**Archive, Slow Ideology and Egodocuments as Microhistorical Autobiography**

Sigurður Gylfi Magnússon, 2021-08-29 This book aims to demonstrate how scholars in recent times have been utilizing egodocuments from various angles and providing an opening for the multivocality of the sources to be fully appreciated The first part of the book is concerned with the significance of egodocuments both for the individual him herself who creates such documents and also for the other who receives them The author approaches the subject on the basis of his own personal experience and goes on to discuss the importance of such documents for the academic world emphasizing more general questions and issues within the fields of historiography philosophy of history microhistory and memory studies The second part of the book is based upon a photographic collection an archive that belonged to the author s grandfather who over decades accumulated photographs of vagabonds and outsiders This part seeks to explore what kind of knowledge can be applied when a single source an archive document letter illustration etc is examined and whether the knowledge derived may not be quite as good in its own context as in the broader perspective

**Power, Intimacy, and the Life Story** Dan P.

McAdams, 1988-01-01 Who am I And how do I fit into the world These are the questions individuals ask themselves to make sense of their lives Power Intimacy and the Life Story addresses the human quest for identity The author reinterprets some of the classic writings in psychology as he shows how each of us constructs a life story in order to meet the identity challenge and create a sense of unity and purpose in our lives Written for the social scientist practicing clinician educated layperson and student this compelling study describes how we construct stories that are organized by the two general life themes of power and intimacy Using the results of questionnaires and interviews with both college students and older adults the author illustrates an innovative way of understanding human lives in literary terms
