Rebel Passion:

The Rebel Passion Vera Brittain, 2019-07-08 Originally published in 1964 The Rebel Passion endeavours to tell the continuous story in terms of their ideas and personalities and the vital flame that inspired them of a group of very different yet spiritually related Christians who sought to confront a world involved in deeper conflict than any could fully realize with the basic essentials of peace Individual and corporate witness beginning even before 1914 is presented against the dark background of many countries involved directly or indirectly in war and illustrates the international scene dangerous and tragic yet revolutionary and apocalyptic over the tremendous half century through which the older generation had lived and which shaped the lives of their juniors In 1941 the last revised edition was issued of a factual historic record of the work of the I F o R up to twenty years ago The present book aims at a different treatment which instead of mainly summarizing missions conferences and committees seeks to interpret persons and events rather than merely describe them It tries above all to indicate how the philosophy and example of prophetic personalities influenced their various communities in spite of totally different official values and the consistent opposition of establishments to minority opinions based on insight and inspiration It suggests that the thinking of ordinary individuals with distinguished minds without the advantage of conspicuous social labels or the opportunity to stand on political pedestals actually operates as a leaven which changes the thought of a generation The fact that such a result had been achieved within measurable time should have encouraged those who worked on the contemporary scene to create spiritual foundations for the labours of future man and women This book was published to commemorate the fiftieth anniversary of the Fellowship of Reconciliation founded at Cambridge in December 1914 and followed by the International Fellowship in 1919 *Rebel Passion* Vera Brittain, 1964 *Rebel's Passion* Andrea Layton, 1982 **Passion's Rebel** Kay Cameron, 1983 **Passion for Truth** Rev. Fr. Juan R. Velez, 2011-12 In *Passion for Truth* author and scholar Fr Juan R V lez painstakingly uncovers the life and work of Blessed John Henry Newman In the story of his early years his family upbringing and university education and through his vast correspondence with family friends and colleagues V lez acquaints us with Newman the loyal friend profound thinker prolific writer and holy priest A true Catholic gentleman who can be admired and loved by all who love the Truth Newman was a talented but timid young man who often doubted his own competence but was to become one of the most influential teachers and writers of the 19th Century Starting life as a devout and promising Anglican scholar he finished the race a faithful and unwavering Catholic priest and Cardinal to the disappointment of some of his closest friends and the great joy of many others His prominent position as an Anglican clergyman and Oxford don made his long anticipated conversion the subject of great interest to many of his contemporaries and once he crossed over to Rome many Anglicans followed his lead His clarity of thought as a scholar was such as is hardly seen in contemporary society and was even growing rare in his own day A relentless pursuit of wisdom did not allow him to simply store away his knowledge but urged him to conform his life to what was true wherever and

whenever he discovered it This passion for Truth did not always gain him friends but it ultimately gained him what he valued above all else a home in the True Church of Christ

The Passion Patrick Keddle,2018-03-30 In 1981 a young semi professional footballer known as Imam Beckenbauer for his piety and his dominant style of play has his career cut short after a confrontation with Turkey s military junta His name was Recep Tayyip Erdogan and three decades later he is Turkey s most powerful ruler since Ataturk Turkey is a nation obsessed with football From the flares which cover the stadium with multi coloured smoke and often bring play to a halt to the conductors ultras who lead the walls of sound at matches Turkish football has always been an awesome spectacle And yet in this politically fraught country caught between the Middle East and the West football has also always been so much more From the fan groups resisting the government in the streets and stands to ambitious politicians embroiling clubs in Machiavellian shenanigans football in Turkey is a site of power anger and resistance Journalist and football obsessive Patrick Keddle takes us on a wild journey through Turkey s role in the world s most popular game He travels from the streets of Istanbul where fans dodge tear gas and water cannons to the plains of Anatolia where women are fighting for their rights to wear shorts and play sports He meets a gay referee facing death threats Syrian footballers trying to piece together their shattered dreams and Kurdish teams struggling to play football amid war The Passion also tells the story of the biggest match fixing scandal in European football and sketches its murky connections to the country s leadership In doing so he lifts the lid on a rarely glimpsed side of modern Turkey Funny touching and beautifully observed this is the story of Turkey as we have never seen it before
