Reality And Mysticism:

Religion and Reality James Henry Tuckwell,1977 *Religion and Reality* James Henry Tuckwell,2019 Reality and Mystical Experience F. Samuel Brainard,2008-03-05 Responding to our modern disillusionment with any claims to absolute truth regarding morality or reality this book offers a conceptual approach for discussing absolutes without denying either the relevance of divergent religious and philosophical teachings or the evidence supporting postmodern and poststructuralist critiques Case studies of mysticism within Advaita Ved _nta Hinduism M _dhyamika Buddhism and Nicene Christianity demonstrate the value of this approach and offer many fresh insights into the metaphysical presuppositions of these religions as well as into the nature and value of mystical experience Like Douglas Hofstadter s G _del Escher Bach this book finds ultimate reality to be rationally graspable only as an eternal fugue of pattern and paradox Yet it does not so much counter other philosophical views as provide a conceptual tool for understanding and classifying incommensurable views *Mystical Experience of Reality* Keith Michael Hancock,2019-12-10 The Mystical Experience of Reality is a well known non biological non human historical phenomena that engulfed the author as a 14year old several times every year until his late thirties filling him with the experience of a Reality in which all things known and unknown exist at Its behest guarding guiding accepting everything that exists separately personally individually It is benign and uninterested in human wants or constructs such as religions politics ideologies The author is what Buddhism would call a pratyakabuddha a silent buddha whose experience of this Reality was spontaneous without having been requested or by given human help a mystic He insists the experience of Reality is caught not taught that it cannot be evangelized or proselytized worshipped or used Reality rules Its ways are not our ways Our ways are not Reality s Jesus failed Religions are not spiritual just emotional So the book started with a Blog mysticexperiences net for the author to examine himself and existence in accordance with the way of Reality Accordingly he found nothing in humanity worth studying This book is a summation of four years of using writing the blog to explore the awareness given him by his mystical experiences in the hope it will add to the literature on the subject which is now being more seriously studied around the world than it has ever been by physicists metaphysicists philosophers theologians psychologists even cosmologists and especially Seekers for whom the author has special messages for their unique hunger and thirst The book also seeks to pass on Reality s message to the author All is well Religion and Reality James Henry Tuckwell,2018-02-21 Excerpt from Religion and Reality A Study in the Philosophy of Mysticism The writer has great pleasure in acknowledging first his indebtedness to Dr Burns Gibson late of Harlesden whose private philosophical class it was his privilege for some years to attend and from whose acute criticisms and unusual dialectical skill in metaphysics he received much stimulus and instruction The writer desires to acknowledge also the unfailing sympathy help and encouragement derived from his frequent intercourse by speech and correspondence with his gifted friend the Rev John Oates of North Finchley And lastly he would thank another friend Mr Robert Mowbray ma And fellow student with him at the

A New Vision of Reality Bede Griffiths,1989 **Mysticism Examined** Richard H. Jones,1993-01-01 Mysticism presents a challenge to anyone who is interested in fundamental questions about the nature of reality knowledge and how we should live In this book the author examines questions posed by mysticism He clarifies the nature of the claims advanced by Western and Asian mystics and explores the beliefs and values of classical mystical ways of life for their interconnections and reasonableness Jones discusses whether all mystical experiences and all mystical claims of knowledge are similar and examines the relation of concepts and experiences in mystics claims Also presented are standards for evaluating competing mystical claims and mystics problems with language Whether mystics arguments are rational is investigated along with the relation of moral and non moral values and the role of beliefs and values in enlightened mystics ways of life Mysticism s relation to the enterprises of science theology psychology and ethics is also examined Dreaming Reality Vladimir Miskovic,Steven Jay Lynn,2025-02-04 Dreaming Reality looks to mystical traditions to challenge orthodoxies of brain science that model consciousness in purely physical terms Instead of privileging the experience of waking life the authors study visionary states ego death meditation prayer and other phenomena that bring us closer to understanding how the mind makes experience **Mystical Experience of Reality - Volume II** Keith Michael Hancock,2024-05-05 Is MER The Mystical Experience of Reality What Humans Are All About The Mystical Experience of Reality book and blog series by Keith Michael Hancock is a uniquely serious case history of newly emerging facts about the mystical experience of Reality MER It is presented here to add to the growing scientific and academic literature being produced around the world today what human existence is really all about Does God exist or is much more revealing itself in our evolutionary progress Many scientists and scholars are experiencing the answer Yes Mystical Experience of Reality Volume I and now Volume II are compiled of posts from Keith s Blog Mystic Experiences Volume II was thought necessary because Keith s latest revelations have brought these historically important messages to a concluding realisation of what the human condition is all about See Summing Up at the end of the book Scholars scientists and spiritual Seekers around the world who visit and follow his blog will appreciate Summing Up as a uniquely new complete understanding of why we re here In this book Keith has aimed to keep each topic shorter and on point always leaving you with a new thought to ponder always encouraging you to dig deeper

