

"A witty, perceptive take on
how contemporary society
clashes with traditional
culture in modern Japan."

—Laura Joh Rowland

THE SALARYMAN'S WIFE

A NOVEL OF SUSPENSE

SUJATA MASSEY

Salarymans Wife

John Lie

Salarymans Wife:

The Salaryman's Wife Sujata Massey, 1997-07-18 Japanese American Rei Shimura is a 27 year old English teacher living in one of Tokyo's seediest neighborhoods. She doesn't make much money but she wouldn't go back home to California even if she had a free ticket which thanks to her parents she does. Her independence is threatened however when a getaway to an ancient castle town is marred by murder. Rei is the first to find the beautiful wife of a high powered businessman dead in the snow. Taking charge as usual, Rei searches for clues by crashing a funeral posing as a bar girl and somehow ending up pursued by police and paparazzi alike. In the meantime she manages to piece together a strange ever changing puzzle one that is built on lies and held together by years of sex and deception. *Blue Eyed Salaryman* Niall Murtagh, 2011-05-26 Why on earth would anyone give up a life on the open road for the regimen of a vast Japanese conglomerate? And is it really so different in Japan from everywhere else? Niall Murtagh spent years as a world traveller hitchhiking to Istanbul, bussing to Kathmandu and crossing the Atlantic in a home built yacht. In 1986 he closed the door on his adventurous life and settled down in Japan eventually joining Mitsubishi as a Salaryman, a man in a shiny suit with a shiny attache case in a conglomerate with 100,000 employees. And what happens when you give up the Salaryman life? The book follows life after the corporation giving fresh perspectives on the nature of Japanese business culture and the problems faced by outsiders in Japan.

Women on the Verge Karen Kelsky, 2001-11-21 Explores issues of gender, race and national identity in Japan by taking up for critical analysis an emergent national trend in which some urban Japanese women turn to the West through study abroad, work abroad and romance with Westerners in order. **Salaryman Masculinity** Tomoko Hidaka, 2010 This book of the Japanese hegemonic salaryman masculinity demonstrates the way in which the participants construct their masculinities through their life course. Their narratives reveal their contradictions, doubts, dilemmas, anxieties and resignation behind the facade of their confidence and pride. Routledge International Handbook of Race, Class, and Gender Shirley Jackson, 2014-07-25 The Routledge International Handbook of Race, Class and Gender chronicles the development, growth, history, impact and future direction of race, gender and class studies from a multidisciplinary perspective. The research in this subfield has been wide ranging including works in sociology, gender studies, anthropology, political science, social policy, history and public health. As a result, the interdisciplinary nature of race, gender and class and its ability to reach a large audience has been part of its appeal. The Handbook provides clear and informative essays by experts from a variety of disciplines addressing the diverse and broad based impact of race, gender and class studies. The Handbook is aimed at undergraduate and graduate students who are looking for a basic history overview of key themes and future directions for the study of the intersection of race, class and gender. Scholars new to the area will also find the Handbook's approach useful. The areas covered and the accompanying references will provide readers with extensive opportunities to engage in future research in the area. Re-reading the Salaryman in Japan Romit Dasgupta, 2013 This book uses the figure of the salaryman

to explore masculinity in Japan by examining the salaryman as a gendered construct and is one of the first to focus on the men within Japanese corporate culture through a gendered lens Not only does this add to the emerging literature on masculinity in Japan but given the important role Japanese corporate culture has played in Japan's emergence as an industrial power Romit Dasgupta's research offers a new way of looking both at Japanese business culture and more generally at important changes in Japanese society in recent years Japan: The Childless Society? Muriel Jolivet, 2005-08-18 Disillusioned by long hours at home alone and by demands from the older generation Japanese women are marrying later resulting in a sharp decline in the Japanese birth rate Muriel Jolivet considers the reasons why Japanese women are finding it increasingly difficult to accept the terms and conditions of motherhood Japan The Childless Society explores the major factors contributing to maternal malaise in Japan including the Ten Commandments of the Good Mother the changing role of the father education and careers nostalgia from older generations Drawing on extensive interviews with Japanese women and translated into English for the first time this innovative study examines the implications behind the declining birth rate and looks towards the future of a country that is in danger of becoming a childless society Social Psychology of Modern Japan Munesuke Mita, 2010-10-18 This study reveals the complex combination of cultural particularity and modern universality that underlies the reality of contemporary Japan The work uses sources such as popular works of art song best selling books and the advice columns of newspapers to draw a striking portrait of the Japanese public Focussing on the four main phases of modernizing and modernized Japan beginning in the nineteenth century and continuing to today's postmodern society this groundbreaking work uses quantitative and qualitative data to show that the processes of modernization brought a coexistence of generational variation imbued with tensions conflicts and synergies that taken together provide the key to understanding the structure and dynamism of contemporary Japan *The Mystery Readers' Advisory* John Charles, Joanna Morrison, Candace Clark, 2002 Three librarians from Scottsdale Arizona provide library staff with an introduction to the mystery genre and offer tips and techniques for providing advice to mystery readers in the library They include some of their own bibliographies but refer readers elsewhere for fuller ones They also include a brief history of the genre to pass on to readers new to it *Modern Japan* Elise K. Tipton, 2002 Ranging from the Tokugawa period to the present day this text provides a concise and fascinating introduction to the social cultural and political history of modern Japan Tipton covers political and economic developments and shows how they relate to social themes and developments Her survey covers traditional political history as well as areas growing in interest gender issues labor conditions and ethnic minorities *The Bride's Kimono* Sujata Massey, 2012-05-01 Antiques dealer Rei Shimura has managed to snag one of the most lucrative and prestigious jobs of her career a renowned museum in Washington D C has invited her to exhibit her kimonos and give a lecture on them Accompanied by a gaggle of Japanese office ladies bent on a week of shopping Rei lands in the capital But her big break could ultimately break her Within hours one of the kimonos is stolen and then Rei's passport

