## Sailing School:

*Learning to Sail: The Annapolis Sailing School Guide for Young Sailors of All Ages* Ian Brodie, Diane Goodman, 1994-04-22  
This book is about learning to sail. It follows the techniques perfected at the world famous Annapolis Sailing School where thousands of people just like you have learned to take tiller in hand and harness the wind. You'll learn your way around a boat, what its parts are called, what they do, and how to use them to ride the wind wherever you want to go. Read this book, spend some time on a boat, and practice your new skills, and pretty soon you'll be a sailor, one of a select group of people who think there's nothing finer than hiking out to windward in a close hauled dinghy racing against friends or a neighboring sailing club, or alone and just for the fun of it. MotorBoating, 1970-01      **Learning to Sail** Di Goodman, 1994-01. Covers rigging, safety precautions, steering, trimming the sails, jibing, tacking, heeling, emergency procedures, and docking. Cruising World, 2003-07      Fast Track to Sailing Steve Colgate, Doris Colgate, 2009-02-06. The learn to sail book for when you are in a hurry to gain your sea legs. At the Offshore Sailing School, the Colgates have taught more than 100,000 adults how to sail. Now they are making their proven instructional methods available to you so you can fulfill your sailing dreams in little time. Though designed around three days of intensive instruction, the book adapts easily to any learning pace. You can master the fundamentals in three days or over a summer of leisurely sailing. Cruising World, 1992-01      **Cruising World**, 1985-01
