Contemporary Studies on Modern Chinese History Zeng Yeying, 2021-03-15 The study of modern Chinese history has developed rapidly in recent decades and has seen increased exploration of new topics and innovative approaches Resulting from a special issue of Modern Chinese History Studies this set is devoted to showcasing the healthy development of Chinese modern history studies and has already been revised twice in the original language This three volume set exhibits major achievements on the study of modern Chinese history and shows how the role of history was in debate transformation and re evaluation throughout this tortuous yet prosperous period Articles on 23 different topics are collected from over 30 prominent historians in order to represent their insights on the developmental paths of Chinese historical studies Drawing on a large number of case studies of critical historical events that contribute to the establishment of the People's Republic of China this set offers a panoramic view on the studies of modern Chinese history In addition it incorporates more pioneering topics such as intellectual history cultural history and translations of overseas studies on contemporary Chinese history This set will be a valuable reference for scholars and students of Chinese history *University of Michigan Official Publication*, 1961 General Register University of Michigan, 1962 Announcements for the following year included in some vols

Catalogue of the University of Michigan University of Michigan, 1967 Announcements for the following year included in some vols The Sinosphere and Beyond Joan Judge, Joachim Kurtz, Ori Sela, Dan Shao, Hugh Shapiro, 2024-07-22 The history of East Asia can be most productively studied through a transnational translingual and transcultural approach to the region In *The Sinosphere and Beyond* twenty six leading and emerging scholars use such approaches in rich clusters of essays on Historiography Sino Japanese Encounters Law and Justice Politics Art Literature and Translation Each essay builds

on the legacy of Joshua Fogel whose scholarship defined the contours of the Sinosphere in the Western world and beyond. The collection will be of interest to scholars and students with specific research concerns within these broader rubrics from the towering progenitors of Japanese Sinology to gendered diplomatic and cultural dimensions of Sino Japanese encounters from Sinitic poetry to legal culture and revolutionary life from art commerce and levels of literary expression to the quandaries of translation. In addition to offering a broad range of case studies the volume is testimony to the methodological importance of a dynamic intra and transregional approach for an understanding of the layered history of East Asia. China Bibliography Harriet T. Zurndorfer, 2021-12-06. This volume serves as a guide to all facets of China study from advice on choosing an appropriate literary dictionary to finding the most recent yearbooks that offer statistical data about the contemporary economy. China Bibliography does not restrict itself to one particular discipline but considers the development of Chinese civilization as a whole from its imperial beginnings to the present and therefore demonstrates how one would find information about Chinese history literature religion linguistics collectanea as well as present day PRC economic and political policies. Because this book also explains how bibliographical data on China has accumulated over the last 300 years including within China itself it also may help the reader understand the significance of a particular type of reference work.

Twentieth Century China James H. Cole, 2004. Emphasizing reference works published since 1964 these volumes cover books periodicals and inclusions i.e. chapters in edited volumes on the 1911 Revolution the Republic of China 1949 post 1911 Taiwan post 1911 Hong Kong and Macao and post 1911 overseas Chinese. Contemporary Studies on Modern Chinese History III Zeng Yeying, 2021-03-14. The study of modern Chinese history has developed rapidly in recent decades and has seen increased exploration of new topics and innovative approaches. Resulting from a special issue of Modern Chinese History Studies this volume is devoted to showcasing the healthy development of Chinese modern history studies and has already been revised twice in the original language. This three volume set exhibits major achievements in the study of modern Chinese history and shows how the role of history has been in debate transformation and re evaluation throughout this tortuous yet prosperous period. This volume investigates the critical movements such as the Taiping Heavenly Kingdom Movement and the Chinese People's War of Resistance against Japanese aggression that contribute to the establishment of the People's Republic of China. In addition it includes valuable summaries of various perspectives in modern Chinese history studies such as the translation of overseas studies and pioneering topics that historians have examined between 2009 and 2019. This book will benefit scholars and students of Chinese history especially those who are interested in modern Chinese history. **Contemporary Studies on Modern Chinese History II** Zeng Yeying, 2020-10-29. Resulting from a special issue of Modern Chinese History Studies this volume is devoted to showcasing the healthy development of Chinese modern history studies and has already been revised twice in the original language. This volume

exhibits major achievements on the study of modern Chinese history and shows how the role of history was in debate transformation and re evaluation throughout this tortuous yet prosperous period Articles on seven different topics are collected from over ten prominent historians in order to represent their insights on the developmental paths of Chinese historical studies Drawing on a large number of case studies of critical historical events such as imperial China and the Chinese Workers Movement this volume sets out to explore topics such as the history of Sino foreign relations as well as the history of workers movements and youth movements This book will be a valuable reference for scholars and students of Chinese history

Manslaughter, Markets, and Moral Economy Thomas M. Buoye, 2006-11-02 In this book Thomas Buoye examines the impact of large scale economic change on social conflict in eighteenth century China He draws upon a large body of actual documented homicide cases originating in property disputes to recreate the social tensions of rural China during the Qianlong reign 1736 1795 The development of property rights a process that had begun in the Ming dynasty was accompanied by other changes that fostered disruption and conflict including an explosion in the population growth and the increasing strain on land and resources and increasing commercialization in agriculture Buoye challenges the markets and moral economy theories of economic behaviour Applying the theories of Douglass North for the first time to this subject he uses an institutional framework to explain seemingly irrational economic choices Buoye examines demographic and technological factors ideology and political and economic institutions in rural China to understand the link between economic and social change

Civil War in China Suzanne Pepper, 1999 Many books have tried to analyze the reasons for the Chinese communist success in China s 1945_1949 civil war but Suzanne Pepper s seminal work was the first and remains the only comprehensive analysis of how the ruling Nationalists lost that war_ not just militarily but by alienating the civilian population through corruption and incompetence Now available in a new edition this authoritative investigation of Kuomintang failure and communist success explores the new research and archival resources available for

assessing this pivotal period in contemporary Chinese history Even more relevant today given the contemporary debates in Hong Kong and Taiwan over the terms of reunification with a communist led national government in Beijing this book is essential reading for anyone seeking a nuanced understanding of twentieth century Chinese politics *Sowing the Seeds of Change* Paula Harrell, 1992 In the critical decade between the Sino Japanese and Russo Japanese wars perhaps as many as 10 000 Chinese students converged on Tokyo in what was the first large study abroad movement anywhere in the world Following China's defeat by Japan in 1895 sending young Chinese to Japan for schooling seemed wise policy to leaders in both countries To reform minded pragmatists at the helm of Ch'ing government study in Japan meant access to modern ideas and technology that would strengthen the state and their own power To Japan's leaders training thousands of young Chinese fit their objective of creating a strong China under Japanese tutelage together the two countries could form an Asian bulwark against the encroachments of the West But this blueprint for study abroad failed to consider what the students own goals might be for a modernizing China For the Chinese students exposure to an economically stronger intellectually more open Japan inspired visions of a new China free of Ch'ing mismanagement more broadly representative politically and capable of holding back imperialism in any form Western or Japanese Increasingly alienated from the Ch'ing state Japan educated activists boldly proclaimed their anti authoritarian views and were a key force in the rising tide of dissidence propelling China to revolution in 1911 Among the topics the author considers are the emergence of official and popular support for study in Japan the socio economic background of the students their psychological interaction with the Japanese case studies of student protest movements and the nature of students intellectual and political concerns In developing a new political outlook the students grappled with many of the issues confronting China nearly a century later how far to open the door to Western influence how to relate to an economically strong Japan how much political reform should accompany technological and economic change and above all how to become modern and remain distinctively Chinese BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
