

Little Eyes Upon You

There are little eyes upon you
and they're watching night and day,
There are little ears that quickly
take in every word you say.
There are little hands all eager
to do anything you do;
And a little girl who's dreaming
of the day she'll be like you.
You're the little girl's idol,
you're the wisest of the wise.
In her little mind about you
no suspicions ever rise.
She believes in you devoutly,
holds all that you say and do;
She will say and do, in your way,
when she grows up like you.
There's a wide eyed little girl
who believes you're always right;
And her eyes are always opened,
and she watches day and night.
You are setting an example
every day in all you do,
For the little girl who's waiting
to grow up to be like you.

him It was at this time that she went to California to see the Rosicrucian astrologer Max Heindel still seeking help in her sorrow still unable to understand why she had no word from her Robert She wrote of this meeting In talking with Max Heindel the leader of the Rosicrucian Philosophy in California he made very clear to me the effect of intense grief Mr Heindel assured me that I would come in touch with the spirit of my husband when I learned to control my sorrow **POEMS OF CHEER** ELLA WHEELER.
