World Monarchies and Dynasties John Middleton, 2015-06-01 Throughout history royal dynasties have dominated countries and empires around the world Kings queens emperors chiefs pharaohs czars whatever title they ruled by monarchs have shaped institutions rituals and cultures in every time period and every corner of the globe The concept of monarchy originated in prehistoric times and evolved over centuries right up to the present Efforts to overthrow monarchies or evade their rule such as the American French Chinese and Russian revolutions are considered turning points in world history Even today many countries retain their monarchies although in vastly reduced form with little political power One cannot understand human history and government without understanding monarchs and monarchies This fully illustrated encyclopedia provides the first complete survey of all the major rulers and ruling families of the world past and present No other reference work approaches the topic with the same sense of magnitude or connection to historical context Arranged in A Z format for ease of access World Monarchies and Dynasties includes information on major monarchs and dynasties from ancient time to the present This set includes overviews of reigns and successions genealogical charts and dynastic timelines addresses concepts problems and theories of monarchy provides background and information for further research highlights important places structures symbols events and legends related to particular monarchs and dynasties includes a master bibliography and multiple indexes

The Last Jacobites Keith Coleman, 2024-12-30 For most people the story of the Jacobites perished on a bitter April day in 1746 when their hopes of restoring the exiled Stuart monarchy at the battle of Culloden were crushed Beyond this military defeat which marked the end of the 45 rebellion there were surviving embers who kept alive the cause for some

time For some years Prince Charles Edward Stuart Bonnie Prince Charlie and his exiled supporters plotted with European powers to restore his banished house and regain the British throne but there was never again a military attempt to oust the Hanoverians who displaced his lineage In Europe Jacobite networks flourished in France but also in Scandinavia and were influential in spreading Masonic ideas in the areas they operated Exiles joined the military as far afield as Spain and even Russia while others formerly loyal to the cause found themselves in the New World either banished by the British state or willing emigrants hoping for a better life Ironically most of the latter supported the British Empire and faced further hardship in the aftermath of the American War of Independence finding themselves as losers in two major historic upheavals

Jacobitism arose again as a romantic ideal in the 19th century surprisingly revived by the Hanoverian royal family which had displaced the Stuarts The cult of Highland Scotland was spearheaded by Queen Victoria who saw herself as the embodiment and successor of the Jacobites Towards the end of her reign political Jacobitism became a fringe element in British politics energized Scottish nationalism and became an element in that country's artistic renaissance The question of what Jacobitism means to different people in different ages is not an easily answered question Even in its early days the movement was not simply a political monarchist group devoted to restoration of a shattered dynasty Its adherents and some of its detractors recognized some mysterious attraction in its ideals and its symbolism Which other British royal cult survived so long and inspired a succession of Pretenders devoted to the doomed romance of a long vanished line of monarchs

A Treasury of Deception Michael Farquhar, 2005-05-31 We may say that honesty is the best policy but history to say nothing of business politics and the media suggests otherwise In this infinitely citable book the author of two bestselling treasuries of scandal recounts some of the greatest deceptions of all time With what forged document did the Vatican lay claim to much of Europe Who wrote Hitler's diaries Why do millions still believe the vague doggerel that Nostradamus passed off as prophecy Organizing his material by theme con artists the press military trickery scientific fraud imposters great escapes and more Michael Farquhar takes in everything from the hoodwinking of Hitler to Vincent the Chin Gigante's thirty year crazy act A Treasury of Deception is a zestful gossipy exposé and celebration of mendacity A Treasury of Deception also includes Ten tricksters from scripture Ten great liars in literature Ten egregious examples of modern American doublespeak Ten classic deceptions from Greek mythology

Noble Strategies in an Early Modern Small State Charles T. Lipp, 2011 Examining the societies of the hundreds of small states that made up most of Europe before the 19th century this text takes as its focus the Duchy of Lorraine

Julia of Bunnamairgie Jessica Eden, 2021-01-12 The Black Nun of Bunnamairgie Friary Julia MacQuillan lived in the 15th and 16th centuries in Ballycastle Ireland known then as Margeytown due to the proximity of the Margie River She was called the black nun because of the color of the cloak habit that she wore The nun's story unfolds as a present day McQuillin Cathleen is searching for her family's history and travels to Ballycastle to find out more She comes across Julia's journal and the story of this beautiful young lass who is a mystic with prophetic visions The visions eventually