is discovered in a shopping mall dumpster on the dead body of one of the Japanese tourists Trouble is only beginning though for now Rei's parents have arrived and so has her ex boyfriend To track down the kimono and unmask a killer Rei's got to do some clever juggling fast talking and quick sleuthing or this trip home could be her last *Japanese Women* Takie Sugiyama Lebra, 1985-08-01 Japan a decade behind the United States is now expressing its awareness of women as a major social issue This awareness manifests itself in floods of publications television coverage the burgeoning of women's studies groups court rulings interfering with sex discrimination appointments of women to prominent positions thus far reserved exclusively for men admission of women to such institutions as the Self Defense Forces police athletics and so on Gambling With Virtue Nancy R. Rosenberger, 2000-10-01 Gambling with Virtue rings with the voices of women speaking openly about their struggle to be both modern and Japanese in the late twentieth century It brings to the fore the complexity of women's everyday lives as they navigate through home work and community Meanwhile women fashion selves that acknowledge and challenge the social order Nancy Rosenberger gives us their voices and experiences interspersed with introductions to public ideas of the last three decades that contribute significantly to the opportunities and risks women encounter in their journeys Rosenberger uses the stage as a metaphor to demonstrate how everyday life requires Japanese women to be skilled performers She shows how they function on stage in their accepted roles while effecting small but significant changes backstage Over the last thirty years Japanese women have expanded their influence and extended this cultural process of multiple arenas to find compromises between the old virtues of personhood and new ideals for self They conform maneuver and make choices within these multiple stages as they juggle various concerns and desires By the 1990s their personal choices have made a difference calling into question the very nature of these multiple arenas **Bloomsbury Good Reading Guide** Nick Rennison, 2009-01-01 Deciding what to read next when you've just finished an unputdownable novel can be a daunting task The Bloomsbury Good Reading Guide features hundreds of authors and thousands of titles with navigation features to lead you on a rich journey through some the best literature to grace our shelves This greatly expanded edition includes the latest contemporary authors and landmark novels an expanded non fiction section a timeline setting historical events against literary milestones prize winner and book club lists An accessible and easy to read guide that no serious book lover should be without The essential guide to the wild uncharted world of contemporary and 20th century writing Robert McCrum The Observer **The Toho Studios Story** Stuart Galbraith IV, 2008-05-16 Since its inception in 1933 Toho Co Ltd Japan's most famous movie production company and distributor has produced and or distributed some of the most notable films ever to come out of Asia including Seven Samurai Godzilla When a Woman Ascends the Stairs Kwaidan Woman in the Dunes Ran Shall We Dance Ringu and Spirited Away While the western world often defines Toho by its iconic classics which include the Godzilla franchise and many of the greatest films of the legendary director Akira Kurosawa and actor Toshiro Mifune these pictures represent but a tiny fraction of Toho's rich history The Toho Studios Story A History and Complete Filmography

provides a complete picture of every Toho feature the Japanese studio produced and released as well as foreign films that it distributed during its first 75 years Presented chronologically each entry in the filmography includes where applicable the original Japanese title a direct translation of that title the film's international U S release and alternate titles production credits including each film's producers director screenwriters cinematographers art directors and composers among others casts with character names production companies technical specs running times and release dates U S release data including distributor whether the film was released subtitled or dubbed and alternate versions domestic and international awards and plot synopses

Dogs and Demons Alex Kerr, 2002-02-10 The crises and failures of modernization in Japan as seen up close by a resident expert Japan is a nation in crisis and the crisis goes far beyond its well known economic plight In *Dogs and Demons* Alex Kerr chronicles the crisis on a broad scale from the failure of Japan's banks and pension funds to the decline of its once magnificent modern cinema The book takes up for the first time in the Western press subjects such as the nation's endangered environment its seashores lined with concrete its roads leading to nowhere in the mountains It describes Japan's monument frenzy the destruction of old cities such as Kyoto and construction of drab new cities and the attendant collapse of the tourist industry All these unhealthy developments are Kerr argues the devastating boomerang effect of an educational and bureaucratic system designed to produce manufactured goods and little else A mere upturn in economic growth will not quickly remedy these severe internal problems which Kerr calls a failure of modernism He assails the foreign experts who often dependent on Japanese government and business support fail to address these issues Meanwhile what of the Japanese people themselves Kerr a resident of Japan for thirty five years writes of them with humor and passion for passion he says is part of the story Millions of Japanese feel as heartbroken at what is going on as I do My Japanese friends tell me Please write this for us

