Improvement was practiced years before Dr Bates discovered it. It is the normal natural function of the eyes hidden from the public by eye surgeons, optometrists, optical businesses for over 100 years because this method works. It is easy; anyone can learn, teach it, including children. It produces healthy eyes, clear vision, and frees the patient from the need to purchase eyeglasses, drugs, unnecessary eye surgery. Yes, it can, and has reversed cataracts. Dr Bates worked his entire life treating people successfully with Natural Eyesight Improvement. When he cured the eyes of many patients, medical students, and other doctors in the hospital where he worked with natural treatments without use of eyeglasses, surgery, drugs, and proved his method is fact that some of the old theories of eye function are incorrect, the eye surgeons that preferred to sell eyeglasses, surgery, drugs became angry and expelled him. eyeglasses During his practice working with different patients eye conditions he realized that unclear close distant vision
astigmatism and other conditions often cured itself reversed back to clear vision especially when his patients stopped
wearing their eyeglasses and relaxed He noticed that wearing glasses tensed the eyes eye muscles lowered the vision and
resulted in stronger and stronger eyeglass lens prescriptions being needed in order to see clear through the glasses He
began his own studies on the eye and its function This led him to discover that many of the old ophthalmology optometry
supposed facts about the eye lens and its function and cause of unclear vision are incorrect Dr Bates began teaching his
patients to stop wearing their glasses He taught them natural methods including relaxation correct use of the eyes vision
