreds of real life examples of what works and what doesn't this important guide helps you Understand the value of building an incentive plan that is aligned with your company's goals and culture Avoid the common trap of overusing incentives to solve too many sales management problems Measure the effectiveness of your current incentive program employing easy to use tools and metrics for pinpointing its weak spots Design a compensation plan that attracts and retains successful salespeople including guidelines for determining the correct pay level the best salary incentive mix the proper performance measures and the right performance payout relationship Select an incentive compensation plan that works for your organization then test the plan before it is launched Set territory level goals that are fair and realistic and avoid overpaying the sales force because goals are too easy or demoralizing salespeople by having goals that are too difficult or not fairly assigned Create and manage sales contests SPIFFs Special Performance Incentive for Field Force and recognition programs that consistently deliver the intended results Manage a successful transition to a new compensation plan and build
