Paterson, 2010-12-01 The Idea of God and the Reality of Evil is the perfect book for readers who have a broad interest in fundamental religious issues It offers a balanced clear and non technical view of the religious problem of evil which often forms an insurmountable barrier to faith For Atheists the existence of evil is categoric proof that a higher omnipresent and omnipotent creator cannot exist This book takes a fresh look at the arguments of the Atheists and re examines their perspective that a perfect being implies a perfect world and offers a rational answer to the apparent conflict between faith and an imperfect reality Paterson's treatment of the problem of evil is clear He offers readers a balanced look at all the conflicting views in this book which will appeal to Christians Humanists and members of many other faiths

Perszyk, 2023 John Bishop and Ken Perszyk argue that it is reasonable to reject the standard conception of a personal omniGod They present an alternative view euteleology reality is inherently purposive and the universe exists ultimately because its overall end which is the supreme good is made concretely real within it

The Reality of Human Life Bedrich V.
