Sparano,1996 If you want to catch fish away from home find a local expert Vin Sparano has fished the coast from Maine to Virginia with some of the country s best known anglers for decades and he s been collecting their hard earned advice the whole time Now he s sharing it in this book The Northeast Guide to Video Source Book Gale Group,1999-10-28 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction **Portuguese Decolonization in the Indian Ocean World** Pamila Gupta,2018-10-18 Pamila Gupta takes a unique approach to examining decolonization processes across Lusophone India and Southern Africa focusing on Goa Mozambique Angola and South Africa weaving together case studies using five interconnected themes Gupta considers decolonization through the twined lenses of history and ethnography accessed through written oral visual and eyewitness

accounts of how people experienced the transfer of state power She looks at the materiality of decolonization as a movement of peoples across vast oceanic spaces demonstrating how it was a process of dispossession for both the Portuguese formerly in power and ordinary colonial citizens and subjects She then discusses the production of race and class anxieties during decolonization which took on a variety of forms but were often articulated through material objects The book aims to move beyond linear histories of colonial independence by connecting its various regions using the theme of decolonization offering a productive and new approach to writing post national histories and ethnographies Finally Gupta demonstrates the value of using different source materials to access narratives of decolonization analyzing the work of Mozambican photographer Ricardo Rangel and including lyrical prose and ethnographical observations Portuguese Decolonization in the Indian Ocean World provides a nuanced understanding of Lusophone decolonization revealing the perspectives of people who experienced it This book will be highly valuable for historians of the Indian Ocean world and decolonization but also those interested in ethnography diaspora studies and material culture
