Why The Church Needs the Prophet's Ministry Avian L. Christian,2011 The church today is in great need of the prophet s ministry And yet there exist much ignorance and misunderstanding of this important and vital ministry This is partly due to the lack of teaching on the subject of the prophetic ministry the lack of depth in the understanding of spiritual matters concerning the church fear distrust between leaders pride jealousy and disobedience to the Spirit of God and the will and plan of God for end time ministry All of these things and such like are to be blamed for the ignorance and misunderstanding that currently exist concerning the prophet s ministry As the church draws nearer to the end of the church age prophets prophetess and prophetic ministries will become more necessary and in increasing demand The purpose of this book is to show biblical evidence for the ministry of the modern day prophet prophetess and to show they still exist within the New Testament Church The purpose is also to establish knowledge of the workings of the need of and the importance of the modern day prophetic ministry Without the ministry of the prophet prophetess the body of Christ would indeed be incomplete *Why The Church Needs The Prophet s Ministry* is an excellent guide for opening the doors of awareness to the prophet s ministry and for the bringing about of understanding that can lead to cooperation between the five fold ministry as well as the entire body of Christian workers adding to the completion of the end time work of the ministry
