 Strategic Marketing Management (RLE Marketing) Gordon Foxall,2014-09-15 This book considers marketing
management within the overall corporate system of business policy making strategic planning and the implementation and
control of effective plans The information requirements of marketing management are highlighted and the marketing
information system concept is developed within the framework of managerial information systems In the chapters which deal
with the elements of the marketing mix the interrelated nature of these variables is emphasized The book illustrates how the
successful marketing manager can master each weapon in the marketing armoury and how s he can integrate those weapons
to achieve the right mix for each product The accent on integrated marketing continues in the final section where
differentiated marketing is presented as an integrative framework and where the systematic control of marketing operations
is described This book is for students who will one day be managers its emphasis is therefore on what is possible in