and recall your own experiences thus far WHY KEITH He doesn't know He says he is not aware of any qualification he had or has for receiving the mystical experiences of Reality MER the truth of Reality's existence He says he wasn't religious or spiritual and didn't even know the word mystic when they started The Mystical Experience of Reality as Keith calls it is a well known historical non biological non human historical phenomena that engulfed him as a 14 year old several times every year until his late thirties filling him with the experience of a Reality in which all things known and unknown exist at Its behest guarding guiding accepting everything that exists separately personally individually It is benign and uninterested in human wants or constructs such as religions politics ideologies It only deals with individuals The experiences bring profound joy and love with a knowledge beyond all human experience Keith insists the experience of Reality is caught not taught The books are filled with posts from Keith's blog mysticexperiences.net for the author to examine himself and his existence in accordance with the way of Reality Accordingly he says he found by comparison that there is nothing in humanity worth studying The first book Mystic Experiences of Reality Volume I and this one Volume II are summations of years of using writing to explore the awareness given Keith by his mystical experiences in the hope it will add to the literature on the subject which is now being more seriously studied around the world than it has ever been Keith's writing also seeks to pass on Reality's personal message to him All Is Well The Living Mirror Paul Marshall,1992-01-01 **Reality and Mysticism** R. Puligandla,1997 Prof Puligandla Reveals The Central Upanisadic Insights And The Significance Of The Observations To Modern Scientific Thought He Comes Up With Ideas On The Nature Of The Ultimate Reality Compatibility Of Science Religion And Philosophy Etc Mysticism and Morality Richard H. Jones,2004-01-01 In Mysticism and Morality author Richard Jones explores an often neglected question of religious ethics Is mysticism moral Through a discussion of several religious traditions including Hinduism Jainism Buddhism Tantrism Daoism and Christianity Jones fills a major void in the scholarly literature by considering all relevant points pertaining to mysticism Rather than looking at mysticism abstractly the book focuses on such topics as ritual practice and the processes of mystical becoming This work provides new perspectives for those interested in ethics and will prove essential to anyone interested in comparative philosophy and cross cultural studies of religion Mystic Reality G. R. S. Mead,2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work An Introduction to the Study of Mysticism Richard H. Jones,2021-12-01 2022 CHOICE Outstanding Academic Title The purpose of this book is to fill a gap in contemporary mystical studies an overview of the basic ways to approach mystical experiences and mysticism It discusses the problem of definitions of mystical experiences and mysticism and advances characterizations of mystical experiences in terms of certain altered states of consciousness and mysticism in terms of encompassing ways of

life centered on such experiences and states Types of mystical experiences enlightened states paths and doctrines are discussed as is the relation of mystical experiences and mysticism to religions and cultures The approaches of constructivism contextualism essentialism and perennialism are presented Themes in the history of the world s major mystical traditions are set forth Approaches to mystical phenomena in sociology psychology gender studies and neuroscience are introduced Basic philosophical issues related to whether mystical experiences are veridical and mystical claims valid mystics problems of language art and morality are laid out Older and newer comparative approaches in religious studies and in Christian theology are discussed along with postmodernist objections The intended audience is undergraduates and the general public
