Poetry Comics from the Book of Hours Bianca Stone,2016-05-09 Beautiful mutants vagabond scuba divers lovers with disordered gorilla hearts These poetry comics place the lyric and the grotesque the elegant and the despondent side by side in one emotionally intense panel after another At the vanguard of a movement that embraces our increasingly visual culture and believes poetry has an essential place therein Bianca Stone redefines how we think about poetry what we expect from comics and how we interpret our own lives Although reminiscent of illuminations by William Blake Thomas Phillips s A Humument and more recent visual poetic hybrids by Mary Ruefle and Matthea Harvey Stone s comics feature a mixture of dreamy expression and absurdist wit that is entirely her own Her watercolor panels are filled with anthropomorphic horses and baffled ballerinas that guide the reader through the poet s graphic dreamscape I was moving like a monsoon through a forest I was thinking about where I saw myself in two thousand years And where I saw myself was a tiny subspace ripple sliding through the corridors with a plastic horse in my hand This book its own small universe erases genre distinctions between the visual and the literary and offers readers a poetic vision of artistic possibilities

I Had A Leaf Stuck To My Shoe: Selected Cartoons from THE POET - Volume 7 Todd Webb, 2021-10-31

The Poet is a daily comic strip about celebrating the little things and has been described as being like PEANUTS but if Linus was an old man and Woodstock had an attitude. *I Had A Leaf Stuck To My Shoe* is the seventh collection of The Poet comic strips and follows its uniquely thoughtful cast of characters: the Poet, the Pigeon, and the Park Bench as they contemplate our silly place in the grand scheme of things, the meaning of poetry, and donuts. Among the many delights in this collection, The Poet muses on repetition and routine as he releases a small book into the world; the Pigeon mistakenly thinks they are fugitives on the lam, and the Park Bench is a puzzle unto itself. The Poet has a sense of humor about thinking hard and feeling deeply while not apologizing for such outrageous behavior. It's refreshing. Hal Hartley film director. Serene, existential, and self-aware. Todd Webb's *The Poet* is a humorous and ultimately helpful respite from everything. Adam J. Kurtz author of *Things Are What You Make of Them*. *Life Advice for Creatives*. These gently funny comics strike a happy balance between dreaminess and the corporeal world, an inarguably good thing. Heather Christle poet and author of *What is Amazing* and *The Crying Book*. Todd Webb has figured out what poetry was missing all these years. PICTURES Derek Drymon executive producer of *Adventure Time*. I have been a joy-filled fan of Todd's work on *The Poet* for as long as I can remember. Kevin Pollak actor/comedian. Poets like poems and birds like donuts. This Poet and bird share the crumbs of their life with love and the occasional jab in the ribs. John Porcellino cartoonist. *King Cat Comics Stories*. *Life Is A Donut* Todd Webb, 2020-12-15

The Poet is the comic strip quietly taking the internet by storm, one unsuspecting new reader at a time, and has been described as being like PEANUTS but if Linus was an old man and Woodstock had an attitude. *Life Is A Donut* is the third collection of The Poet comic strips and follows its uniquely thoughtful cast of characters: the Poet, the Pigeon, and the Park Bench as they contemplate our silly place in the grand scheme of things, the meaning of poetry, and donuts. The Poet has a sense of humor about thinking hard and feeling deeply while not apologizing for such outrageous behavior. It's refreshing. Hal Hartley film director. Serene, existential, and self-aware. Todd Webb's *The Poet* is a humorous and ultimately helpful respite from everything. Adam J. Kurtz author of *Things Are What You Make of Them*. *Life Advice for Creatives*. These gently funny comics give a glimpse of a poet making his way in the world, accompanied by a somewhat skeptical bird. The two in combination strike a happy balance between dreaminess and the corporeal world so that what emerges is an overall sense of love for poetry and its makers, the kind of love that's intimate enough to make space for poking fun.
