Yoga in the Modern World Mark Singleton, Jean Byrne, 2008-06-30 This book is the first study to engage directly with the transformations and adaptations of yoga in the modern world It addresses the dialectic and ideological exchange between yoga s ancient precursors and modern praxis and the development and consolidation of yoga in global settings

Shakti's New Voice Angela Rudert, 2017-10-04 *Shakti's New Voice* is the first comprehensive study of Anandmurti Gurumaa a widely popular contemporary female guru from north India known for offering spiritual teachings and music on satellite television and the Internet Based on extensive ethnographic fieldwork and religious historical research as well as unexpected and unprecedented outsider contact with the guru Angela Rudert offers an intimate portrait of Gurumaa that will be of interest to the guru s admirers as well as to scholars To examine Gurumaa s innovation Rudert turns to examples drawn from fieldwork research in the guru s ashram and from other locations in India and in the United States These examples specifically discuss Gurumaa s religious pluralism her gender activism and her embrace of new media in order to illuminate elements of continuity and change within the time honored

South Asian tradition of guru bhakti devotion to the guru Raised in a Sikh family educated in a Catholic convent school and understood to have attained her enlightenment in Vrindavan the famous Hindu pilgrimage site of Lord Krishna s divine play Gurumaa refuses identification with any particular religious tradition or ism yet her teachings draw from many She speaks strongly often harshly about contemporary issues of gender inequality while calling for women s empowerment and she has established a non governmental organization called Shakti to promote girls education in India In the case of Anandmurti Gurumaa and those spiritual seekers in her fold innovations and re interpretations of tradition come from within the pluralistic setting of Indian religiosity while they exist and act within a global religious milieu

The Oxford Handbook of New Religious Movements James R. Lewis, Inga B. Tollefsen, 2016-04-12 The study of New Religious Movements NRMs is one of the fastest growing areas of religious studies and since the release of the first edition of The Oxford Handbook of New Religious Movements in 2003 the field has continued to expand and break new ground In this all new volume James R Lewis and Inga B T llefsen bring together established and rising scholars to address an expanded range of topics covering traditional religious studies topics such as scripture charisma and ritual while also applying new theoretical approaches to NRM topics Other chapters cover understudied topics in the field such as the developmental patterns of NRMs and subcultural considerations in the study of NRMs The first part of this book examines NRMs from a social scientific perspective particularly that of sociology In the second section the primary factors that have put the study of NRMs on the map controversy and conflict are considered The third section investigates common themes within the field of NRMs while the fourth examines the approaches that religious studies researchers have taken to NRMs As NRM Studies has grown subfields such as Esotericism New Age Studies and neo Pagan Studies have grown as distinct and individual areas of study and the final section of the book investigates these emergent fields

From Yoga to Kabbalah Véronique Altglas, 2014-05-01 Religious exoticism implies a deeply ambivalent relationship to otherness and to religion itself traditional religious teachings are uprooted and fragmented in order to be appropriated as practical methods for personal growth Western contemporary societies have seen the massive popularization of such exotic religious resources as yoga and

meditation Shamanism Buddhism Sufism and Kabbalah Vronique Altglas shows that these trends inform us about how religious resources are disseminated globally as well as how the self is constructed in society She uses two case studies the Hindu based movements in France and Britain that started in the 1970s and the Kabbalah Centre in France Britain Brazil and Israel She draws upon major qualitative and cross cultural empirical investigations to conceptualize religious exoticism and offer a nuanced and original understanding of its contemporary significance From Yoga to Kabbalah broadens scholarly understanding of the globalization of religion how religions are modified through cultural encounters and of religious life in neoliberal societies
