The Power of Divine Timing Joy Yascone Elms, 2018-11-19 The secret to success in every endeavor is timing What Divine Time are you on now Take a look inside to find out This is The Power of Divine Timing 2019 The Power of Divine Timing 2019 is an annual astrological guide and method that helps readers to nurture the correct source at the right time to create desired results based on astrological timing You've heard the term have an attitude of gratitude but how can you be gracious if you can't see the blessings you're supposed to be grateful for Indeed sometimes we have starved the blessings so much it's as if they do not exist or they have simply withered and died That's sad right Humans tend to naturally feed the wrong source challenges You may also know that whatever we feed whatever we nurture grows stronger You hear this time and time again from wise and prophetic teachers Live in the moment How do you do that when you don't know what moment you're in or where to place your intention and energy That's where The Power of Divine Timing 2019 comes in This is The Power of Divine Timing 2019 the technique that locates your specific personal Universal blessings and challenges in real time and simply teaches you how to starve your challenges and to nurture and grow your blessings The question then becomes what happens to something that starves It cannot exist without a source of energy feeding it So this simply put means you can starve your challenges to death until they have no power to survive and wreak havoc in your life For what I have intrinsically found is that when you focus on the blessings in your life solutions for life's challenges can be found there It's really quite easy Each chapter focuses on the planet's current transits and movements how they affect each astrological sign from the perspective of Challenges Blessings Change and how to approach your current chart utilizing The Power of Divine Timing Technique You should read both your Sun and rising sign As you get familiar with this year's challenges and apparent Universal Blessings you can start to nurture the right source As you nurture the correct source you will notice your life shifting the challenges diminishing and the blessings increasing I have included exercises and suggestions for each of the astrological signs and transits to assist you in nurturing the right source

SignMates Bernie Ashman, 2012-07-08 Somehow your relationship that started out so wonderfully is having problems Or perhaps you'd like to anticipate what problems could occur in a potential relationship More importantly you need to know how to resolve the problems Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another Recognizing and dealing with them can save relationships You'll find out how to do this in Bernie Ashman's SignMates Contrary to what some people think your astrological sign doesn't force you to do anything It is simply an indicator of what you are By understanding how the signs relate you can better understand relationships and how to overcome problems that may arise In a nutshell that is what this book will do for you The book relates potential problems in a relationship between every sign of the zodiac For example if you are a Virgo and your partner is a Scorpio you may play the Sabotage Game where you make it difficult for your partner to reach goals because of unresolved anger or jealousy To deal

with this you need to become aware of negative unproductive comments and support your partner Two other games and coping strategies are given Or perhaps you are a Libra and your partner is an Aquarius You may experience the Lovers and Strangers Game where your sense of closeness vacillates between extremes This is a test to see if you can handle emotional heat You have to be willing to simply and honestly discuss your feelings Again two more games and strategies for dealing with the conflicts that cause them are given No matter what sign you and your partner are this book will pinpoint the potential pitfalls and how to deal with them Also included for each pairing is the good news a rainbow at the end of the difficulties which indicates how great such a relationship can be Ideal for both non astrologers and astrological pros this book can help save your relationship **Sagittarius's Letters and Political Speculations** John Mein, Samuel Cooper, 1775
