Industrial residues are obtained from all treatments of raw materials in industry during the process of mining raw materials treatment and final usage During these processes of enrichment optimization and utilization of raw materials only part of the original material can be used for the dedicated application and some left over parts remain This contribution focuses on residues like mining overburdens ore residues and ore processing residues like slags but also on incineration ashes and water purification muds Natural materials like pozzolanes due to their potential of CO2 reduction are also included Based on this knowledge secondary reusable materials due to their chemical physical and mineralogical properties can be identified Also different characterization methods for analysing the potential for further application of these residues are included

Letters of Ayn Rand Ayn Rand,1997-02-01 The publication of the letters of Ayn Rand is a cause for celebration not only among the countless millions of Ayn Rand admirers the world over but also among all those interested in the key political philosophical and artistic issues of our century For there is no separation between Ayn Rand the vibrant creative woman and Ayn Rand the intellectual dynamo the rational thinker who was also a passionately committed champion of individual freedom These remarkable letters begin in 1926 with a note from the twenty year old Ayn Rand newly arrived in Chicago from Soviet Russia an impoverished unknown determined to realize the promise of the land of opportunity They move through her struggles and successes as a screenwriter a playwright and a novelist her sensational triumph as the author of *The Fountainhead* and *Atlas Shrugged* and her eminence as founder and shaper of Objectivism one of the most challenging philosophies of our time They are written to such famed contemporaries as Cecil B DeMille Frank Lloyd Wright H L Mencken Alexander Kerensky Barry Goldwater and Mickey Spillane There are letters to philosophers priests publishers and political columnists to her beloved husband Frank O Connor and to her intimate circle of friends and her growing legion of followers Her letters range in tone from warm affection to icy fury and in content from telling commentaries on the events of the day to unforgettably eloquent statements of her philosophical ideas They are presented chronologically with explanatory notes by Michael S Berliner who identifies the recipients of the letters and provides relevant background and context Here is a chronicle that captures the inspiring drama of a towering literary genius and seminal thinker and often day by day her amazing life
