Indio's Date Festival Sarah Seekatz, 2016 Since the turn of the 20th century Southern California's Coachella Valley has embraced a unique crop the date. As success with the fruit grew so too did regional celebrations of it. Beginning in 1921 the City of Indio hosted a Festival of Dates an event that became the annual National Date Festival in 1947. The area linked itself to the date's birthplace the Greater Middle East in multiple ways but the festival drew national attention to Indio's use of these Arabian fantasies. Attendees celebrated the fair's camel races Arabian Nights musical pageant Middle Eastern architecture Queen Scheherazade pageant and the costumes worn by boosters and visitors alike. While the United States political and pop cultural relationship to the region changed over time the Eastern Coachella Valley continued to embrace fantasies of the Middle East at its fair. *Survival: Training Edition*, 1969 Rick Steves Provence & the French Riviera Rick Steves, Steve Smith, 2018-11-13 Stroll breathtaking coastlines explore Roman ruins and soak up the sun with Rick Steves on your side. Ward, 2014 Coachella was founded by Jason L Rector in 1884 under the name of Woodspur Rector established a wood siding for the railroad company and cleared the mesquite trees in the local area. As the town developed with the guidance and hard work of the early residents the town elected to change its name to Conchilla in 1901. However a clerical error would result in the town's name being registered as Coachella. The growth and development of the town would steadily continue while the agricultural industry took advantage of the year round growing season. The unique development of the date industry in Coachella and the surrounding towns provided a strong economy for local residents Flourishing in the unforgiving extreme heat of the Coachella Valley