Postcolonial Postmortems, 2006-01-01 Recent crime fiction increasingly transcends national boundaries with investigators operating across countries and continents Frequently the detective is a migrant or comes from a transcultural background To solve the crime the investigator is called upon to decipher the meanings hidden in clues and testimonies that require transcultural forms of understanding For the reader the investigation discloses new interpretive methods and processes of social investigation often challenging facile interpretations of the postcolonial world order Under the rubric postcolonial postmortems this collection of essays seeks to explore the tropes issues and themes that characterise this emergent form of crime fiction But what does the postcolonial bring to the genre apart from the well known and valid discourses of resistance subversion and ethnicity And why postmortems A dissection and medical examination of a body to determine the cause of death the postmortem of the postcolonial not only alludes to the investigation of the victim's remains but also to the body of the individual text and its contexts This collection interrogates literary concepts of postcoloniality and crime from transcultural perspectives in the attempt to offer new critical impulses to the study of crime fiction and postcolonial literatures International scholars offer insights into the postcolonial postmortems of a wide range of texts by

authors from Africa South Asia the Asian and African Diaspora and Australia including Robert G Barrett Unity Dow Wessel Ebersohn Romesh Gunsekera Kazuo Ishiguro Sujata Massey Alexander McCall Smith and Michael Ondaatje

Writing Imagined Diasporas Joel Kuortti, 2009-05-05 Joel Kuortti's *Writing Imagined Diasporas: South Asian Women Reshaping North American Identity* is a study of diasporic South Asian women writers. It argues that the diasporic South Asians are not merely assimilating to their host cultures but they are also actively reshaping them through their own new voices bringing new definitions of identity. As diaspora does not emerge as a mere sociological fact but it becomes what it is because it is said to be what it is. The writings of imagined diasporas challenge national discourses. Diaspora brings to mind various contested ideas and images. It can be a positive site for the affirmation of an identity or conversely a negative site of fears of losing that identity. Diaspora signals an engagement with a matrix of diversity of cultures, languages, histories, people, places, times. What distinguishes diaspora from some other types of travel is its centripetal dimension. It does not only mean that people are dispersed in different places but that they congregate in other places forming new communities. In such gatherings new allegiances are forged that supplant earlier commitments. New imagined communities arise that not simply substitute old ones but form a hybrid space in between various identifications. This book looks into the ways in which diasporic Indian literature handles these issues. In the context of diaspora there is an imaginative construction of collective identity in the making. That a given diaspora comes to be seen as a community is the result of a process of imagining at the same time creating new marginalities, hybridities and dependencies resulting in multiple marginalizations, hyphenizations and demands for allegiance. The study concentrates on eleven contemporary women writers from the United States and Canada who write on South Asian diasporic experiences. The writers are Ramabai Espinet, Jhumpa Lahiri, Amulya Malladi, Sujata Massey, Bharati Mukherjee, Uma Parameswaran, Kirin Narayan, Anita Rau Badami, Robbie Clippner, Sethi Shauna Singh Baldwin and Vineeta Vijayaraghavan.

Japan, the Sustainable Society John Lie, 2021-12-28 From Japan as number one to the lost decades. Growth reconsidered. The regime as a concept. Ordinary virtues. The book of sushi. The artisanal ethos in Japan. The larger context. The book of bathing. Ikigai reasons for living.

Writing the Mystery G. Miki Hayden, 2004. Hayden then goes one step further and guides the reader through the post-writing process explaining manuscript preparation, cover letters, acquiring an agent and methods of successful promotion. *Writing the Mystery* concludes each section with in-depth exercises that put the lessons of the chapter into practice. Also included is a special collection of interviews featuring mystery major leaguers who discuss the craft and offer their own valuable advice for the aspiring author and professionals switching to the mystery genre. Jacket.

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Salarymans Wife**

In a world inundated with screens and the cacophony of instant conversation, the profound energy and mental resonance of verbal art usually diminish into obscurity, eclipsed by the continuous barrage of sound and distractions. Yet, set within the musical pages of **Salarymans Wife**, a fascinating function of literary brilliance that pulses with natural emotions, lies an remarkable trip waiting to be embarked upon. Published by way of a virtuoso wordsmith, that enchanting opus manuals viewers on a psychological odyssey, gently exposing the latent potential and profound impact embedded within the complex internet of language. Within the heart-wrenching expanse with this evocative evaluation, we shall embark upon an introspective exploration of the book is main themes, dissect their fascinating writing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
