## **Sailing With Paul:**

Sailing with Paul H. A. Ironside, 2014-10-28 There are many lessons to be learned from a careful study of Luke's account of Paul's voyage to Rome. Taken literally it shows us in a wonderful way the personal care of the Lord Jesus Christ for His beloved servant in a time of great stress and difficulty. The particular incident recorded in Acts 27:21-26 is that to which I especially desire to draw each reader's attention. For long weary days and nights neither sun nor stars had been visible. The captain of the ship was in despair, the mariners hopeless. Then it was that Paul, the prisoner of the Lord, Ephesians 4:1, how lovely a title, not a prisoner of Caesar nor of Rome but of the Lord, became the comforter of all in the ship, comforting them with the comfort wherewith he had just been comforted of God. For to him an angel of the Lord had appeared standing by him and saying, "Fear not, Paul, thou must be brought before Caesar, and lo, God hath given thee all them that sail with thee." It is my purpose in this pamphlet to trace out some of the precious truths Paul was chosen to make known for our eternal blessing.

Only let each reader be sure he or she is one who sails with Paul, for to none other do they apply. **Sailing with Paul** H. A. Ironside, 2006-06-02 Take a trip with the Apostle Paul through the fundamentals of the Christian life. Moving through eighteen points of interest, Dr. Ironside leads us on a journey through Paul's teachings on subjects from Conversion to The Judgment Seat of Christ. Each section is brief enough to be easily read, simple enough to be clearly understood, and pointed enough to encourage the spiritual traveler to press on in their journey with Christ. This book makes an excellent handbook for new believers and is perfect for group or individual study.

**With Paul at Sea** Linford Stutzman, 2012-04-18 What Jesus began on and around the Sea of Galilee, Paul continued on and around the Mediterranean Sea. With Acts as the stage, the biblical narrative shifts from land to sea. Paul is the central actor in this part of the drama. Luke, the playwright traveling with Paul on portions of his journeys, was deeply impressed by Paul's challenges and his creative engagement with both the pagans and the Jews living in the Roman Empire. In *With Paul at Sea*, Linford Stutzman himself, an accomplished sailor, relates key highlights of his personal

experience of sailing Paul's voyages two thousand years later Including examples of discoveries in the cities and harbors of Acts combined with historical archeological and biblical evidence Stutzman demonstrates the contribution and relevance of Paul for Christians in the twenty first century Portraying the modern world as a sea the church as a ship and a life of faith as sailing With Paul at Sea is an invitation for today's Christians to travel with Paul *Sailing with Paul* Henry Allan Ironside,1978-01-01 *Sailing to Jessica* Kelly Watts,2012-11-16 At 35 years old Kelly and Paul Watts sold their home and quit their jobs to sail around the world without any sailing experience Two days after purchasing their forty two foot sloop they got caught in a forty knot gale off the coast of Cape Fear NC Their sails ripped the engine overheated the GPS broke they suffered hypothermia and severe seasickness And yet they persevered on their journey discovering the playful sea lions of the Galapagos the seductive dance of the Polynesian girls and the primitive beat of Tuvaluan music all while learning how to sail and repair their boat They narrowly avoided a shark attack in Suvarrow fled from suspected pirates off the coast of Ecuador and hit a submerged container the fear of all sailors near Midway Island What started as a search to find meaning to life without children only strengthened their desire to have a family After fertility attempts failed in America and New Zealand they unexpectedly adopted a two month old baby in Kiribati And so began the adventure of raising a baby on a boat in the middle of the Pacific battling Dengue Fever and an epidemic of e coli almost losing their lives in a 60 knot westerly gale and navigating through the maze of international adoption paperwork Told from Kelly's conversational point of view *Sailing to Jessica* will inspire anyone who is searching for meaning in their life to get up and find it **Sailing - Philosophy For Everyone** Patrick Goold,2012-07-10 This volume reveals the wisdom we can learn from sailing a sport that pits human skills against the elements tests the mettle and is a rich source of valuable lessons in life Unravels the philosophical mysteries behind one of the oldest organized human activities Features contributions from philosophers and academics as well as from sailors themselves Enriches appreciation of the sport by probing its meaning and value Brings to life the many applications of philosophy to sailing and the profound lessons it can teach us A thought provoking read for sailors and philosophers alike *Sailing Acts* Linford Stutzman,2006-10-01 For those who love sailing and you are there travel literature Also for those who enjoy studying the life and times of the Apostle Paul But definitely for those who love adventure or at least reading about it Seafaring isn't for the faint of heart It wasn't for the Apostle Paul in the first century A D shipwrecked imprisoned and often a stranger in foreign lands And it turned out to be a heart stopping task some two thousand years later when a religion professor and his wife undertook a 14 month journey by sailboat They stopped in eight countries visiting every site where Paul stopped on his tumultuous missionary journeys *Sailing Acts* traces this 21st century voyage from Volos Greece to Rome Italy by car by foot by motorized scooter but mostly on a 33 foot boat logging more than 3600 nautical miles over two sailing seasons Explorers are easy to admire or despise but very difficult to understand without going on the trip writes Stutzman To really appreciate the experiences the drama and development of Paul the explorer you

need to sail with him So begins *Sailing Acts* inviting readers to come on board Stutzman draws thoughtful comparisons from his own travel mishaps and adventures to the ones Paul experienced on his journeys This book is in the tradition of Bruce Feiler's *Walking the Bible* Stutzman's knowledge of the socio political setting in the first century Roman empire provides an informative backdrop to understanding Paul and reading his epistles in a new light The book includes dozens of photos maps showing the couple's travel routes a list of all the repairs and replacements Stutzman made to the aging boat which he bought sight unseen and an itinerary of places they visited Skyhorse Publishing as well as our Sports Publishing imprint is proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team In addition to books on popular team sports we also publish books for a wide variety of athletes and sports enthusiasts including books on running cycling horseback riding swimming tennis martial arts golf camping hiking aviation boating and so much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
