Can I Love? Oh Boon Keng, Can I love I often find myself asking this question This seemingly simple question isn t as straightforward for me because of my disability Having muscular dystrophy means that it has become progressively impossible for me to do many of the things I could previously do Knowing that I would eventually lose most of my physical abilities and independence I didn t know if I should even embark on a journey to find romantic love While I am perfectly able to love someone emotionally what physical intimacy and long term commitment can I offer Is it just enough to love someone with all my heart and only my heart without the physical and practical aspects of a relationship Will I become a burden to my partner instead Being a hopeless romantic my desire for romantic love compelled me to start on this journey I had many crushes and met many failures that hurt me deeply Eventually my perseverance paid off and I entered a relationship Short lived it may be it was one of the best experiences in my life never have I felt so empowered before Through this book I want to share my journey to find love May it open your heart and mind to the matter of love for persons with disabilities
