The LAST Virtual Volunteering Guidebook Jayne Cravens,Susan J. Ellis,2014-01-15 What is virtual volunteering It s work done by volunteers online via computers smartphones or other hand held devices and often from afar More and more organizations around the world are engaging people who want to contribute their skills via the Internet The service may be done virtually but the volunteers are real In *The LAST Virtual Volunteering*

Guidebook international volunteerism consultants Jayne Cravens and Susan J Ellis emphasize that online service should be integrated into an organization's overall strategy for involving volunteers. They maintain that the basic principles of volunteer management should apply equally to volunteers working online or onsite. Whether you're tech savvy or still a newbie in cyberspace, this book will show you how to lead online volunteers successfully by overcoming resistance to online volunteer service and the myths surrounding it. Designing virtual volunteering assignments from micro volunteering to long term projects from Web research to working directly with clients via the Internet. Adding a virtual component to any volunteer's service. Interviewing and screening online volunteers. Managing risk and protecting confidentiality in online interactions. Creating online communities for volunteers. Offering orientation and training via Internet tools. Recruiting new volunteers successfully through the Web and social media and assuring accessibility and diversity among online volunteers. Cravens and Ellis fervently believe that future volunteer management practitioners will automatically incorporate online service into community engagement, making this book the last virtual volunteering guidebook that anyone has to write.

Loving God, Loving Neighbor Peggy Kendall; Claire Smith; Tim Ke, 2008-04-01 In almost every congregation there is a searching youth who is somehow different from the rest, one who thinks more deeply, asks more questions, and wants to make a difference in the world. This young person may be seen as a loner, an upstart, or someone who does not fit. Youth workers may not know what to do with these inquisitive youth, and a youth program that meets the congregation's expectations probably won't connect with the needs and interests of searching youth. Eventually, searching youth turn into searching adults who continue to stir things up and enrich the life of our congregations with their questions, insights, witness, and service. These young people have the capacity and ability to provide significant leadership in our congregations now and in the future. Because of their unique gifts, we are offering this book as a resource for pastors, teachers, and youth leaders who work with them. In this book, faculty members, students, and recent graduates of Saint Paul School of Theology look through the eyes of their academic disciplines and ministry experience to explore the foundations for ministry with searching youth and to offer designs for your ministry.

A Child's Right to a Healthy Environment James Garbarino, Garry Sigman, 2010-09-15 It's a startling reality that more American children are victims and perpetrators of violence than those of any other developed country. Yet unlike the other nations, the United States has yet to ratify the United Nations Convention on the Rights of the Child. Compelling, readable, and interdisciplinary, *A Child's Right to a Healthy Environment* provides an abundance of skilled observation, important findings, and keen insights to place children's well-being in the vanguard of human rights concerns both in the United States and globally. Within this volume, authors examine the impediments to the crucial goals of justice, safety, dignity, well-being, and meaning in children's lives, factors as varied as socioeconomic stressors, alienated/disengaged parents, and corrosive moral lessons from the media. The complex role of religious institutions in promoting and in many cases curtailing children's rights is analyzed, as are international efforts by advocates and policymakers to address major threats to children's

development including War and natural disasters Environmental toxins e g malaria and lead poisoning The child obesity epidemic Gun violence Child slavery and trafficking Toxic elements in contemporary culture A Child s Right to a Healthy Environment is a powerful call to action for researchers and professionals in developmental clinical child school and educational psychology as well as psychiatry pediatrics social work general and special education sociology and other fields tasked with improving children s lives *Christian Social Action* ,1998 *Liberating the Politics of Jesus* Darryl W.

Stephens,Elizabeth Soto Albrecht,2020-09-03 Bold faithful challenging this volume uncovers the social and political implications of the gospel message by looking at Anabaptist theology and practice from a female perspective The contributors approach the gospel from a wide range of disciplines and backgrounds liberating the radical political ethic of Jesus Christ from patriarchal distortions and demonstrating that gender justice and peace theology are inseparable Beautifully illustrated with pen drawings *Liberating the Politics of Jesus* recognizes the authority of women to interpret and reconstruct the peace church tradition on issues such as subordination suffering atonement the nature of church leadership and discipleship The contributors confront difficult topics head on such as the power structures in South Africa armed conflict in Colombia and the sexual violence of John Howard Yoder The result is a renewed Anabaptist peace theology with the potential to transform the work of theology and ministry in all Christian traditions *The Book of Resolutions of The United Methodist Church 2016* United Methodist Church,2016-12-16 The Book of Resolutions provides models for applying an active faith to daily life in ways that can impact the world around us The new Book of Resolutions contains all current social policies adopted by the General Conference of The United Methodist Church Includes positions on more than 200 subjects organized into seven sections The Natural World The Political Community The Nurturing Community The World Community The Social Community The Economic Community Other Resolutions Fully indexed by resolution title Scripture reference and topic Available in English only **Window** ,1998 **Guidelines for Leading Your Congregation**
