Television: A Biography David Thomson, 2017-03-28 The invention or the quaint piece of furniture wandered into our lives in the 1940s as a primitive plaything a clever if awkward addition to the household It was expensive unreliable and a bit of an invalid Television A Biography In just a few years what used to be an immobile piece of living room furniture which one had to sit in front of at appointed times in order to watch sponsored programming on a finite number of channels morphed into a glowing cloud of screens with access to a near endless supply of content

available when and how viewers want it With this phenomenon now a common cultural theme a writer of David Thomson's stature delivering a critical history or biography of the six decade television era will be a significant event which could not be more timely With Television the critic and film historian who wrote what Sight and Sound's readers called the most important film book of the last 50 years has finally turned his unique powers of observation to the medium that has swallowed film whole Over twenty two thematically organized chapters Thomson brings his provocatively insightful and unique voice to the life of what was television David Thomson surveying a Boschian landscape illuminated by that singular glow always on and peopled by everyone from Donna Reed to Dennis Potter will be the first complete history of the defining medium of our time

And Furthermore Judi Dench, 2011-02-15 I can hardly believe that it is more than half a century since I first stepped on to the stage of the Old Vic Theatre and into a way of life that has brought me the most rewarding professional relationships and friendships I cannot imagine now ever doing anything else with my life except acting Judi Dench From London's glittering West End to Broadway's bright lights from her Academy Award winning role as Elizabeth I in Shakespeare in Love to M in the James Bond films Judi Dench has treated audiences to some of the greatest performances of our time She made her professional acting debut in 1957 with England's Old Vic theatre company playing Ophelia in Hamlet Katherine in Henry V her New York debut and then Juliet In 1961 she joined the Royal Shakespeare Company playing Anya in The Cherry Orchard with John Gielgud and Peggy Ashcroft In 1968 she went beyond the classical stage to become a sensation as Sally Bowles in Cabaret adding musical comedy to her repertoire Over the years Dench has given indelible performances in the classics as well as some of the greatest plays and musicals of the twentieth century including No! Coward's Hay Fever Stephen Sondheim's A Little Night Music Kaufman and Hart's The Royal Family and David Hare's Amy's View for which she won the Tony Award Recently she made a triumphant return to A Midsummer Night's Dream as Titania a role she first played in 1962 now played as a theatre besotted Queen Elizabeth I Her film career has been filled with unforgettable performances of some unforgettable women Queen Victoria in Mrs Brown the terrifying schoolteacher Barbara Covett in Notes on a Scandal and the writer Iris Murdoch in Iris And for the BBC Dench created another unforgettable woman when she brought her great comic timing and deeply felt emotions to the role of Jean Pargetter in the long running BBC series As Time Goes By And Furthermore is however more

than the story of a great actress's career. It is also the story of Judi Dench's life: her early days as a child in a family that was in love with the theatre; her marriage to actor Michael Williams; the joy she takes in her daughter, the actress Finty Williams; and her grandson Sammy. Filled with Dench's impish sense of humor, diamond sharp intelligence, and photos from her personal archives, *And Furthermore* is the book every fan of the great Judi Dench will cherish. *100 Road Movies* Jason Wood, 2019-07-25 In *100 Road Movies* each entry will offer an insightful critique in terms of aesthetics, plot structure, and defining formal and thematic features whilst also considering the title in the wider context and understanding of by what criteria a film may be considered a road movie. Full credits including year of production, principal cast, and technical crew and country of origin will also be included at the foot of each entry. There will be a selection of illustrative stills, approximately twenty-five in total. The scope is broad: a consideration of the elements that gave rise to the road movie sub-genre; how this sub-genre corresponds to other traditional genres: the thriller, the western, etc; and how various international countries have adopted the road movie to reflect their cultural, social, political, and geographical identities.

British Television Drama in the 1980s George W. Brandt, 1993-09-24 On British television drama in the 1980s. *The Cambridge Companion to David Hare* Richard Boon, 2007-12-13 David Hare is one of the most important playwrights to have emerged in the UK in the last forty years. This volume examines his stage plays, television plays, and cinematic films, and is the first book of its kind to offer such comprehensive and up-to-date critical treatment. Contributions from leading academics in the study of modern British theatre sit alongside those from practitioners who have worked closely with Hare throughout his career, including former Director of the National Theatre Sir Richard Eyre. Uniquely, the volume also includes a chapter on Hare's work as journalist and public speaker, a personal memoir by Tony Bicton, co-founder with Hare of the enormously influential Portable Theatre, and an interview with Hare himself in which he offers a personal retrospective of his career as a film maker, which is his fullest and clearest account of that work to date.

About Hare Richard Boon, 2015-01-29 This series contains what no other study guides can offer: extensive first-hand interviews with the playwrights and their closest collaborators on all of their major work put together by top academics, especially for the modern student market. As well as invaluable synopses, biographical essays, and chronologies, these guides allow the student much closer to the playwright than ever before. In *About Hare*, Professor Richard Boon provides an in-depth study of one of the great post-war British playwrights. His study includes a rigorous analysis of Hare's work as well as interviews with Hare and those who helped to put his work on stage, including Bill Nighy, Vicki Mortimer, Sir Richard Eyre, Lia Williams, and Jonathan Kent. With the increasing interest in this major playwright whose work attracts the very best of acting talent, this book is a timely publication for student and theatregoer alike.
