Salt And Light Talks And Writings On The Sermon On The Mount:

Salt and Light Eberhard Arnold,1977 **Salt and Light** Eberhard Arnold,1998 In the Sermon on the Mount Jesus puts aside his usual parables and speaks plainly in language anyone can understand Like Francis of Assisi and others Arnold chose to live out Jesus teachings by embracing their self sacrificing demands In this collection of talks and essays he calls us to live for the Sermon s ultimate goal the overturning of the prevailing order of injustice In its place Arnold writes we must build up a just peaceable society motivated by love *Comparative Characterization in the Sermon on the Mount* Arren Bennet Lawrence,2017-03-24 The Sermon on the Mount contains many comparisons In this book the functions of these comparisons are studied by the methodology called comparative characterization Characterization is the way a character is characterized in a narrative Comparative characterization is the characterization of a character using comparisons In comparative characterization another character is used as a foil to bring out a characteristic trait of a concerned character Jesus characterized the ideal disciple in the Sermon on the Mount with many descriptions and imperatives To characterize the ideal disciple Jesus used many comparisons and highlighted the characteristic features that embody the ideal disciple The many comparisons used in the Sermon on the Mount are identified in this study through comparative characterization In addition the teleological purpose of the comparisons which is to play as foil to the characterization of the ideal disciple is identified and highlighted Thus this study identifies Jesus characterization of the ideal disciple and his complex portrayal of the ideal disciple with the many uses of comparisons in the descriptions and imperatives of Jesus in the Sermon on the Mount

,1904 Churches Can't Talk About It Because It's Political R. David Stewart,2022-04-22 In Acts chapter 22 the Apostle Paul uses his political status as a Roman citizen to avoid being flogged Today pastors all across America will admit that we are now a Post Christian nation and even that the soft persecution becoming increasingly rampant every day bodes physical and violent persecution on the horizon but they fail to do anything about it because all the cultural ills have been tossed into the political arena and everyone knows churches can't talk about it if it's political This book dispels that lie and encourages Christians to overwhelm the gates of hell by using the political process to our advantage **Transformation** Bob Roberts, Jr.,2010-08-30 Transformation lays the groundwork for what church and Christian community can become in this new century Author and pastor Bob Roberts Jr is one of the architects of this unique approach to Christianity based on biblical and missional discipleship that he calls T Life transformed life which leads to a T World transformed world Ever since Jesus' commission to make disciples in his name Christianity has transformed lives and the world at large To those watching it must have looked like an upstart religion led by a group of men most of whom were martyred for their beliefs The voice of secular culture today is no louder and no more indulgent than it was in those days And yet much of the Western church has settled for becoming just another mass media market that's adding to the noise instead of a movement that continues to turn the world upside down Drawing inspiration from early church history and the emerging church in the developing world Roberts envisions a new way of engaging the local church to achieve common goals He calls for Building a church culture rather than a church program Empowering the local church to invest in the global missions field Consistently reestablishing our relationship with Jesus Christ in order to experience true transformation In fact all this begins with a growing interactive relationship with God that includes personal and corporate worship This in turn results in community As community serves others transformation has both a global and local impact and creates transformation in the world Transformation redefines the focus and practice of the church not from external bells and whistles but from the internal transformation of the very character of its people **"Here Are Your Gods"** Christopher J. H. Wright,2020-09-29 Christians desperately need to name and expose the modern day false gods of prosperity nationalism and self interest Combining a biblical study of idolatry with practical discipleship Old Testament scholar Christopher J H Wright calls readers to fight the temptation of idolatry as we consider connections between Old Testament patterns and today's culture **12-Week Bible Study for Moms** Teresa Ann Criswell,2025-06-17 Find strength in your faith as you navigate motherhood with this daily Bible study for women Being a mom is no easy feat but turning to God can help you feel motivated inspired and ready for anything This 12 week Bible study for moms helps you reconnect with His Word every day with advice and teachings that support you through raising your family The busy mom's Bible study Each week focuses on a new theme like gratitude or perspective with relevant passages from Scripture focused prayers and questions for reflection Easy to use every day This Bible workbook for women explores readings that offer deep insight but only take about 15 minutes so you can always find time for them in your busy life Start
