Real Presences:

Real Presences George Steiner, 1986-03-13 Can there be major dimensions of a poem a painting a musical composition created in the absence of God Or is God always a real presence in the arts Steiner passionately argues that a transcendent reality grounds all genuine art and human communication

Real Presences George Steiner, 2013-04-16 Renowned scholar George Steiner explores the power and presence of the unseen in art It takes someone of his stature to tackle this theme head on The New York Times There is a philosophical school of thought that believes the presence of God in art literature and music in creativity in general is a vacant metaphor an eroded figure of speech a ghost in humanity s common parlance George Steiner posits the opposite that any coherent understanding of language and art any capacity to communicate meaning and feeling is premised on God In doing so he argues against the kind of criticism that obscures instead of elucidates meaning From the power of language to vital philosophical tenets Real Presences examines the role of meaning and of the spiritual in art throughout history and across cultures

Real Presence Nathan D. Mitchell, 2025-10-01 This third edition of the late Nathan D Mitchell s seminal work brings his historical scholarship on Eucharistic practices into dialogue with twentieth century Eucharistic theology His reflections on the transformative power of the Eucharist remain essential for parish life and for how Sunday Mass is celebrated today

Christianity for Young Intellectuals Robert Klitgaard, 2024-08-23 If you re like many young intellectuals Christianity may seem quaint at best or even a sign of an anti intellectual worldview The doors of your mind and heart may shut prematurely If so this anthology may blow those doors open wide Some of the world s most intriguing authors appear here often in essays without wide circulation They tackle big often unspoken questions that resonate deeply What if you could figure out everything then what Where do both science and the humanities stop short What is a truly fulfilled life Several chapters describe Jesus s profound impact on history and philosophy Many signs point to something more What might it mean to say that it is Jesus This collection isn t about converting minds but energizing them a set of intellectual calisthenics designed to invigorate and strengthen your academic and personal development Introduction Robert Klitgaard PART I POSING BIG QUESTIONS 1 What If You Could Figure Out Everything Then What Annie Dillard 2 Are the Arts and Humanities Your Thing How about Science Do They Halt in the Same Way Wilson Poon and Tom McLeish 3 Why Is Philosophy So Impractical Roberto Mangabeira Unger 4 We Human Beings Are Vanishingly Small and Impermanent Life Is Meaningless Isn t it William James 5 What Is a Full Human Life Robert Klitgaard PART II INTRODUCING JESUS 6 What Is Special about Jesus Adam Gopnik 7 What Does the Crucifixion Signify Jack Miles 8 What Did Jesus Contribute to Western Philosophy Leszek Ko akowski 9 How Can One Get from Here to There Paul Kingsnorth

Real Presence Regis A. Duffy, 2010-05-01 Why is there so much worship and so little real commitment to living out the Gospel How can there be so much participation in the sacraments and so little growth and transformation in most of our lives In this challenging book of practical theology Regis Duffy tackles vital questions that are seldom asked let

alone answered Basing his argument solidly on the New Testament and core Christian teaching Duffy shows how ritual sacrament worship and community have real meaning and worth only when they function as effective symbols of transformation and renewed commitment What is often lacking is not God s presence but our own By relating individual sacraments Initiation Eucharist Penance to studies of the life cycle and stages of faith Real Presence presents a compelling vision of what genuine participation in the Christian community involves throughout our lives Contents The Cutting Edge of Faith Commitment Unearned Gifts and Their Symbols Conflict as Crossroads for the Christian A Question of Presence The People in the Water Servants at Table Fragmented Stories The Future Community Now The Real Presence George Anthony Denison,1853 **Exploring the Belief in the Real Presence** David J. Keys, PhD,2015-03-12 The Eucharistic celebration is an ancient ritual originating almost 2000 years ago It took place during the last Passover supper Jesus had with his apostles on the day before he died At that time Jesus took bread blessed it broke it and gave it to the apostles saying This is my body Subsequently Jesus took the wine gave thanks and gave it to the apostles saying This is my blood Jesus commanded the apostles to Do this in memory of me Currently the religions of more than three fourths of the worlds Christians believe that when these same words are said during their faiths Eucharistic liturgy the bread and wine turn into the real presence of Jesus Christ that is into the body blood soul and divinity of Jesus Christ In addition many individuals belonging to those religions which believe in the real presence have little understanding of the basis for this ancient belief In Exploring the Belief in the Real Presence author Dr David J Keys provides an understanding of the real presence in the Eucharist for both newcomers to the principle and for those who wish to extend their belief to a deeper level Through scripture and documentation Keys shares the beauty and richness of this ancient teaching concerning the real presence of Jesus in the Eucharist **Doctrine of the Real Presence** John Harrison,2023-03-28 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *The Real Presence ...
