Safe Uses Of Cortisol:

SAFE USES OF CORTISOL William McK. Jefferies, 2004-01-04 The Third Edition of this popular book brings up to date the material that so many readers found helpful in the previous editions The text has been revised and reorganized with current chapters focusing on the history of cortisol use sources of confusion regarding cortisol therapy the significance of normal adrenocortical function generally accepted uses of physiological dosage viral infections miscellaneous clinical conditions and future directions for research and therapy The author provides explanation and confirmation of the rationale for the effectiveness and safety of the uses of physiological dosages of cortisol in the treatment not only of patients with rheumatoid arthritis and other autoimmune disorders but also of patients with chronic allergies chronic fatigue syndrome gonadal dysfunction infertility shingles acne hirsutism respiratory infections and other less common disorders It is a known fact that the influenza virus attacks the human body by impairing the production of the adrenocorticotrophic hormone ACTH which in turn impairs the production of cortisol the only hormone that is absolutely essential for life In addition within the past two years a new infection has developed in central China and has been labeled Severe Acute Respiratory Syndrome SARS The ACTH hormone and the SARS epidemic is addressed and it is hoped that this type of cortisol therapy will not only be helpful in the treatment of the various disorders mentioned but will lead to a better understanding of the factors that contribute to the development of these disorders and ultimately contribute towards their prevention What Your Doctor May Not Tell You About(TM) John Lee, Virginia Hopkins, 2024-09-24 From a doctor who has pioneered in women s health an alternative to HRT for managing menopause symptoms Christiane Northrup MD author of The Wisdom of Menopause Arguing that giving estrogen replacement therapy to women after menopause is medically the wrong thing to do Dr John Lee suggests that natural progesterone can prevent most of the unpleasant side effects of menopause including osteoporosis and weight gain Healing Is Possible Neil Nathan, M.D., 2013-05-15 A useful and comprehensive resource for anyone who has fallen through the medical cracks Healing Is Possible provides readers with new hope for healing Through direct hands on experience Dr Nathan has brought countless people relief from their long term symptoms and illnesses Like a top notch medical detective Dr Nathan gathers the facts and uncovers the clues one by one to bring about a steady improvement in his patients health *Integrative Pain Medicine* Joseph F. What Your Doctor May Not Tell You About(TM) John Lee, Virginia Hopkins, 2024-09-24 From a doctor who has pioneered in women's health an alternative to HRT for managing menopause symptoms Christiane Northrup MD author of *The Wisdom of Menopause* Arguing that giving estrogen replacement therapy to women after menopause is medically the wrong thing to do Dr John Lee suggests that natural progesterone can prevent most of the unpleasant side effects of menopause including osteoporosis and weight gain

Younger for Longer Dr Duncan Carmichael, 2018-12-06 Revelatory and accessible Sunday Post Dr Carmichael has studied nutrition hormone balancing and aesthetic medicine and his passion on which he lectures globally is healthy ageing His approach in his fascinating new book *Younger for Longer* is scientific and holistic The Times Be good to yourself *Younger for Longer* features wisdom on nutrition sleep mood regulation and most importantly hormonal health for men and women Scotsman I have not stopped learning on my Low Carb Healthy Fat journey *Younger for Longer* continues that process for me with an incredibly well referenced text It's refreshing to see the balance of nutrition and lifestyle discussed in such an informed and robust manner Gary Fettke orthopaedic surgeon health activist and author *Younger for Longer* tells you exactly what you need in order to live an extended healthy life It's very 80/20 and one of the best books I've read in ages Richard Koch author of million seller *The 80/20 Principle* Fascinating Packed with the most incredible information about health Radio Today South Africa Offers valuable honest and solid medical insights into how you can age better It is without doubt one of the best books I have read in my many years as a health activist Longevity magazine Targeted at the general reader the goal of this book is to show readers how to live a healthy life free from the debilitating effects of ageing helping them to stay mentally alert and physically active and making sure they get the most out of all of their years It reveals practical steps to slow the ageing process and stay healthy in short how to stay younger for longer With research showing that obesity nutrition and lifestyle illnesses can hamper our body's response to Covid 19 such advice has become even more crucial in reducing Covid 19 risk factors The key is to aim for optimal health However focussing on one factor alone will not get us there Our sleep our mood what we eat our detoxification system and our hormones are just some of the factors that interact in amazing ways to make us who we are they are also at the very heart of the ageing process This book shows how these different strands combine in ways that can be positive or negative and explains why this interaction depends far more on the lifestyle we choose than on the genes we inherit In that way it gives the reader a unique and comprehensive understanding of their body and tells them how with this knowledge they can optimise their health The topics range from nutrition toxins men's health and women's health to understanding why our skin brain and liver age and how to undo the damage and stave off ageing But the book's main focus underlying all of this is hormones the chemicals that tell

different parts of our body what to do Our hormone levels vary throughout our life but if they are supported correctly they can keep us youthful and vital into our final years Finding health then is not about seven ways to detox or the five best vitamins The body is far more complex than that and in an approach aimed specifically at the layperson Younger for Longer traces the exciting path of how the body works to help the reader create the best person they can be for the rest of their life
