Salut Arabelais

Jacques-Charles Brunet

Salut Arabelais:

Earthly Treasures Catharine Randall, 2007 *Earthly Treasures* maps the presence position and use in the narrative of a variety of material objects in Marguerite de Navarre's *Heptameron*. There is a wide selection of objects ranging from tapestries with scripture passages woven into the borders, fine arts paintings, chalices incised with proverbs, emblems, table linens, copies of Bibles or manuscripts, clothing, masks, stage props, jewelry, furniture, and foodstuffs. Although the presence of such material objects seems paradoxical given the scriptural mandate to disregard things of this world and to store up treasure rather in heaven, Marguerite found license to use such objects both in the Bible and in the daily life-oriented and artifact-studded sermons and writings collected in the *Table Talk* of Martin Luther. *The Design of Rabelais's* Edwin M. Duval, 1997. En analysant le dessin du Tiers Livre, sa composition formelle aussi bien que son intention sous-jacente, E. Duval dégage la cohérence profonde d'une œuvre qui passe le plus souvent pour ambigu et minipenne. Cette cohérence qui se manifeste simultanément deux niveaux: celui du dessin de Pantagruel dans la quatrième et celui du dessin de Rabelais dans son livre permet à l'auteur non seulement de résoudre plusieurs apories de la critique rabelaisienne mais de découvrir dans le Tiers Livre des dimensions et des ironies inaperçues jusqu'à présent. **Etudes rabelaisiennes**, 1972. **Jules Michelet**. John Raymond Williams, 1987. **The Design of Rabelais's Quart Livre de Pantagruel** Edwin M. Duval, 1998. **King's Sister - Queen of Dissent: Marguerite of Navarre (1492-1549) and her Evangelical Network (set 2 volumes)** Jonathan Reid, 2009-06-24. This study reconstructs for the first time Marguerite of Navarre's leadership of a broad circle of nobles, prelates, humanist authors, and commoners who sought to advance the reform of the French church along evangelical Protestant lines. Hitherto misunderstood in scholarship, they are revealed to have pursued despite persecution a consistent reform program from the Meaux experiment to the end of Francis I's reign through a variety of means: fostering local church reform, publishing a large corpus of religious literature, high-profile public preaching, and attempting to shape the direction of royal policy. Their distinctive doctrines, relations with major reformers including their erstwhile colleague Calvin, involvement in major Reformation events, and the impact of their unsuccessful attempt are all explored. *Les discours de la sympathie* Sabrina Vervacke, Thierry Belleguic, Eric van der Schueren, 2007. Rédigé par une communauté de chercheurs, le volume propose une mise en chantier de la notion de sympathie qui ne se contente pas d'accumuler des matériaux ou des études futures, pourront puiser mais les ordonne de telle sorte que la perspective critique qu'il est possible d'adopter l'égard d'une généralisation de la sympathie et de la diversité des champs qu'elle investit soit déjà largement l'œuvre. Historiens, littéraires et philosophes ont en effet collectivement réfléchi ce que pouvait être la sympathie aux XVII^e et XVIII^e siècles par quelle histoire elle était parvenue, ce qu'on en disait et pratiquait alors, et quels étaient les horizons moderne et contemporain de ses devenir. Les quatre parties qui organisent l'ensemble: Physiologie et morale de la sympathie, Rhétorique et esthétique de la sympathie, Rotique et pathétique de la sympathie, Critique et épuscule de la sympathie, sont autant de scansions d'une enquête qui pour

n tre pas exhaustive n en offre pas moins sans doute pour la premi re fois une somme pluridisciplinaire qui allie synth ses
