The Salomon Smith Barney Guide to World Equity Markets ,2001 **The Salomon Smith Barney Guide to World Equity Markets** ,1999 Cracking the Emerging Markets Enigma G. Andrew Karolyi,2015-05-01 Forward thinking investors are constantly looking for the next BRIC what foreign market is on the brink of expansive growth Will these investments payoff or are the potential risks too great Investing in these emerging markets requires a careful analysis of potential risks and benefits which vary greatly from country to country and even from day to day In Cracking the Emerging Markets Enigma emerging markets expert Andrew Karolyi outlines a practical strategy for evaluating the opportunities and more importantly the risks of investing in emerging markets Karolyi s proposed system evaluates multiple dimensions of the potential risks faced by prospective investors These categories of risk reflect the uneven quality or fragility of the various institutions designed to assure integrity in capital markets political stability corporate opacity limits placed on foreign investors and more By distilling these analyses into a numerical scoring system Karolyi has devised a way to assess with ease emerging markets by different dimensions of risk and across all dimensions together This novel assessment framework already has been tested in the market to great success Researchers students firms and both seasoned and novice investors are poised to gain a clear understanding of how to evaluate potential investments in emerging markets to maximize profits

The Salomon Smith Barney Guide to World Equity Markets, 2000 Euromoney Books Staff,Simon Perry,Deborah Ritchie,David Rathborne,2000-06-30 **The Salomon Smith Barney Guide to World Equity Markets, 1998** Euromoney Books Staff,1998 **Raising Capital on Arab Equity Markets** Lu'ayy Minwer Al-Rimawi,2012-02-01 This first book of its kind discusses in particular the role of investor protection as regards disclosure when issuers are offering securities to the public with full descriptions of the securities markets and stock exchanges in seventeen Arab jurisdictions In two interrelated parts it examines both the regional macroeconomic matrix and a detailed case study that of Jordan in order to analyse the development and characteristics of an Arab regulatory model Among the important issues and topics arising in the course of the analysis are the following relevance of international regulatory standards to Arab securities markets mandatory versus voluntary securities disclosure the fundamentals of the Islamic financial system role of riba and gharar nature and impact of Shari a s unquantifiable juridical risks on the modus operandi of Arab securities markets macroeconomic adjustment policies and structural adjustment programmes in several Arab countries recent economic and Arab capital markets impact in the wake of the Arab Spring extent of different countries reliance on Shari a as a constitutional source constitutional challenges to the imposition of interest the need for the positive law to compel securities disclosure under Shari a shareholders remedies when suing for fraud or negligent misstatements liability for misleading or inaccurate disclosure under the general law of the UK and a selected Arab jurisdiction prospectus liability under the statutory regime of the UK and an Arab regulatory regime bars to rescission of contract Comparative UK and Shari a aspects and Arab UK regulatory agencies

enforcement prosecutorial administrative and civil remedies The author closely examines various instruments deployed for conveying securities disclosure and dissemination of information and looks extensively at relevant rulings as enunciated by an Arab court of cassation He then constructs a model of an effective securities disclosure regime in order to provide better investor protection for shareholders under Shari a Among the strengths of Dr Lu ayy Minwer Al Rimawi s book is the fact that at all times he adopts a comparative approach not only as between different Arab systems but also with an appreciation of the legal position in the UK and the European Union and elsewhere The Hon Mr Justice Sir William Blair Q C High Court Judge in the UK and Chairman of the Qatar Financial Centre Regulatory Tribunal As the first in depth discussion of the regulation of Arab capital markets in English with an eye to international standards and the policy issues involved and with attention focused on the central question of how the law can properly protect investors this book will commend itself to all those with an interest in securities markets in the Arab world *The New Capital Markets in Central and Eastern Europe*

Michael Schröder,2012-12-06 It is the aim of this study to assess the effects of the EU enlargement on the capital markets in the most advanced countries of Central and Eastern Europe CEE and Russia and to analyse the impacts on the interactions between Eastern and Western capital markets due to the integration process Therefore this study should be particularly useful for financial analysts institutional investors and academic researchers who are interested in the economic and institutional developments of capital markets in CEE countries and are looking for a thorough and comprehensive analysis of the future perspectives of these capital markets The European Union has opened negotiations for EU membership in early 1998 with five CEE countries the Czech Republic Estonia Hungary Poland and Slovenia In autumn 1999 the group of CEE countries involved in the negotiations for EU membership has been enlarged by Bulgaria Latvia Lithuania Romania and Slovakia The negotiations with some of the CEE countries have already reached a stage that makes entry into the EU in the next few years very likely The joining countries have to adopt the whole *acquis communautaire* which represents the legislative framework common to all EU members Important parts of the *acquis communautaire* e g the liberalisation of capital movements European Monetary Union the free provision of bank and non bank financial services and new rules for prudential supervision directly and indirectly affect the behaviour of the financial sector and the functioning of capital markets **The Salomon Smith Barney Guide to World Equity Markets, 1999** Euromoney Books Staff,1999-01-01
