Rebel Private: Front and Rear William A. Rebel Private: Front and Rear: Memoirs of a Confederate Soldier William Fletcher, 2016-05-23 In April 1861 war was declared between the Union and the Confederacy When the news came it made Fletcher nervous as he was working but didn't want to miss his chance to enlist reaching an agreement he began his journey the following day Two years later on the third day at Gettysburg Fletcher recalls how he became temporarily afflicted with a bad case of cowardly horror following the order to prepare to charge But Fletcher could also be a restless man and was brave to a fault frequently seeking permission for dangerous raids or patrols in the lulls between battles Wounded on numerous occasions Fletcher became incapacitated for further infantry service and was transferred to the cavalry where he would serve for the rest of the war It was during this time that he was taken prisoner by Union troops and Fletcher's account of his capture and the formation and execution of his escape plan is worthy of a classic thriller With its combination of straightforward prose and unexpected philosophising Rebel Private is an arresting account of one line soldier's experience William Andrew Fletcher 1839-1915 was a lumberman scout and soldier from Louisiana In 1856 the family moved to Texas and five years later he enlisted in the Confederate Army Serving throughout the Civil War he survived and returned to Texas where he later married and raised a family Praise for William A Fletcher A neat tale of suspense an admirable piece of

Americana Atlantic Monthly Gives the best account I know of This Confederate Soldier shows his devotion to the truth by limiting his narrative to what he saw with his own eyes Shelby Foote He was the G I Joe of the confederate army He wrote so honestly casually and dramatically that no one who pretends to understand the Irresponsible Conflict can neglect reading this book Houston Post Albion Press is an imprint of Endeavour Press the UK s leading independent digital publisher For more information on our titles please sign up to our newsletter at www.endeavourpress.com Each week you will receive updates on free and discounted ebooks Follow us on Twitter EndeavourPress and on Facebook via <http://on.fb.me/1HweQV7> We are always interested in hearing from our readers Endeavour Press believes that the future is now **Rebel Private Front and Rear** W. did but his moving ideas were somewhat different as I have heard him remark to father that if he could sell out at not too great a loss he would move to the Republic of Mexico in order to keep his boys out of war While at Wiess Bluff about the only mention of war I would hear was by father and Wiess About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Rebel Private, Front and Rear; Experiences and Observations From the Early Fifties and Through the C W.
