Morton, 2020-10-05 The Sirens of Wartime Radio and How the American Print Media Presented Them The Stories the Intrigue and the Evolving Coverage of Their Legacies analyzes press coverage from the American print media that helped construct popular images of Tokyo Rose Axis Sally Seoul City Sue and Hanoi Hannah Coverage of these radio sirens essentially constructed and defined these women s legacies for an American audience Scott A Morton examines newspaper and magazine coverage from the periods of each broadcaster and in doing so analyzes four primary research inquires Morton discusses how American newspapers and magazines portrayed each woman to American readers how the American mass media s portrayal of them evolved overtime from the mid 1940s through the present the ways in which the American mass media responded to these five female propagandists either directly or indirectly through print radio and visual media and how the legacy of each woman has been kept alive in popular culture in the decades since their last broadcasts Morton argues that for the most part coverage of the sirens was borne out of fascination and aversion fascination stemming from the novelty of women acting as high profile agents of enemy propaganda organizations and aversion stemming from the potential power they had over U S servicemen and the fact that they were viewed as traitors to the U S Scholars of media studies history and international relations will find this book particularly useful **To Hold A Siren's Heart** Rachel Leigh Smith, 2016-11-15 Redemption has a price Paying it could cost him everything David Michaels is a celibate siren cursed to never know love and fighting his nature every minute of the day so his brother won t fear him He knew better than to have a one night stand with a total stranger The last thing he expected was to see her show up claiming his little brother is the long lost next alpha of the Boulder pride Megan Kincade daughter of the Boulder pride alpha hasn t stopped dreaming about the dark haired man she slept with in Florida while chasing down a lead on her missing brother The last thing she expected was to find him living as the little brother of her dream man a man with a voice smooth as Belgian chocolate Taking his brother back to his pride is the only way for him to live yet if David reconnects with his symphony a pantheon war will set Colorado on fire And he really shouldn t be falling in love with the alpha s daughter When David s
