Salient Days:

History of the Sixth Battalion West Yorkshire Regiment Capt. E. V. Tempest, 2012-01-11 Compiled at the instigation of the Old Comrades Association of the 16th Battalion of the West Yorkshire regiment this is a typical no nonsense history of a down to earth unit that saw active service suffered heavy casualties and rendered sterling service in some of the very worst fighting seen on the western front during the Great War With a laconic foreword by General Plumer in whose 2nd Army the 16th West Yorkshires served at Ypres and Passchendaele the book gives a full account of the battalion's service which in addition to third Ypres included action at Nieuport on the coastal tip of the trenchlines and on the Somme at Thiepval After enduring the great German offensives in the spring of 1918 they took part in the Allied counter push moving from Cambrai to Valenciennes before the Armistice brought the war to an end With a range of photographs of officers men and aerial shots of trench warfare this volume has a particularly fine and extensive selection of trench maps as well as Rolls of Honour decorations etc

The Last Days of Innocence Meirion Harries, Susie Harries, 1998-11-24 In the Spring of 1917 America went to war with an innocent determination to remake the world When the smoke lifted in November 1918 the nation emerged with its sense of purpose shattered its certainties shaken and with a new and unwelcome self knowledge Seventy five thousand American soldiers were dead and back home a Pandora's box of suspicions and surveillance had been opened The Last Days of Innocence reveals how the fight to preserve freedom abroad led to the erosion of freedom at home Drawing on American British and French archival material the authors reveal unplanned and uncoordinated field efforts as well as the unsavory activities of anti dissent groups from the Committee for Public Information to the Anti Yellow Dog League including a posse of children organized to listen for antiwar talk among families and friends Here is the story of the fifty billion dollar war that gave birth to the Selective Service Act threatened labor rights stoked the fires of racial and religious intolerance and concentrated the nation's wealth into fewer hands than ever before The Last Days of Innocence tells the untold story of the war that rudely thrust Americans into an uncertain future a war whose effects remain with us today Well crafted in every way a vivid and authoritative history Cleveland Plain Dealer A neatly plaited narrative rich in detail A splendid history Washington Times

A New Day Michael Difeo, 2020-04-06 What if In the ashes of a dead culture a new world is born After the world is destroyed and all memory of the past is lost a time capsule is unearthed In it is something called the New World Testament and a Torah two writings that threaten to shake humankind down to its very core It was a tough time for the human race Reduced to small groups vying for recognition in a harsh environment people struggle to survive after rediscovering religion One society the Union will do anything to stop the religious neophytes whose most cherished belief is that Christ will be born in their time

Ardent a Union vanguard trooper and a warrior had orders to hunt down the Judeo Christians at whatever cost in lives He has second thoughts when he meets Bandy the love of his life a Judeo Christian About the same time a child is born a baby boy named Jesus the Second Coming of Christ What if God is about second chances What if this is the world's second chance What if Christ isn't crucified this time What if he is This novel is a thought provoking journey into the world of WHAT IF A New Day is Difeo's fourth novel It's more than a fable or a fantasy it is an epic imagining of a post Apocalyptic world **The Solomons 1943-44** Mark Stille, 2018-08-23 Victory at Guadalcanal for the Allies in February 1943 left them a vital foothold in the Solomon Islands chain and was the first step in an attempt to isolate and capture the key Japanese base of Rabaul on New Britain In order to do this they had to advance up the island chain in a combined air naval and ground campaign On the other hand the Japanese were determined to shore up their defences on the Solomons which was a vital part of their southern front and would bitterly contest every inch of the Allied advance The scene was set for one of the bloodiest campaigns of the Pacific War Fully illustrated with specially commissioned maps and artwork this is the compelling story of the struggle for the Solomons a key part of the Allied advance towards Japan which saw tens of thousands of casualties and so many ships lost that part of the ocean became known as Ironbottom Sound *Encyclopedic index, L-Z* United States. Fout,1903 Subjunctive Conditionals Michela Ippolito,2013-09-13 A proposal for a compositional semantics for subjunctive or would conditionals in English In this book Michela Ippolito proposes a compositional semantics for subjunctive or would conditionals in English that accounts for their felicity conditions and the constraints on the satisfaction of their presuppositions by capitalizing on the occurrence of past tense morphology in both antecedent and consequent clauses Very little of the extensive literature on subjunctive conditionals tries to account for the meaning of these sentences compositionally or to relate this meaning to their linguistic form this book fills that gap connecting the different lines of research on conditionals Ippolito s proposal will be of interest both to linguists and to philosophers concerned with conditionals and modality more generally Ippolito reviews previous analyses of counterfactuals and subjunctive conditionals in the work of David Lewis Robert Stalnaker Angelika Kratzer and others considers the contrast between future simple past subjunctive conditionals and future past perfect subjunctive conditionals presents a proposal for subjunctive conditionals that addresses puzzles left unsolved by previous proposals reviews a number of presupposition triggers showing that they fit the pattern predicted by her proposal and discusses an asymmetry between the past and the future among subjunctive conditionals arguing that the best account of our linguistic intuitions must include an indeterministic view of the world
