to Twenty-First-Century American Poetry Timothy Yu, 2021-03-11 A new poetic century demands a new set of approaches  
This Companion shows that American poetry of the twenty first century while having important continuities with the poetry  
of the previous century takes place in new modes and contexts that require new critical paradigms Offering a comprehensive  
introduction to studying the poetry of the new century this collection highlights the new multiple centers of gravity that  
characterize American poetry today Essays on African American Asian American Latinx and Indigenous poetics respond to  
the centrality of issues of race and indigeneity in contemporary American discourse Other essays explore poetry and  
feminism poetry and disability and queer poetics The environment capitalism and war emerge as poetic preoccupations
